Introduction

Praise be to Allah, the Most Gracious, the Most Bountiful, Who taught by the pen; taught man that which he knew not. Blessings and peace be upon our Prophet, Muhammad, who was sent as a mercy to all nations, and upon his family and companions.

The Team of Authors of the Islamic Education curriculum is pleased to present to our dear students the Islamic Education textbook in its new form, praying to Allah, Exalted be He, that it will help them increase their knowledge, expand their perceptions, and elevate their morals; He is the All-Hearer, the All-Answerer.

In constructing the book, the unit-based approach has been adopted. Each unit is comprised of a variety of subjects, representing, in an integrated manner, the curriculum's fields and themes, including: the divine revelation, the Islamic creed; Islamic values and moral teachings, Islamic rulings and purposes, the Prophet's biography, Islamic personalities, national identity and modern issues.

The book has sought to translate the curriculum standards into comprehensive content, identifying the learning outcomes at the beginning of each lesson under the heading: *'This lesson teaches me to.'*

Each lesson consists of an introduction entitled: *'I take the initiative to learn'*, a presentation under the title: *'I use my skills to learn'*, and a conclusion entitled: *'I organize my concepts'*.

The students' activities focus on three specific types: general activities for all students under the heading: '*I answer by myself*', enrichment activities for distinguished students titled: '*Enriching my experience*', and applied activities entitled: "*I assess myself*".

The book strikes a balance between religious knowledge and educational activities by providing students with the necessary Islamic knowledge and concepts. At the same time, it has allowed them the opportunity of enriching and broadening their knowledge through class learning activities.

The book aims to realize the attributes of Emirati students, strengthen their loyalty and belonging to their homeland, protect them from the ideas of extremism and terrorism; develop the skills of thinking in particular, and those of the 21st century in general; and achieve the requirements of sustainable development.

The book focuses on the religious knowledge and concepts that students need to acquire. It links them to contemporary life in accordance with the teachings of Islam, which are based on the concepts of moderation, balance, tolerance, love, peace, cohesion, harmony, respect for human dignity, renunciation of violence and hatred, positivity, and individual and communal responsibility. Moreover, the book attaches importance to developing performance skills that relate to Islamic education and has given special emphasis to Islamic values in order to build conscious personalities that adhere to their religion, and take pride in their heritage, contribute to nation building and open new horizons of cooperation to promote common human values.

Moreover, the book comprises multiple and diverse learning activities that contribute to developing critical thinking in learners. This is a pressing contemporary requirement that fortifies students against aberrant ideas and imprudent imitation. The book also aims to develop creative and innovative thinking, which the UAE seeks to achieve by 2021 through its vision entitled "*United in Ambition and Determination*", and to become one of the best countries in the world. In addition, the book seeks to develop the skills of problem-solving in real life and make the right decisions in a timely manner. It helps to hone students' capabilities and raise their awareness of investing material and human potential and preserving and developing the nation's wealth.

We hope that the method of presenting topics will help our students to utilize their learning methods of observing, thinking, experimenting, applying, self-learning, researching, investigating, and drawing evidence-based results.

As we present this book to our students, we pray to Allah that the planned and sought benefits will be realized, by realizing the learning criteria of Islamic education and developing thinking and performance skills with a view to building a creative and innovative generation, facing challenges and elevating the status of its homeland.

May Allah grant success!

Rashid the Thinker Loves Learning

I like to go to school to learn and to seek knowledge. I study hard to be excellent in my studies and realize my goal by being a Muslim who is aware of his religion and a successful doctor who serves his country and society. Do you know what I can do to make my dream come true?

I go to mosque three days every week to learn the Book of Allah to win His pleasure and be guided to everything good. I feel that love for Allah (تعالى) increases in my heart whenever I read His verses.

Every weekend, I go with my father to the library to choose for myself a useful book or a science fiction story.

I participate in scientific competitions and trips organized by school, and watch documentary programs and films.

I feel very happy because I learn something new every day. I acquire knowledge of various sciences, which develops my mind and enhances faith in Allah and His greatness in my heart.

I take the initiative to learn

I read and expect:

Having said goodbye to her friends, the grandmother sat with her children. Noura wanted to know how to choose her girl friends, so she said: My grandma, I am pleased with your friends.

Grandmother: My daughter, true friendship remains forever. Since we chose good friends, Allah bestowed upon us their loyalty and sincerity of dealing.

Noura: I would like to have friends like yours, but I do not know how to choose.

Grandmother: You should choose those who are loving and truthful, and also sincere and good-mannered ones. We can find the best example in the Messenger of Allah (ﷺ) and his Companions. Abu Bakr As-Siddeeq (رضي الله عنه) was a sincere friend of the Prophet (ﷺ), believing in him when the people of Makkah disbelieved him, and therefore he was given the surname "As-Siddeeq", which means "a true, loyal friend."

- ✦ What is the first characteristic which the grandmother focused on in choosing her friends?
- ✦ Who was nicknamed "As-Siddeeq."?
- ✦ What do you expect the characteristics of a good friend to be?

We choose friends on the basis of truthfulness, love and good manners.

I use my skills to learn

I read and analyze

Abu Bakr As-Siddeeq (رضي الله عنه)

Who is Abu Bakr As-Siddeeq?

He is Abdullah bin Abi Quhafa, the first man to embrace Islam, and one of ten Companions who were promised to enter Paradise. The Messenger of Allah (ﷺ) gave him the title As-Siddeeq, because he believed him when the people of Makkah disbelieved him. A big number of Companions converted to Islam through him. He was the comrade and companion of the Messenger of Allah (ﷺ) during the migration (Hijrah) journey to Al-Madinah.

The Messenger of Allah (ﷺ), together with Abu Bakr, Omar and Othman (رضي الله عنه), climbed Uhud Mountain. The mountain shook, upon which the Prophet (ﷺ) said,

“Uhud, do not move, for on you there are a prophet, a siddeeq (true believing friend) and two martyrs.” (Al-Bukhari)

Abu Bakr As-Siddeeq (ﷺ):

The Prophet

to

I explain:

The Prophet (ﷺ) surnamed Abu Bakr "As-Siddeeq".

We infer

the effects of the true belief of Abu Bakr As-Siddeeq (رضي الله عنه).

First case:

The polytheists persecuted the Prophet (ﷺ) and the believers who embraced Islam. Uqba bin Muayt tried to hurt the Prophet (ﷺ) while praying at the Kaaba yard, but Abu Bakr As-Siddeeq (رضي الله عنه) defended him. So, the disbelievers beat and kicked him, yet he did not care for what happened to him since he had protected the Prophet (ﷺ) from harm.

✦ One of the effects of his belief:
he the Prophet (ﷺ).

I love our Prophet Muhammad (ﷺ) sincerely and follow his example.

Second case:

Abu Bakr As-Siddeeq (رضي الله عنه) said to the Prophet (ﷺ):

“Should I and my wealth be for other than you, O Messenger of Allah?” [Ahmad]

One of the effects of his belief: he spent for the sake of Allah and His Messenger (ﷺ).

We read and expect

The attitudes of Abu Bakr As-Siddeeq and his family during the migration:

After the disbelievers increased their oppression on the Muslims, Allah allowed them to migrate to Al-Madinah. The Prophet (ﷺ) waited until Allah permitted him to migrate; so he chose Abu Bakr As-Siddeeq (رضي الله عنه) as his companion on that journey, which pleased Abu Bakr As-Siddeeq a lot. Abu Bakr As-Siddeeq (رضي الله عنه) had already prepared two camels. They left secretly during the night. On the way to Al-Madinah, Abu Bakr As-Siddeeq sometimes walked in front of the Prophet (ﷺ), sometimes behind him, sometimes on his right and at other times on his left, for fear that the disbelievers would chase them. At last, they arrived at a cave called “Ghar Thawr”. Abu Bakr entered the cave before the Prophet to check it so that no harm should occur to the Prophet (ﷺ). They stayed in the cave

for three nights. Abdullah bin Abu Bakr stayed with them at night and went out in the daytime to collect news for them. Asmaa bint Abu Bakr (رضي الله عنها) was assigned the task of bringing them food while they were in the cave. To hide the food and water, she split her shawl in two 'nitaqs' (belts) and put what she carried inside them. Therefore, she was called 'That An-Nitaqain' (the Lady of the Two Belts).

✦ We write down the acts that show Abu Bakr's and his family's love for the Prophet (ﷺ):

- 1 His preparation of His pleasure with of the Prophet (ﷺ) in the migration,
- 2 His walk around the Prophet (ﷺ) to protect him
- 3 His entrance into the cave before the Prophet (ﷺ) in order to make sure that
- 4 Abdullah bin Bakr's leaving for Makkah and return to them with the
- 5 Asmaa's splitting of and putting food inside it.

I read and complete:

Abu Bakr As-Siddeeq (رضي الله عنه) was loved by the Prophet (ﷺ) due to his good manners and wise mind. He was also esteemed by his people, and many people used to visit him on account of his knowledge and good character.

- ✦ The Prophet (ﷺ) chose Abu Bakr (رضي الله عنه) as his companion because of , manners, and
- ✦ I will choose a friend who is and
- ✦ Abu Bakr As-Siddeeq (رضي الله عنه) was esteemed by his people and many people visited him due to and
- ✦ I will learn useful knowledge and kindly my family, relatives and fellow students in order to be loved by them.

I read and summarize:

Rashid's father wished to be successful in his trade, so he read the biography of Abu Bakr As-Siddeeq (رضي الله عنه) and knew that:

Abu Bakr As-Siddeeq (رضي الله عنه) was a man who loved work and was keen to earn his living through his own effort. He practiced trade in clothes. He was known for his honesty, trust, good dealing with people and acts of charity in the way of Allah; therefore, his trade prospered.

What should Rashid's father do to be successful in his trade?

To be keen on

To have the
characteristics of
..... and
.....

To
Well with people.

To
and spend in the
way of Allah.

We observe and imitate:

Abu Bakr As-Siddeeq (رضي الله عنه) was the most favorite of men to the Prophet (ﷺ). Amr bin Al-Aas (رضي الله عنه) asked the Prophet (ﷺ), "Who is the most beloved of people by you?" The Prophet (ﷺ) answered, "Aisha." He asked him again, "And of men?" The Prophet (ﷺ) answered, "Her father." He meant Abu Bakr As-Siddeeq (رضي الله عنه). [Bukhari and Muslim]

The Prophet (ﷺ) loved Abu Bakr As-Siddeeq (رضي الله عنه), and I love the Prophet (ﷺ) and whom he loved.

(I Obey my Lord)

Through reading we learn more. Let's read about the Prophet's Companions (رضي الله عنهم) and learn from them.

Abu Bakr As-Siddeeq (رضي الله عنه) took the initiative in every useful action. One day, the Prophet (ﷺ) asked his Companions, "Who among you is fasting today?" Abu Bakr (رضي الله عنه) said, "Me." He asked again, "Who among you followed a funeral?" Abu Bakr answered, "Me." The Prophet asked again, "Who among you fed a needy person?" Abu Bakr answered, "Me." The Prophet asked again, "Who among you visited a sick man?" Abu Bakr answered, "Me." The Prophet (ﷺ) said, "These acts have never been done all together by a Muslim but he entered Paradise." [Muslim]

I follow the example of Abu Bakr As-Siddeeq in his love for Allah (تعالى) and His Messenger (ﷺ):

Abu Bakr As-Siddeeq (رضي الله عنه) used to fast, and I

Abu Bakr As-Siddeeq (رضي الله عنه) used to feed the needy and donate charity, and I

Abu Bakr As-Siddeeq (رضي الله عنه) used to visit patients, and I

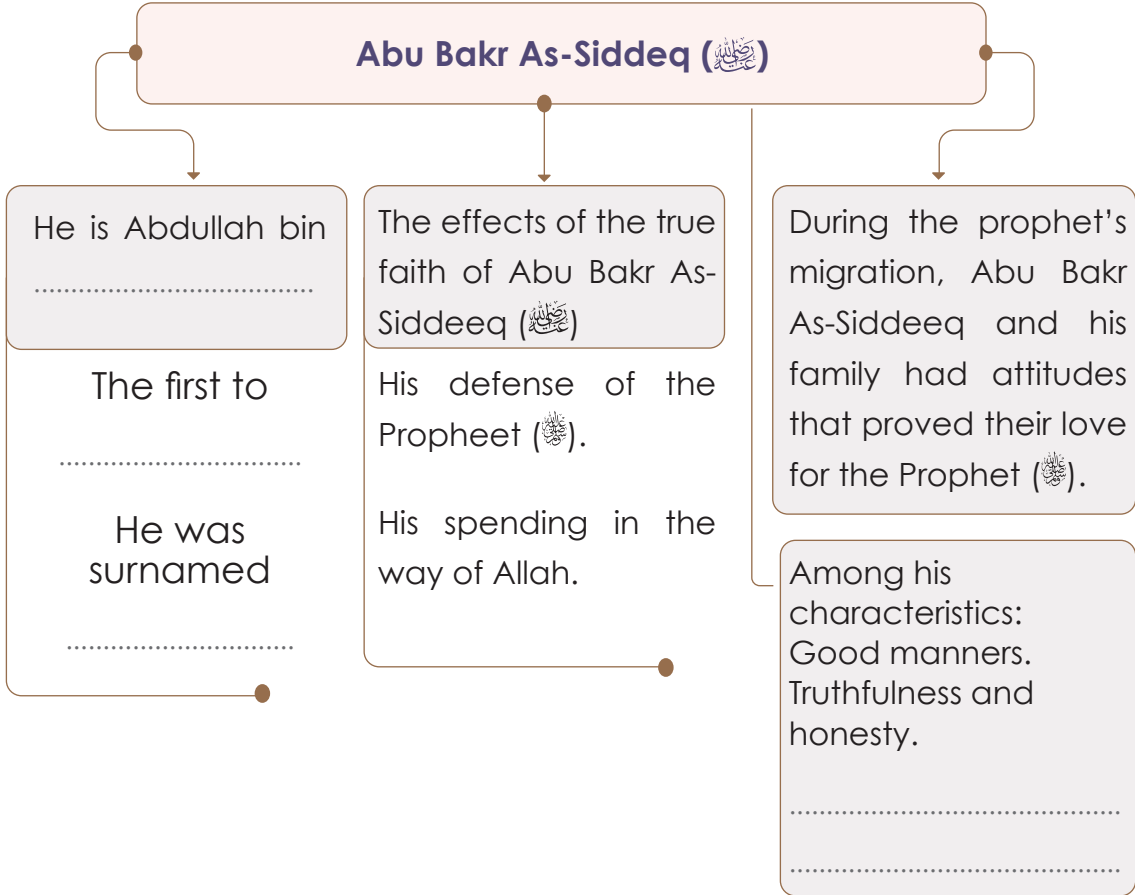

The Prophet (ﷺ) loved Abu Bakr (رضي الله عنه) and married his daughter, Aisha As-Siddeeqa (رضي الله عنها), daughter of As-Siddeeq.

I would like to be like Abu Bakr As-Siddeeq (رضي الله عنه) in his gentleness, good manners and wise mind.

Abu Bakr As-Siddeeq (رضي الله عنه) heard that the Garden (Paradise) has eight doors, including the Door of Rayyan, the Door of Prayer and the Door of Charity. He said, "O Messenger of Allah, will there be anyone who will be called from all these gates?" The Prophet answered him, "Yes. And I hope you will be one of them."

Activity Two:

I answer the three questions below:

It was narrated that Abu Bakr (رضي الله عنه) said:

I said to the Prophet (peace and blessings of Allah be upon him), when I was with him in the cave: "If one of them looks down at his feet he will see us." He said, "What do you think, O Abu Bakr, of two the third of whom is Allah?" (Muslim)

Lesson Three

Surat Al-Fajr

3

This lesson teaches me to

- ✦ recite Surat Al-Fajr correctly.
- ✦ give the meaning of the terms of the surah.
- ✦ explain the general meaning of the holy surah.
- ✦ indicate the end of the wrong-doers.
- ✦ infer that the soul at peace will be rewarded with Paradise.
- ✦ recite Surat Al-Fajr by heart.

I take the initiative to learn

I search and discover:

I search the *Index of the Holy Qur'an* for the name of a surah that is located between Surat Al-Balad and Surat Al-Ghashiyah and write its name:

.....

I recite and memorize:

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

وَالْفَجْرِ ١) وَلَيَالٍ عَشْرٍ ٢) وَالشَّفْعِ وَالْوَتْرِ ٣) وَاللَّيْلِ إِذَا يَسِرَ ٤) هَلْ فِي ذَلِكَ قَسَمٌ لِّذِي حِجْرِ ٥)

In the name of Allah, the All-Beneficent, All-Merciful.

“1. By the Dawn 2. And ten nights, 3. And the Even and the Odd, 4. And the night when it departs 5. There surely is an oath for thinking man. 6. Do you not consider how your Lord dealt with Aad? 7. (The people) of the many-columned (city of) Iram, 8. The like of which was not created in the lands; 9. And with (the tribe of) Thamud, who cut out the rocks in the valley; 10. And with Pharaoh, firm of right, 11. Who (all) were rebellious (to Allah) in these lands, 12. And multiplied inequity therein? 13. Therefore your Lord poured on them kinds of severe punishment. 14. Lo! your Lord is ever Watchful.”

(Surat Al-Fajr)

I understand the meaning of the words:

| | | | |
|--------------------------|-----------------|---------------------------------|----------------------------------|
| الشفع <i>Ash-Shaf`i</i> | the even | جابوا <i>Jābū</i> | Cut out |
| والوتر <i>Wa Al-Watr</i> | the odd | ذي الأوتاد <i>Dhī Al-'Awtād</i> | The lord of armies |
| حجر <i>Hijr</i> | Mind; intellect | طغوا <i>Ṭaghaw</i> | Were rebellious; transgressed |

I use my skills to learn

I read the general meaning and answer:

The holy surah is started with swearing by the dawn, which is a sign of the greatness and might of the Creator, Who directs and manages the universe and organizes its movement. It is the time of the first appearance of light in the sky before sunrise; it is made by Allah (تعالى) as a time for worship and seeking to make a living.

Allah (ﷻ) swore by the first ten nights of Dhul Hijjah due to the importance and high ranking of this period of time: it includes the Hajj season. He (تعالى) also swore by the even number (the day of Eid Al-Ad-ha; that is, the tenth day, which is an even number), and by the odd number (the Day of Arafah; that is, the ninth day, which is an odd number). He (تعالى) swore, too, by the night when it covers the world with its darkness to attract the attention of human beings to the signs of the power of Allah (ﷻ) in the universe to meditate on them and recognize His great might.

This oath is enough for those who have minds to guide them to the truth and to take lessons. Didn't you, Muhammad, see how your Lord punished those past nations who disbelieved the Messengers of Allah, disobeyed Allah (تعالى), practiced oppression in their countries and caused a lot of corruption. Allah (تعالى) will bring every human to account according to their deeds.

- ✦ What did Allah swear by at the beginning of the surah?
- ✦ What are the peoples that Allah mentioned in the previous verses?
- ✦ Why does Allah (تعالى) narrate the stories of past nations and tribes?

I look at the pictures and write relevant holy verses:

.....

.....

.....

Complete:

Prayer

Eid

I reflect on Allah's great creation:

Sunrise time

Sunset

-I follow up suitable actions for each time and record them in their relevant places in the table:

(perform Fajr Prayer – reflect on sunrise – seek knowledge – seek to make a living – sunset – get ready for sleep)

| Time | Suitable Actions |
|------------------|------------------------|
| Sunrise | |
| Sun..... | Perform Maghreb Prayer |
| Dawn | |
| Fall of the dark | |

I cooperate with my classmates

We learn a lesson:

We listen to our teacher speaking about the nations that exceeded the limit in oppression and corruption and are mentioned in Surat Al-Fajr, then complete the table:

| The Nation | Their prophet | Their deeds |
|---------------------|-----------------------------------|---|
| | Hud (ﷺ) | They disbelieved in Allah and His Prophet Hud (ﷺ) |
| The tribe of Thamud | | |
| | He lived at the time of Moses (ﷺ) | He disbelieved in Allah and His Prophet Moses (ﷺ) |

We put a check (✓) against the correct statement:

- ✦ We read the stories of the Holy Qur'an to take a lesson. ()
- ✦ A Muslim believes the Prophets and also believes in them. ()
- ✦ Allah (تعالى) brings everyone to account for his deeds. ()
- ✦ If we read the stories of the Prophets and their people ,we do not tell anyone about these stories. ()

I repeat after them:

I love all the Prophets and Messengers of Allah (تعالى).

I love to read and tell the stories of the Prophets.

I recite and memorize:

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ
﴿فَأَمَّا الْإِنْسَانُ إِذَا مَا ابْنَلَهُ رَبَّهُ، فَأَكْرَمَهُ، وَنَعَّمَهُ، فَيَقُولُ رَبِّي أَكْرَمَنِ ﴿١٥﴾ وَأَمَّا إِذَا مَا ابْنَلَهُ فَقَدَرَ

And you devour heritages with devouring greed 20. And love wealth with abounding love. 21. Nay, but when the earth is ground to atoms, grinding, grinding, 22. And your Lord shall come with angels, rank on rank, 23. And hell is brought near that day; on that day man will remember, but how will the remembrance (then avail him)? 24. He will say: Ah, would that I had sent before me (some provision) for my life! 25. None punishes as He will punish on that day! 26. None binds as He then will bind. 27. But ah! you soul at peace! 28. Return unto your Lord, content in His good pleasure! 29. Enter you among My bondmen! 30. Enter you My Garden!” (Surat Al-Fajr)

I understand the meaning of the words:

| | | |
|---------------------|------------------|-----------------------|
| أَبْتَلَّهُ رَبَّهُ | Abtalāhu Rabbuhu | Tested and tried him |
| الْثَّرَاتِ | At-Turātha | Inheritance or wealth |
| لَمَّا | Lammā | Much |

I cooperate with my classmates

We read the general meaning of the holy verses, then complete:

The holy verses explained that some people think that abundant wealth is a proof that Allah (تعالى) has honored its owner and that poverty is a proof that Allah (تعالى) has degraded the poor. Such thoughts are not correct or pleasing to Allah (تعالى) because being rich or poor is a test for man by Allah (تعالى).

Next, the verses describe some events of the Day of Judgement when the earth is shaken and crushed into pieces. Allah (تعالى) will judge between creatures. He will order that obedient believers should enter Paradise. This is the good news for the righteous and the fruit of their true faith and good deeds. He punishes those who disbelieved in His messengers and disobeyed them by throwing them into Hellfire. They will repent and regret, but repentance will be useless for them.

- ✦ If made rich by Allah, man will say, "My Lord honors me." But if He tests him through reduction in provisions, he says, "....."
- ✦ If made rich by Allah, a believer thanks Him; Allah (تعالى) tests people with wealth and.(.....)
- ✦ A rich man should (.....) Allah ,and a poor man should be patient until Allah enriches him.
- ✦ Allah (تعالى) decrees that the obedient should go into (.....) ; while the wrong-doers will regret.

We give our opinion

| State | Agree | Disagree |
|--|-------|----------|
| He thanks Allah (تعالى) for His bounties and endures trial. | | |
| He loves money too much and does not give the poor for fear of poverty. | | |
| He honors orphans and helps the poor. | | |
| He joins refuge relief campaigns of the Red Crescent. | | |
| He suggested that his father contact an entity that can distribute food leftovers after feasts to those in need. | | |

We search for

the opposite of the following words and write them:

| The word | Its Meaning | Opposite |
|--------------------------------|-------------|----------|
| أَكْرَمَن <i>'Akraman</i> | Honored | |
| تُحِبُّونَ <i>Tuḥibbūna</i> | You love | |
| جَمًّا <i>Jammā</i> | A lot | |

We Plan and present

We develop a plan to read the stories of prophets and present them to the classmates.

I imagine:

Imagine yourself in Paradise:

- ✦ What do you see? What do you hear? How do you feel?
- ✦ What do you wish when you are in Paradise?
- ✦ What will you do in the worldly life so that Allah may let you enter Paradise?

I read and speak:

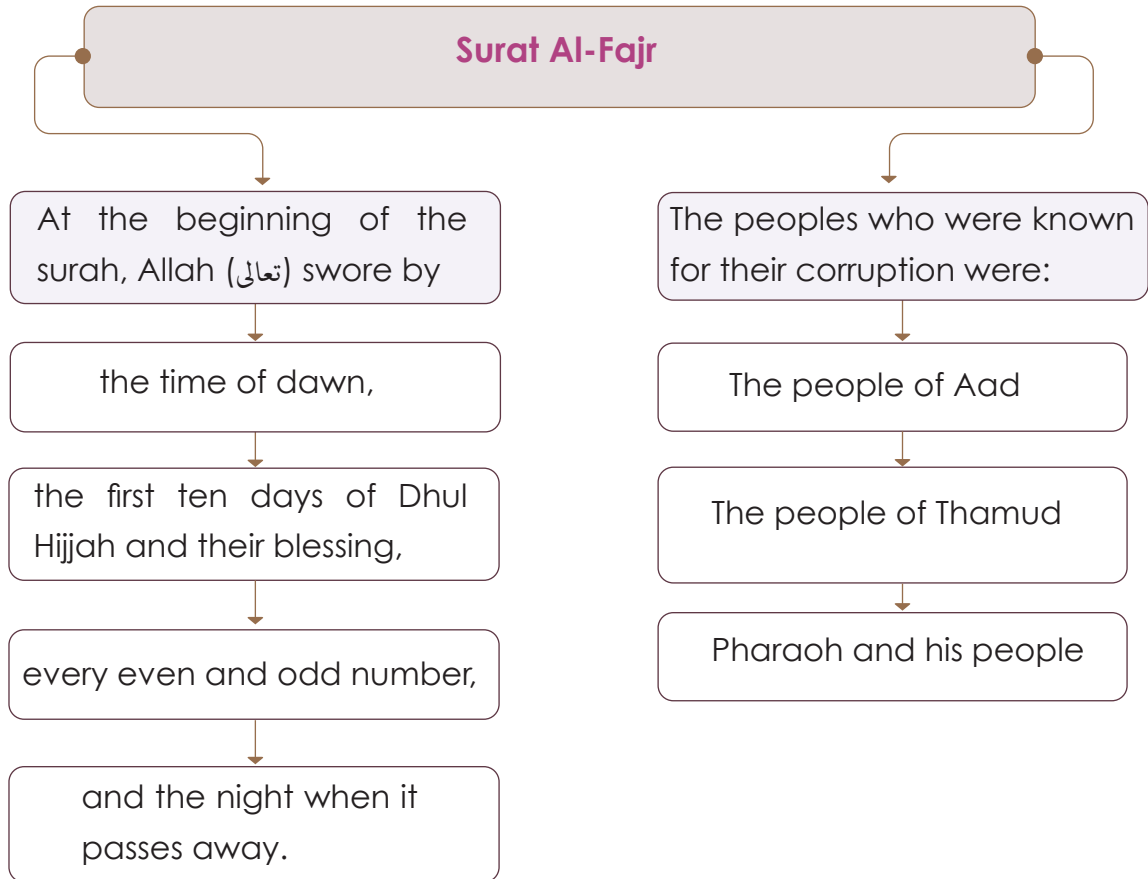

I wish that my Lord will admit me into Paradise. Therefore, I am keen to do good and keep away from evil.

On the Day of Judgement, the faithful soul will be at peace, laughing and joyful.

I organize my concepts

I train to recite the Holy Qur'an

قَالَ تَعَالَى: ﴿إِنَّ الَّذِينَ ءَامَنُوا وَعَمِلُوا الصَّالِحَاتِ أُولَٰئِكَ هُمْ خَيْرُ الْبَرِيَّةِ ﴿٧﴾ جَزَاؤُهُمْ

Allah has pleasure in them and they have pleasure in Him. This is (in store) for him who fears his Lord.” (Surat Al-Bayyinah)

We compete in learning
Surat Al-Fajr by heart to win
the reward of Allah (تعالى).

Student Activities

I answer by myself

Activity One:

I put the mark (✓) against the correct statement, and (x) against the wrong one:

| | |
|--|-------|
| ✦ Muslims stand at Arafat during Hajj. | () |
| ✦ The end of wrong-doing peoples is destruction. | () |
| ✦ Man is tested only with poverty. | () |
| ✦ We have to love money so much as to have no time for the worship of Allah. | () |
| ✦ I urge others to help the needy even though I cannot help them. | () |

Activity Two:

I match the holy verse to the right meaning in the opposite table:

| The Holy Verse | Meaning |
|--|--|
| <p>﴿ هَلْ فِي ذَلِكَ قَسَمٌ لِذِي حِجْرٍ ﴾</p> <p><i>Hal Fī Dhālika Qasamun Lidhī Ḥijr</i></p> | Numerous armies |
| <p>﴿ كَلَّا إِذَا دُكَّتِ الْأَرْضُ دَكًّا دَكًّا ﴾</p> <p><i>Kallā 'Idhā Dukkati Al-'Ardu Dakkāan Dakkā</i></p> | An oath that is enough for those who have minds. |
| <p>﴿ ذِي الْأَوْتَادِ ﴾</p> <p><i>Dhī Al-'Awtād</i></p> | On the Day of Judgement, the earth is shaken and broken into pieces. |

How do you behave in the following situations?

| S. N. | Situations | Behavior |
|-------|---|----------|
| 1 | You saw a friend of yours boasting among his classmates that his father buys gifts for him, while there is a classmate of yours who is an orphan. | |
| 2 | Your friend asked you to fast on the Day of Arafa so that he would be encouraged to fast. | |

Enriching my experience

The Prophet (ﷺ) said,

“There is no deed that is better in the sight of Allah or more greatly rewarded than a good deed done in the (first) ten days of Dhul Hijjah”. (Muslim)

- ✦ I look for the good deeds that Muslims do in the first ten days of Dhul Hijjah.
- ✦ I look for the name of the eighth day of Dhul Hijjah when pilgrims go to Mina wearing the Ihram garments.

I assess myself:

Lesson Four

Truthfulness

4

This lesson teaches me to

- ✦ read the noble Hadith from memory.
- ✦ find out the most important Prophet's guidelines in the noble Hadith.
- ✦ describe my imitation of the Prophet's truthfulness.

I take the initiative to learn

I listen and answer:

- ✦ In ancient times, there was a good-mannered  who loved telling the truth and speaking gentle words. Teeth said to one another:

What a good tongue! I embrace it because it is gentle. I do not like to hurt it by biting it because it is good-mannered.

The tongue heard it and said:

Thank you, teeth. This is kind of you! I am used to saying good words and love truthfulness even if my friend tried to tell lies. I cannot tell lies because I am always used to telling the truth.

- ✦ Therefore,  continued to tell the truth and win the love of  around him.
- ✦ Why do all people love this boy?
- ✦ Would you like to be like this boy? Why?

I use my skill to learn

I recite and memorize:

A Noble Hadith

عَنْ عَبْدِ اللَّهِ بْنِ مَسْعُودٍ رضي الله عنه، عَنِ النَّبِيِّ صلى الله عليه وسلم، قَالَ:

«إِنَّ الصُّدْقَ يَهْدِي إِلَى الْبِرِّ، وَإِنَّ الْبِرَّ يَهْدِي إِلَى الْجَنَّةِ، وَإِنَّ الرَّجُلَ لَيَتَحَرَّى الصُّدْقَ حَتَّى يُكْتَبَ عِنْدَ اللَّهِ صِدِّيقًا. وَإِنَّ الْكُذْبَ يَهْدِي إِلَى الْفُجُورِ، وَإِنَّ الْفُجُورَ يَهْدِي إِلَى النَّارِ، وَإِنَّ الرَّجُلَ لَيَكْذِبُ حَتَّى يُكْتَبَ عِنْدَ اللَّهِ كَذَّابًا.» (رواه البخاري ومسلم).

Abdullah bin Mas'ud reported: The Messenger of Allah ﷺ said,

“Truthfulness leads to righteousness and righteousness leads to Paradise. A man continues to be truthful until he is recorded with Allah as truthful. Falsehood leads to wickedness and wickedness leads to the Hellfire. A man continues tell lies until he is recorded with Allah as a liar.” (Al-Bukhārī & Muslim)

I give the meaning of the following words:

| | |
|--------|--------------------------|
| يهدي | lead to the way of good. |
| الفجور | disobedience. |
| البرُّ | abundant good. |

I read the general meaning of the noble Hadith:

The Prophet (ﷺ) instructs us to tell the truth, forbids us to tell lies and explains for us the effects of commitment to truthfulness. It guides to abundant good and records the one who tells the truth as truthful with Allah. In the Hereafter, truth leads him to Paradise. However, telling lies leads to disobedience to Allah, then to Hellfire.

I always tell the truth to be recorded with Allah as highly truthful and enter Paradise.

I think and answer

- ✦ How does telling the truth leads a person to Paradise?
- ✦ Why does telling lies lead to Hellfire?
- ✦ What would you like your attribute to be recorded with Allah?
- ✦ What do you do to be truthful?

A truthful person is brave, while a liar is coward. I would like to be truthful and brave like the Messenger of Allah (ﷺ).

I read and imitate

(The Honest Truthful Man)

Our gracious Prophet (ﷺ) was honest and truthful. He never lied in his life. He used to tell the truth at all events, even when he was joking. One day, a man came to him and asked him to take him on a she-camel. The Prophet (ﷺ) said

he would carry him on the son of the she-camel. The man asked wondering, "What can I do with the son of a she-camel; it is too small." The Prophet (ﷺ) replied, "Isn't every camel the son of a she-camel?" The man laughed and the Prophet (ﷺ) laughed with him.

- ❖ Would you like to follow the example of the Prophet (ﷺ)?
- ❖ What should you do to be like him?

I read and infer:

(The Shepherd and the Wolf)

A shepherd used to graze his sheep near the village. One day, he ran toward the village, shouting, "The wolf, the wolf." People came quickly to save the sheep. When they arrived, they did not find the wolf, but found the sheep grazing. The shepherd laughed and said, "I was just kidding!" One month later, he repeated the same joke and ran toward the village, shouting, "The wolf, the wolf ate the sheep." Some people said, "This man is lying; leave him and do not help him." They left him alone and did not help him. Wolves had already attacked the sheep and devoured some sheep.

I am truthful toward myself. I admit my faults and correct my defects.

- ✿ Why did the villagers not help the shepherd?
- ✿ What result did the shepherd arrive at after his frequent lies?
- ✿ I infer that truthfulness is the best way to .

I cooperate with my classmates

We read the following two cases, then answer:

| | | |
|---|---|--|
| <p>Case 1</p> <p>Khalid noticed that one of his friends was a frequent liar. He advised him repeatedly to keep away from this bad habit, but he did not respond. Therefore, he decided not to be his friend.</p> | <p>Opinion</p> <p>I tell my opinion about Khalid's decision</p> | <p>Case 2</p> <p>Ahmed is a successful merchant. His business is the trade of vegetables and fruits. Neighbors trusted him and bought from his shop though it was far from their houses.</p> |
| <p>Expectation</p> <p>I expect the results if:</p> <ul style="list-style-type: none"> ✦ Khalid continued his friendship of this friend. ✦ That friend went on lying. | <p>We determine</p> <p>the reasons for his success in his business</p> | <p>Expectation</p> <p>I expect the results if:</p> <ul style="list-style-type: none"> ✦ They continued their trust in this merchant. ✦ Th merchant continued his truthfulness and honesty. |

We choose truthful friends because Allah (تعالى) ordered us saying:

﴿يَا أَيُّهَا الَّذِينَ ءَامَنُوا اتَّقُوا اللَّهَ وَكُونُوا مَعَ
الصَّٰدِقِينَ﴾ [سورة التوبة: 119]

[119 Yā ‘Ayyuhā Al-Ladhīna ‘Āmanū Attaqū Al-Laha Wa Kūnū Ma`a Aṣ-Ṣādiqīn]

“119. O you who believe! Be careful of your duty to Allah, and be with the truthful.” (Surat At-Tauba)

I organize my concepts

A truthful person

Truthfulness

Leads to

A truthful person is recorded with Allah as

In the Hereafter, his truthfulness leads him to

Lying

Leads to disobedience to

A liar is recorded with Allah as

In the Hereafter, his lies lead him to

I train to recite the Holy Qur'an

قَالَ تَعَالَى: ﴿يَأَيُّهَا الَّذِينَ ءَامَنُوا اتَّقُوا اللَّهَ وَكُونُوا مَعَ الصَّادِقِينَ﴾ [سورة التوبة: 119]

I am a good citizen. I always tell the truth in my words, business and at all events to serve my country as Allah wants me to do.

(I Obey my Lord)

Student Activities

I answer by myself

Activity One:

I color the shape that consists with my opinion about the following attitudes:

| | |
|--|---|
| My classmate lied while joking to make his classmates laugh. |   |
| He told the truth when he said, "I have broken the mirror, mum!" |   |
| He lied for fear of his teacher. |   |
| She gave a truthful witness before the schoolmistress. |   |

Activity Two:

I complete:

① → Paradise.

② → wickedness →

Activity Three:

I write the word or its opposite in the space:

| The word | Its opposite |
|---------------|--------------|
| | Truthfulness |
| Righteousness | |
| Hellfire | |
| | Liar |

Activity Four:

I sing the following song beautifully:

We tell the truth and never lie,
In order to be righteous.
Lying causes trouble to the liar,
And will never save him however he tries.
Islam has taught us good manners,
It taught us to tell the truth.
Whoever tells the truth will be successful,
He will never regret or lose.
Our world will more lovely
If we are always truthful;
This is quite safer and better;
Falsehood is the way to loss.

Enriching my experience

I search the internet for two prophets each of which is described in Surat Maryam, as follows:

Allah (تعالى) says:

قَالَ تَعَالَى: إِنَّهُ كَانَ صِدِّيقًا نَبِيًّا ﴿مَرْيَمُ: 56﴾

56 'Innahu Kāna Ṣiddīqāan Nabīyā

"56. ... He was a saint, a Prophet." (Surat Maryam)

I assess myself:

1 – I color the box that shows my commitment to the specific behavior:

| | The Behavior | Always | Some-times | Never |

Lesson Five

Belief in Prophets

(Moses and Jesus ﷺ)

5

This lesson teaches me to

- ✦ mention the names of the steadfast Messengers of Allah.
- ✦ infer the wisdom behind sending the Messengers.
- ✦ indicate their rank, preference, the effect of belief in them and our duty toward them.
- ✦ explain some miracles of Moses and Jesus (ﷺ).

I take the initiative to learn

- ✦ Who was the Holy Qur'an revealed to?
- ✦ Who is the Angel of Revelation who brought it down?
- ✦ Who were the Prophets who received the Divine Books?

I use my skills to learn

I listen and answer:

The teacher requested his students to look for information about the Messengers of Allah (ﷺ). On the set day, he asked them about the information they had collected.

Salah

My father informed me that a Muslim believes in all messengers, because it was Allah (تعالى) Who sent them.

Salim

The Holy Qur'an contains the names of twenty-five messengers.

Tariq

But I have found out that the messengers whom Allah described as the Steadfast Messengers are: Noah, Ibrahim (Abraham), Musa (Moses), Issa (Jesus) and Muhammad (ﷺ).

Abdullah

I read an article about the messengers (ﷺ) which explains the wisdom behind sending them; that is, to guide people to the worship of Allah alone and establish justice on earth.

Hamdan

In a TV program, the speaker said: Allah (تعالى) has protected the messengers from committing sins, for He (تعالى) took care of raising them up; so they had the most perfect characters.

Haiham

I heard from the Friday sermon that the messengers (ﷺ) are the guides who Allah (ﷻ) ordered us to believe in and follow their example.

Teacher

May Allah bless you. You have provided valuable information about one of the pillars of faith.

- ✦ Why do we believe in all messengers?
- ✦ How many messengers were mentioned in the Holy Qur'an?
- ✦ Who are the Steadfast Messengers?
- ✦ What is the wisdom behind sending the messengers?

The effect of belief in the messengers?

- ✦ To know the mercy of Allah (تعالى) in sending us messengers to guide us to His mercy and teach us how to worship Him.
- ✦ To thank Allah for this great grace.
- ✦ To love all messengers of Allah because they were all sent by Allah and they worshipped Him and conveyed His message.

I believe in all messengers (ﷺ).

I cooperate with my classmates

We infer from the holy verses some of the manners of the messengers (ﷺ):

| Verses | Manners |
|---|--------------|
| <p>﴿وَأَذْكُرْ فِي الْكِتَابِ إِبْرَاهِيمَ إِنَّهُ كَانَ صِدِّيقًا نَبِيًّا﴾ [مَرْيَمُ: 41].</p> <p>[41 Wa Adhkur Fī Al-Kitābi 'Ibrāhīma 'Innahu Kāna Ṣiddīqāan Nabīyā]</p> <p>“41. And make mention (O Muhammad) in the Scripture of Abraham. Lo! he was a saint, a Prophet.” (Surat Maryam)</p> | <p>.....</p> |

Every prophet used to say to his people:

﴿أَنْ أَدُوْا إِلَيَّ عِبَادَ اللَّهِ إِنِّي لَكُمْ رَسُولٌ أَمِينٌ﴾ [الدُّخَانُ: 18].

[18 .. 'Innī Lakum Rasūlun 'Amīn]

“18. .. I am a faithful messenger unto you.” (Surat Ad-Dukhan)

﴿فَاصْبِرْ كَمَا صَبَرَ أُولُو الْعَزْمِ مِنَ الرُّسُلِ وَلَا تَسْتَعْجِلْ لَهُمْ﴾

[سُورَةُ الْأَحْقَافِ: 35].

[35 Fāṣḥir Kamā Ṣabara 'Ūlū Al-'Azmi Mina Ar-Rusuli Wa Lā Tasta`jil Lahum]

“35. Then have patience (O Muhammad) even as the stout of heart among the messengers (of old) had patience, and seek not to hasten on the doom for them.” (Surat Al-Ahqaf)

﴿وَمَا أَرْسَلْنَاكَ إِلَّا رَحْمَةً لِّلْعَالَمِينَ﴾ [الْأَنْبِيَاءُ: 107].

[107WaMā 'Arsalnāka 'Illā Raḥmatan Lil`ālamīn]

“107. We sent you not save as a mercy for the peoples” (Surat Al-Anbiyaa)

We color the morals that we have after the example of the messengers (ﷺ):

HONESTY
TRUTHFULNESS

MERCY
PATIENCE

I will
follow the example
of the Prophets' morals in
words and actions.

We listen to the story of Moses (ﷺ), then complete the following:

- ✦ The prophet who talked to Allah was (ﷺ).
- ✦ He was born in Egypt and was raised in the palace of
- ✦ is the brother of Moses (ﷺ).
- ✦ were prostrated to Allah, Lord of the worlds, after they were sure of the truthfulness of Moses (ﷺ).

We match each verse to the equivalent meaning in the opposite column:

The holy verse

﴿ اذْهَبَا إِلَىٰ فِرْعَوْنَ إِنَّهُ طَغَىٰ ﴿٤٣﴾ فَقُولَا لَهُ قَوْلًا لَّيِّنًا ﴿٤٤﴾ لَعَلَّهُ يَتَذَكَّرُ أَوْ يَخْشَىٰ ﴾ [طه]

[43 Adh/habā 'Ilá Fir`awna 'Innahu Ṭaghá 44 Faqūlā Lahu Qawlāan Layyīnāan La`allahu Yatadhakkaru 'Aw Yakhshá]

“43. Go, both of you, unto Pharaoh. Lo! he has transgressed (the bounds).44. And speak unto him a gentle word, that peradventure he may heed or fear.” (Surat Ta-Ha)

The meaning

Allah (تعالى) tells that He revealed to Moses to throw his stick after the sorcerers had thrown their ropes and sticks. His stick became a real serpent and ate up all that the sorcerers had thrown. The sorcerers fell prostrate to Allah after they had seen His great power and said; We believe in Allah, Lord of the worlds!

﴿ وَأَوْحَيْنَا إِلَىٰ مُوسَىٰ أَنْ أَلْقِ عَصَاكَ فَإِذَا هِيَ تَلْقَفُ مَا يَأْفِكُونَ ﴿١١٧﴾ فَوَقَعَ الْحَقُّ وَبَطَلَ مَا كَانُوا يَعْمَلُونَ ﴿١١٨﴾ فَغَلِبُوا هُنَالِكَ وَانْقَلَبُوا صَغِيرِينَ ﴿١١٩﴾ وَأَلْقَى السَّحَرَةُ سَجْدِينَ ﴿١٢٠﴾ ﴾

[الأعراف]

[117 Wa 'Awḥaynā 'Ilá Mūsá 'An 'Alqi `Aṣāka Fa'idhā Hiya Talqafu Mā Ya'fikūna 118 Fawaqa `a Al-Ĥaqqu Wa Baṭala Mā Kānū Ya`malūna 119 Faḡhulibū Hunālika Wa Anqalabū Ṣāghirīn]

“117. And We inspired Moses (saying): Throw your staff! And lo! it swallowed up their lying show. 118. Thus was the Truth confirmed and that which they were doing was made vain. 119. Thus were they there defeated and brought low. 120. And the wizards fell down prostrate” (Surat Al-A'raf)

Allah (تعالى) ordered Moses and his brother Aaron to go to the Pharaoh of Egypt and speak to him gently so that he might fear Allah be righteous.

We read and talk

From the miracles of Moses (ﷺ)

- ✦ The stick.

Allah (تعالى) says:

Miracle
It is a supernatural event which Allah (ﷻ) create on the hand of a Prophet or messenger to prove his truthfulness.

قَالَ تَعَالَى: ﴿فَأَلْقَى عَصَاهُ فَإِذَا هِيَ ثُعْبَانٌ مُّبِينٌ﴾ [سورة الشعراء: 32]

[32 Fa'alqá `Aṣāhu Fa'idhā Hiya Thu`bānun Mubīn]

“32. Then he Sung down his staff and it became a serpent manifest.”
(Sūrat aš-Šu`arā)

When he brings his hand out of the bosom of his robe, it becomes white in color, which is different from the color of the skin of Moses (ﷺ):

Allah (تعالى) says:

قَالَ تَعَالَى: ﴿وَأَدْخِلْ يَدَكَ فِي جَيْبِكَ تَخْرُجَ بَيْضًا مِّنْ غَيْرِ سَوْءٍ فِي سَعِ آيَاتٍ إِلَىٰ فِرْعَوْنَ وَقَوْمِهِ ۖ إِنَّهُمْ كَانُوا قَوْمًا فَاسِقِينَ﴾

[سورة التمل: 12]

[12 Wa `Adkhil Yadaka Fī Jaybika Takhruj Baydā`a Min Ghayri Sū`in Fī Tis`i `Āyātin `Ilá Fir`awna Wa Qawmihi `Innahum Kānū Qawmāan Fāsiqīn]

“12. And put your hand into the bosom of your robe, it will come forth white but unhurt. (This will be one) among nine tokens unto Pharaoh and his people. Lo! they were ever evil living folk.” (Surat An-Naml)

We listen to the following holy verse then complete:

Allah (تعالى) says:

قَالَ تَعَالَى: ﴿وَإِذْ قَالَ عِيسَى ابْنُ مَرْيَمَ بَنِي إِسْرَائِيلَ إِنِّي رَسُولُ اللَّهِ إِلَيْكُمْ مُصَدِّقًا لِمَا بَيْنَ يَدَيَّ مِنَ التَّوْرَةِ وَمُبَشِّرًا بِرَسُولٍ يَأْتِي مِنْ بَعْدِي اسْمُهُ أَحْمَدٌ فَلَمَّا جَاءَهُمْ بِالْبَيِّنَاتِ قَالُوا هَذَا سِحْرٌ مُبِينٌ﴾ [الصَّف: 6]

“6. And when Jesus son of Mary said: O Children of Israel! Lo! I am the messenger of Allah unto you, confirming that which was (revealed) before me in the Torah, and bringing good tidings of a messenger who comes after me, whose name is Ahmad. Yet when he has come unto them with clear proofs, they say: This is mere magic.” (Surat As-Saff)

..... (ﷺ) was born from Daughter of Imran, the pure and immaculate woman, without Allah (تعالى) sent him to the Children of He believed in the, that was revealed to (ﷺ) and brought the good news of a Prophet that would come after him with the name of; that is, our Prophet (ﷺ).

I read and answer

From the miracles of Jesus (ﷺ):

Allah (تعالى) says quoting His Prophet, Jesus (ﷺ):

﴿ أَنِّي قَدْ جِئْتُكُمْ بِآيَةٍ مِّن رَّبِّكُمْ أَنِّي أَخْلَقُ لَكُمْ مِّنَ الطِّينِ كَهَيْئَةِ الطَّيْرِ فَأَنْفُخُ فِيهِ فَيَكُونُ طَيْرًا بِإِذْنِ اللَّهِ وَأُبْرِئُ الْأَكْمَهَ وَالْأَبْرَصَ وَأُحْيِي الْمَوْتَىٰ بِإِذْنِ اللَّهِ وَأُنَبِّئُكُمْ بِمَا تَأْكُلُونَ وَمَا تَدَّخِرُونَ فِي بُيُوتِكُمْ إِنَّ فِي ذَلِكَ لَآيَةً لِّكُمْ إِن كُنتُمْ مُّؤْمِنِينَ ﴾

“49. And will make him a messenger unto the children of Israel, (saying): Lo! I come unto you with a sign from your Lord. Lo! I fashion for you out of clay the likeness of a bird, and I breathe into it and it is a bird, by Allah’s leave. I heal him who was born blind, and the leper, and I raise the dead, by Allah’s leave. And I announce unto you what you eat and what you store up in your houses. Lo! herein verily is a portent for you, if you are believers.” (Surat Al Imran)

Allah (تعالى) tells that He taught Jesus (ﷺ) the Book and wisdom, the Torah and the Gospel, and sent him as a messenger to the Children of Israel to call them to worship Allah. He gave him great miracles to make them believe that he was a prophet, namely: the ability to make a bird from clay then breathe life into it to become a real living bird, the ability to cure those who were born blind and the leper and to raise the dead by Allah's leave.

✦ Why did Allah (تعالى) grant Jesus (ﷺ) great miracles?

What is the miracle of our Prophet Muhammad (ﷺ)?

In cooperation with my group, we prepare a book about the miracles of Moses and Jesus (ﷺ) and the everlasting miracle of our Prophet Muhammad (ﷺ).

I organize my concepts

The Steadfast Messengers of Allah are: Noah, Abraham, Moses, Jesus and Muhammad (ﷺ)

Belief in the Messengers of Allah (ﷺ)

Belief in the messengers of Allah is one of the pillars of Islamic faith. A person cannot be considered a Muslim or believer until he/she believes that Allah has sent to human beings messengers from among themselves to convey to them the truth revealed from their Lord.

The wisdom behind sending Prophets

To guide people to the worship of Allah alone and the establishment of justice on earth.

The number of the messengers mentioned in the Holy Qur'an is 25.

Our duty toward them

We must believe and love all the messengers of Allah. We must believe that every messenger sent by Allah has fulfilled what he was trusted with.

The miracles of the messengers (ﷺ)

Moses (ﷺ)

Jesus (ﷺ)

The immortal miracle of our Prophet Muhammad (ﷺ) is: the Holy Qur'an.

I train to recite the Holy Qur'an

﴿ءَامَنَ الرَّسُولُ بِمَا أُنزِلَ إِلَيْهِ مِنْ رَبِّهِ وَالْمُؤْمِنُونَ كُلٌّ ءَامَنَ بِاللَّهِ وَمَلَائِكَتِهِ وَكُتُبِهِ وَرُسُلِهِ
لَا نَفَرَقُ بَيْنَ أَحَدٍ مِنْ رُسُلِهِ وَقَالُوا سَمِعْنَا وَأَطَعْنَا غُفْرَانَكَ رَبَّنَا وَإِلَيْكَ الْمَصِيرُ﴾

[سورة البقرة: 285]

285 'Āmana Ar-Rasūlu Bimā 'Unzila 'Ilayhi Min Rabbihi Wa Al-Mu'uminūna Kullun 'Āmana Bil-Lahi Wa Malā'ikatihi Wa Kutubihi Wa Rusulihi Lā Nufarriqu Bayna 'Āhadin Min Rusulihi Wa Qālū Sami`nā Wa 'Aṭa`nā Ghufrānaka Rabbanā Wa 'Ilayka Al-Maṣīr

“285. The messenger believes in that which has been revealed unto him from his Lord and (so do) the believers. Each one believes in Allah and His angels and His scriptures and His messengers; we make no distinction between any of His messengers and they say: We hear, and we obey. (Grant us) Your forgiveness, our Lord. Unto You is the journeying.” (Surat Al-Baqarah)

My Imprint

**My behavior
is my
responsibility**

I am responsible to believe in all the messengers of Allah (ﷻ) and follow our master Muhammad (ﷺ).

**I love my
country**

I will acquire the manners of the prophets and messengers (ﷻ) in my dealing with people.

Student Activities

- ✦ What is the number of prophets and messengers who are mentioned in the above verses?

Muhammad (ﷺ)

What do you think about the following attitudes?

| Attitudes | Agree | Disagree |
|---|-------|----------|
| He treats his friends with mutual respect though they are of different nationalities and religions. | | |
| He follows the example of prophets and messengers in dealing with people faithfully and honestly. | | |
| He hurts his non-Muslim neighbors and asks his friends not to speak to them. | | |
| She gives her housemaid many orders because the latter is not a Muslim. | | |

I use my skills to learn

I observe and discover, then complete the chart:

Types of Science

Sharia Science

It is the science that studies the rules that Allah (تعالى) ordained for His servants with regard to belief, worship, transactions and morals, as well as the facts contained in the Holy Qur'an, the Prophet's Sunnah and the consensus of scholars. It includes the sciences of Tawheed (the Oneness of Allah), Fiqh (Jurisprudence), Usul Al-Fiqh (Principles and Sources of Jurisprudence), the Holy Qur'an, Sciences of the Holy Qur'an, The Noble Hadith and its Sciences, the Prophet's Biography, the Arabic Language and its branches.

Physics

Geography

Astronomy

I observe and discover the sources of science and knowledge:

First: Divine Revelation: (The Holy Qur'an and the Prophet's Sunnah).

The Holy Qur'an

Sahih Muslim

Second: The Universe and the Creatures in it.

I notice and infer how man learns:

He thinks about Allah's creatures.

He reads useful books.

He searches, observes and tries.

He analyzes, compares and concludes.

Allah provided man with the senses: hearing,,
 and to discover things around
 him and to learn.

Allah endowed man with a thinking mind to practice learning processes;
 he observes,,
, and To learn.

Man reflects on Allah's creatures, reads books and researches to discover

Quotes from the Leader, Sheikh Khalifah bin Zayed, may Allah protect him.

“Reading opens minds, promotes tolerance, openness and communication, and prepares an educated, informed and open-minded people, veering them away from extremism and impenetrability. Our goal is to establish the UAE as a world cultural capital with distinction. The key to prosperity will always be knowledge and the key to knowledge will always be reading. The first message from God to Earth will always be ‘Iqra’, or ‘Read’.

- ✦ What does the Leader, Sheikh Khalifah bin Zayed, may Allah protect him, call to?
- ✦ What objective does the UAE seek to achieve?
- ✦ What is the means that realizes prosperity and progress?

Complete the following:

 We read and expect 

Manar Al-Hammadi challenged her vision disability. She was keen to complete her university studies and worked as solicitor with diligence and persistence. She won the Order of HH UAE Vice President, Prime Minister and Ruler of Dubai, for distinguished employees in view of her hard work. She volunteered in the Emirates Association of the Visually Impaired, organized Braille courses and taught blind males and females, some of them enrolled in universities and others are studying at different education stages.

- ✦ We expect five works that Manar Al-Hammadi carried out to achieve distinction in knowledge and action.

We observe and innovate

We watch a movie about “How Birds Make their Nests”, write down our remarks and innovate something that we have learned from them.

We search and design

We search for knowledge resources and organize them in a presentation to present to our classmates.

We read and discover how to solve problems:

Ahmed told his classmates that he would travel soon, but he does not know how to perform the Traveler Prayer. Rashid also remembered that he did not know about this prayer, either. He said to his classmates, “What about searching for the way of performing the Traveler Prayer?”

Ahmed: I am going to search books and references.

Salim: I am going to search the website of the General Authority of Islamic Affairs and Endowments.

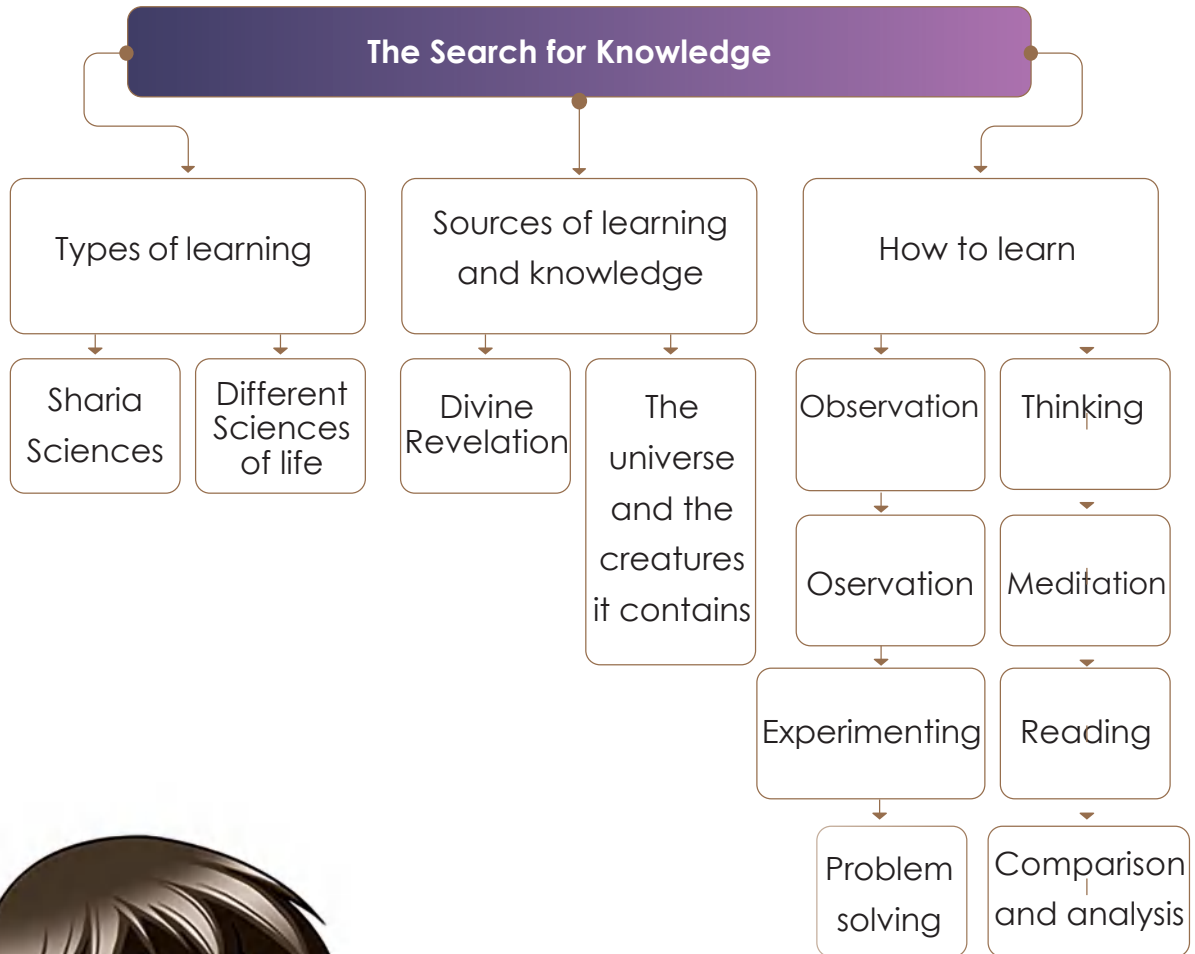

Rashid: I am also going to ask the Islamic Education teacher.

On the following day, the classmates met and each of them brought the information he had collected, read it, classified it and compared it, then summarized it and gave it to Ahmed. They advised him to keep observing prayer.

- ✦ What did Rashid and his classmates do to solve the problem that faced them?
- ✦ What steps did they follow to solve the problem?

I read the general meaning of the holy verses and answer:

Allah (تعالى) swears by Makkah Al-Mukarramah, where the Prophet (ﷺ) was born, that the whole life of man from birth is hard work and hardship. Yet this man may feel too proud of the power and wealth granted to him by Allah and think that no one has power over him or can overcome him. He forgets that Allah, Who created him, is able and has power over everything. It would have been more proper for him to obey his Lord and choose the path of good, which would protect him from misery, and help him avoid the path of evil, which would take him to misery and destruction.

Lesson Two

Cooperation is the Secret behind Success

2

This lesson teaches me to

- ✦ explain that cooperation is part of a Muslim's character.
- ✦ infer the role of cooperation in the building of society, as well as the bad effects of selfishness.
- ✦ enumerate the forms of cooperation.
- ✦ find out how cooperation is realized.

I take the initiative to learn

I notice and compare:

| Point of comparison | The action of one man | The action of a group of men |
|---------------------|--------------------------------------|------------------------------|
| Quick achievement: | | |
| Well-done work: | | |
| Result: | Team work is better than work. | |

(Cooperation is an attribute of Muslims)

Cooperation is a noble characteristic and a good deed advocated and encouraged by Islam. Allah (تعالى) says:

﴿وَتَعَاوَنُوا عَلَى الْبِرِّ وَالتَّقْوَىٰ وَلَا تَعَاوَنُوا عَلَى الْإِثْمِ وَالْعُدْوَانِ﴾
 [سورة المائدة: 2]

“2. .. Wa Ta`āwanū `AláAl-Birri Wa At-Taqwá Wa Lā Ta`āwanū `Alá Al-'Ithmi
 Wa Al-`Udwāni”

“2. .. but help you one another unto righteousness and pious duty. Help not one
 another unto sin and transgression.” (Surat Al-Ma'idah)

- ✦ What does Allah (تعالى) order us to do in the above verse?

.....

- ✦ What is cooperation required for?

.....

- ✦ The Prophet (ﷺ) said,

“Allah helps a person as long as he helps his brother.” (Muslim)

- ✦ What is the reward of cooperation with others?

.....

I read and analyze, then find out how cooperation is achieved:

The Prophet (ﷺ) managed to migrate from Makkah to Al-Madinah and Quraysh could not stop him from migrating. Everyone of his Companions had a role in that:

- ✦ Abu Bakr As-Siddeeq (رضي الله عنه) prepared two camels for migration and accompanied the Prophet (ﷺ) on his journey to Al-Madinah.
- ✦ Ali bin abi Talib (رضي الله عنه) slept in the Prophet's bed and covered himself with his bed sheet so that the polytheists would think that the Prophet (ﷺ) was still sleeping.
- ✦ The Prophet (ﷺ) employed Abdulla bin Uraiqit to be their guide on the journey to Al-Madinah.
- ✦ Asmaa bint Abi Bakr As-Siddeeq (رضي الله عنها) prepared and carried food to their cave.
- ✦ Abdullah bin Abi Bakr As-Siddeeq (رضي الله عنه) came to Thawr Cave to inform them of the news about the people of Makkah at night.
- ✦ Aamir bin Fuhaira grazed his sheep in the area to erase the footprints of Abdullah while he was on his way to the Prophet (ﷺ) and his Companion (رضي الله عنه) so that no one would be able to know their hiding place.

Cooperation is realized if everyone in the team accurately.

I observe the following pictures and complete:

I would like to cooperate with my classmates, for cooperation helps us benefit from the skills of one another.

My friends love me when I cooperate with them.

How to achieve cooperation in the following cases:

- ✦ The mother was sick, and the doctor recommended her to stay in hospital for several days.
- ✦ The father wanted to cultivate the house garden.
- ✦ The family went on a trip to the desert.

We infer the negative effects of selfishness:

One of the football players insisted that he would not pass the ball to his fellow student because he wanted to score the goal by himself. Every time he approached the goal, the defense of the other team snatched the ball from him and the match ended with his team as loser.

- ✦ What is the result of the player's insistence on scoring a goal by himself?

.....

- ✦ How do you describe the player's behavior?

.....

- ✦ What do you expect the Team's feeling toward the player will be?

A Noble Hadith

عَنِ النُّعْمَانِ بْنِ بَشِيرٍ - رَضِيَ اللَّهُ عَنْهُمَا - قَالَ: قَالَ رَسُولُ اللَّهِ ﷺ:

«مَثَلُ الْمُؤْمِنِينَ فِي تَوَادُّهِمْ وَتَرَاحُمِهِمْ وَتَعَاطُفِهِمْ: مَثَلُ الْجَسَدِ، إِذَا اشْتَكَى مِنْهُ عُضْوٌ: تَدَاعَى لَهُ سَائِرُ الْجَسَدِ بِالسَّهْرِ وَالْحُمَّى». (رواه البخاري ومسلم)

An-Nu'man bin Basheer (رضي الله عنه) reported: The Messenger of Allah (ﷺ) said,

“The parable of the believers in their affection, mercy, and compassion for each other is that of a body. When any limb aches, the whole body reacts with sleeplessness and fever.” (Al-Bukhari and Muslim)

I read the general meaning of the noble Hadith:

The Messenger of Allah (ﷺ) informs us that the Muslim community should have mutual love, mercy and compassion. He instructs us to love and support each other and feel compassion for one another. In order to understand the extent of this solidarity and mutual sympathy, he (ﷺ) gave us the example of the human body and what happens in it when one limb or organ feels pain; the whole body feels pain and fever for this limb until the pain of that limb stops.

I expect

While  was running, he fell down on the ground. His  was wounded, so he cried for help. He felt pain in , his  shook and his  teared from pain. His  increased its pulses to send  to the wounded hand. Blood vessels were expanded round the wound to carry to it energy, oxygen and antibodies to protect the wound from .

- ✦ I expect the other limbs that felt pain in sympathy with the hand when it was wounded.

I watch and describe

The Family of Khalid's father sat waiting for him, for he was late from his usual time.

Salim: My father is very late today, Mother!

Khalid: Today, the nineteenth of Ramadan is **Zayed Humanitarian Day**.

My father and those working with him in helping and caring for the needy will be honored. Sheikh Zayed (ﷺ) was a pioneer in humanitarian action.

Salim: What is meant by the needy?

Omar: they are the people who – due to their poverty, disability or orphanhood - are unable to provide the necessities of their lives partly or completely, so they need financial or moral help from others.

Khalid: I always feel proud of my father's work; when I grow up, I will be like him.

Mother: Working in humanitarian assistance has a great reward from Allah (تعالى). The Messenger of Allah (ﷺ) taught us to be merciful toward the weak, the poor and needy, people of special needs and those suffering from disasters.

Khalid :Yes ,this has a significant role in reducing suffering for millions of people around the world.

Omar :The UAE is a role model in humanitarian action thanks to its continuous commitment to help everyone in need and support every human being .Its wise leadership always stands by sisterly and friendly countries.

Khalid :As part of our dear country's care for the different categories of people with special needs ,it has provided for them medical, psychological and social care and educational services ,to live a natural life with their country people and depend on themselves.

Omar :The humanitarian action was established by Sheikh Zayed.(ﷺ) Through this ,the UAE has become a leader of humanitarian action and ranked top in this field.

Mother :It aims to help people with special needs and widows ,sponsor orphans and modest families ,assist the families of prisoners ,patients and poor students .On the international level ,it also concentrates

on providing support and relief for those affected by natural disasters ,conflicts and wars ,through urgent aid and development projects to restore natural life in disaster-stricken areas.

We identify the group in need from the following texts:

| Evidence | The group in need |
|---|-------------------|
| <p>Allah (تعالى) says:</p> <p>قَالَ تَعَالَى: ﴿وَيُطْعَمُونَ الطَّعَامَ عَلَىٰ حُبِّهِ مِسْكِينًا وَيَتِيمًا وَأَسِيرًا﴾ [الإنسان: 8]</p> <p>[8 Wa Yuṭ`imūna Aṭ-Ṭa`āma `Alá Ḥubbihi Miskīnān Wa Yatīmāan Wa `Asīrā]</p> <p>“8. And feed with food despite their love and desire for it, the needy wretch, the orphan and the prisoner” (Surat Al-Insan)</p> | <p>.....</p> |

The Messenger of Allah (ﷺ) said, “Those who help widows and the needy are (in status) like the fighters in the cause of Allah or the worshippers who pray all night and fast all days.” (Al-Bukhari)

The Prophet (ﷺ) said, “The doors of goodness are many ... listening to the deaf, leading the blind, guiding one to the object of his need, hurrying with the strength of your legs to one in sorrow who is asking for help, and supporting the feeble with the strength of your arms-- all of these are acts of charity (whose reward is earned(by you.” (Saheeh bin Hibban)

We read

The Prophet (ﷺ) said, “The best of people is the most useful to them.” (At-Tabarani)

This Hadith opens the doors of goodness and mercy for all those whom Allah has honored with the existence of people with special needs, including parents, teachers, trainers, physicians and nurses. It causes them to make more effort to care for them. Providing them with care and service and pleasing them are among the most favorite acts to Allah (تعالى).

We match” the action of caring for those in need “to” reward:“

| Action | Reward |
|---|--|
| <i>The Prophet (ﷺ) said, “The best of people are those who are most beneficial to them.” (At-Tabarani)</i> | For them is Paradise. |
| <i>The Prophet (ﷺ) said, “Would you like to soften your heart and satisfy your needs: be merciful to orphans, pass your hand over his head, feed him from your food, then your heart will be made softer and you will satisfy your need.”</i> | They are the best people with Allah (تعالى). |
| <i>The Prophet (ﷺ) said, “Whoever embraces an orphan of two Muslim parents by feeding him and giving him drink until he is independent of him, Paradise will certainly be due to him.” (Ahmad)</i> | Whoever helps them will win the help of Allah (تعالى). |
| <i>The Prophet (ﷺ) said, “Allah helps a person as long as he helps his brother.” (Muslim)</i> | It causes tenderness of heart and ease. |

The UAE and care for the needy:

Help for the needy is an approach established by Sheikh Zayed bin Sultan Al Nahyan (رحمته الله), UAE President, and his brothers Rulers of the Emirates (حفظهم الله). This policy is adopted by the UAE – not for showy display or to appear on the records of humanitarian aid – but because it believes in the value and importance of this aid. It is part of the teachings of our upright religion, which urged us to do good without waiting for a worldly reward. Allah (تعالى) has given us of his bounties, which are distributed to the needy and the victims of disasters and wars.

The domains of care for those in need:

- ✦ **Physical domains:** by providing the necessities of life (money, food, clothing and medicine) for those who need them.
- ✦ **Moral domains:** by appreciating and respecting these groups and treating them kindly.
- ✦ **Intellectual domains:** by providing education for these groups to help them overcome their difficulties.

We speak about examples of humanitarian action and providing help for those who are in need:

I give my opinion

I write my opinion (Agree) or (Disagree) in the following attitudes:

| Attitudes | Agree | Disagree |
|---|-------|----------|
| My mother asked me to deliver some things to our widow neighbor and her orphan children. | | |
| A friend of mine refused a student with special needs on a wheelchair to join our team in the scientific competition. | | |
| My teacher suggested that I participate in "Faz'a" Team for sponsoring people with special needs. | | |
| My brother asked me to work with him in the service of those fasting as part of the project for serving breakfast to the needy who are fasting. | | |
| My friend asked me to help him move the shoes of our blind friend from its place so that he would search for it and some people would laugh at him. | | |

I imagine

I imagine that I am member of a humanitarian organization and mention the acts that I will do to care for the needy.

I search

for Emirati models with special needs who challenged disability and achieved advanced positions in international championships.

I think to be creative:

Together with my classmates, I write some signboards that show the importance of participation in providing help and care for those who are in need.

I organize my concepts

Care for the Needy

Provide all or part of the financial and moral necessities of life for those who need them because of their poverty, disability or orphanhood.

The groups of those in need are:

- ✦ Disabled people, orphans, refugees, widows, poor people and victims of disasters like floods, earthquakes and wars.

The reward of those in need:

- ✦ It causes tenderness of heart and ease of affairs.
- ✦ They are among the best people with Allah (تعالى).
- ✦ Those who help them win Allah's help.
- ✦ Paradise in the Hereafter.

Areas of care for them:

- ✦ Financially, intellectually and morally, by providing life requirements for them, lifting their spirits, integrating them into society and educating them.

Some roles of the UAE in caring for people in need:

- ✦ Providing life requirements (food, clothing, and drink) and all aspects of social, cultural, mental, educational, medical and recreational welfare that ensures psychological stability.

I train to recite the Holy Qur'an

Allah (تعالى) says:

قَالَ تَعَالَى: ﴿وَيُطْعَمُونَ الطَّعَامَ عَلَىٰ حُبِّهِ مِسْكِينًا وَيَتِيمًا وَأَسِيرًا﴾ [سورة الإنسان : 8]

“8. And feed with food despite their love and desire for it, the needy wretch, the orphan and the prisoner” (Surat Al-Insan)

My Imprint

I am responsible for the welfare of those in need as far as possible. It is an Islamic and national duty.

I readily help to disseminate the culture of humanitarianism (by participating in the care for the needy). I follow the example of the rulers of my country, UAE, in their initiatives to serve and care for those in need.

I use my skills to learn

I read the general meaning of the verses then answer:

At the beginning of the holy surah, Allah (تعالى) swore by  and  in view of their numerous benefits for human beings. trees grow in the Blessed Land (Palestine), where Allah (تعالى) sent Jesus (ﷺ). He (تعالى) swore by the Tur, which is a  in the land of Sinai in Egypt, where Allah spoke to Moses (ﷺ). Allah (تعالى) swore by Makkah Al-Mukarramah, where our Master Muhammad (ﷺ) was born and was sent as Messenger of Allah. He (تعالى) swears by all these that He created man in the best shape and most perfect form, and distinguished him by the mind. Later he will be returned to the worst part of life when his strength and skills become weaker. Those who believe in Allah and do righteous deeds in their youth continue to reap the reward of his deeds. This is part of Allah's justice and wisdom.

- ❖ What did Allah (تعالى) distinguish man with from other creatures?
- ❖ What is the reward of those who believe in Allah and perform good deeds?
- ❖ What is the evidence of Allah's wisdom and justice?

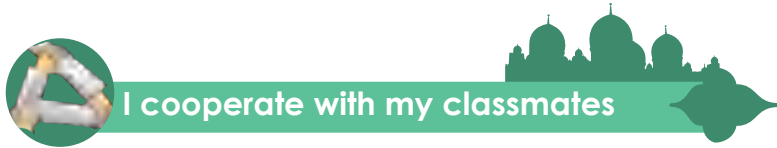

I match the name of the prophet to the suitable place:

I discover the relationship:

We compare figs to olives ,then complete the following table:

Lesson Six

Ties of Kinship

6

This lesson teaches me to

- ✦ read from memory the noble Hadith: "The one who severs the ties with the relatives will not be among the first to enter Paradise."
- ✦ give the general meaning of the noble Hadith.
- ✦ infer the guidelines contained in the noble Hadith.
- ✦ cite evidence that observing the ties of kinship is a reason for entering Paradise.
- ✦ identify the acts that help to observe the ties of kinship.
- ✦ I avoid cutting off the ties of kinship because it is a sin against Allah (تعالى).

I take the initiative to learn

I observe and think

Hello. I am happy with your visit to me after my return from treatment.

Imagine my nephew, none of my family visited me except you and your son.

Don't worry, my uncle! They will certainly come to visit you. A wise man does not lose the reward for observing the ties of kinship.

- ✦ What is the relationship of the person whom Rashid and his father visited?
- ✦ Why was the uncle sad?
- ✦ How did Rashid's father reassure his uncle?
- ✦ What do you think the reward of keeping in touch with relatives is with Allah?

I use my skills to learn

I read and learn by heart

A noble Hadith

عَنْ أَبِي جُبَيْرِ بْنِ مُطْعِمٍ رَضِيَ اللَّهُ عَنْهُ عَنِ النَّبِيِّ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ قَالَ:
«لَا يَدْخُلُ الْجَنَّةَ قَاطِعٌ رَحِمٍ» . (رَوَاهُ مُسْلِمٌ)

Abu Jubair bin Mut'im (رضي الله عنه) reported that the Prophet (ﷺ) said,

“The one who cuts off the ties of kinship will not enter Paradise.” (Muslim)

I give the meaning of words:

قَاطِعٌ رَحِمٍ

The person who does not communicate with his relatives.

I read the general meaning of the noble Hadith, and answer:

The noble Hadith indicates the punishment of those who cut off the ties of kinship, that is, relatives from the side of the father or the mother. They will be punished by preventing them from entering Paradise with the first batches because they disobeyed Allah (تعالى), Who ordered them to communicate with their relatives. They severed the ties of kinship and did not keep in touch with them or treat them kindly. Thus, they deprived themselves in this worldly life from the increase of sustenance, blessing of life, love by their relatives, and in the Hereafter from Paradise.

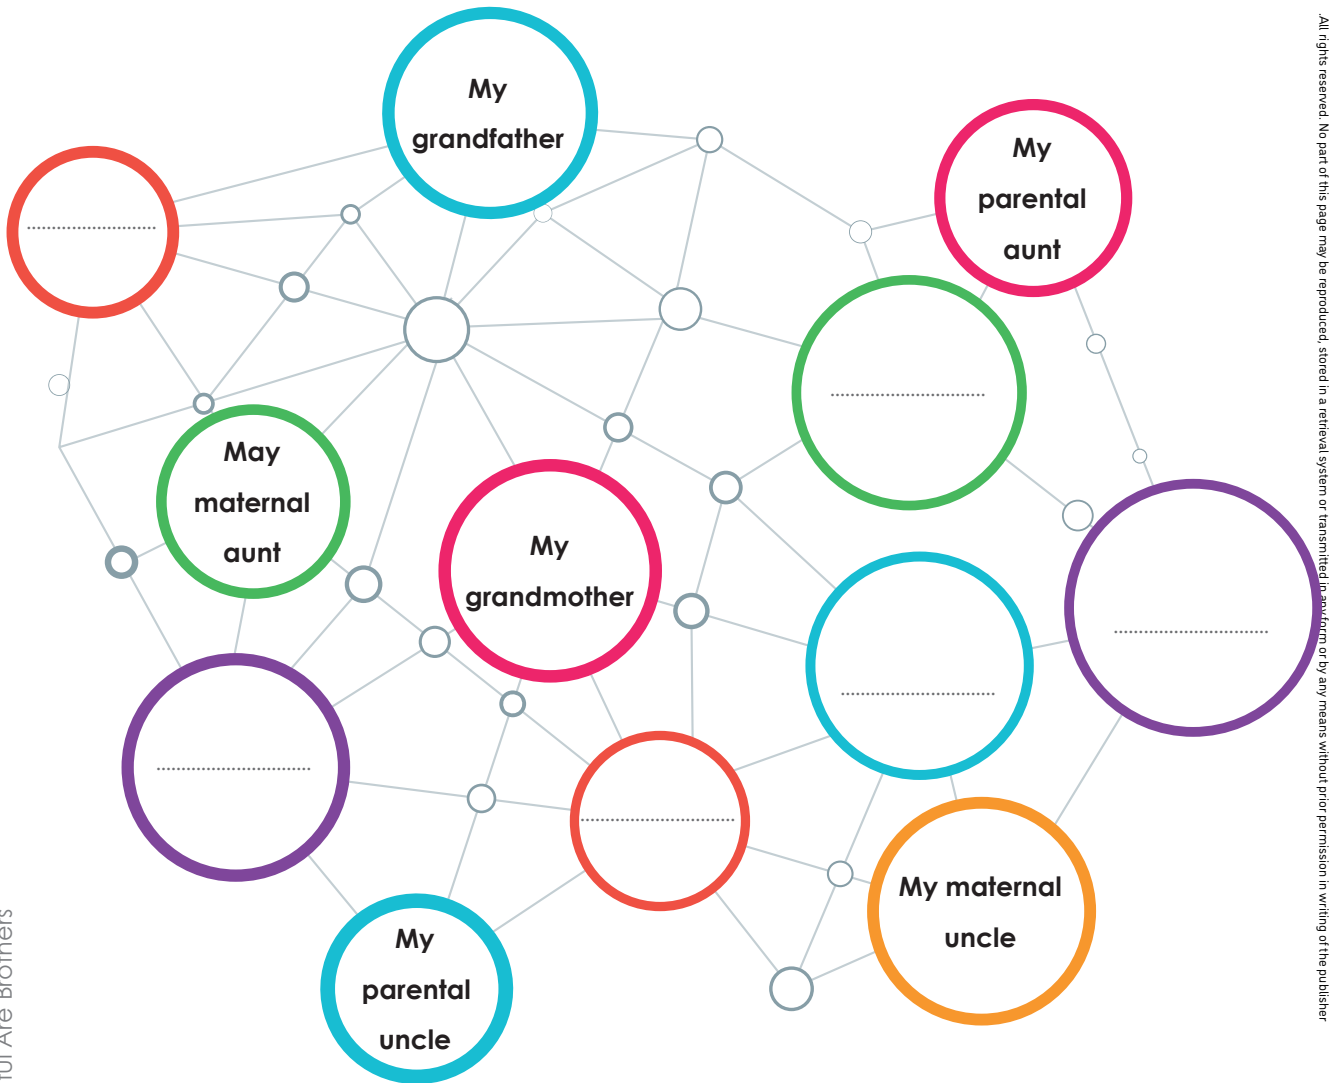

- ✦ Who are the kins (close relatives)?
- ✦ Why does Allah (تعالى) punish those who cut off the ties of kinship?
- ✦ I mention some benefits of observing the ties of kinship in this worldly life.

- ✦ Who are the kins of Rashid and Noura?

I complete the chart of parental and maternal relatives.

I look at the pictures and complete:

I want to enter Paradise. Therefore, I maintain the bonds of my kinship and keep away from all that results in cutting off the bonds of kinship; I

I want to enter Paradise; therefore, I receive my close relatives cheerfully and

I want to enter Paradise. Therefore, I maintain the bonds of my kinship and offer them to express my love and respect for them and share their sorrows with them.

I want to enter Paradise. Therefore, I keep in touch with my kins, invite them to visit me and during events and eids.

I want to enter Paradise. Therefore, I keep in touch with my kins, and If they need anything.

I want to enter Paradise. Therefore, I keep in touch with my kins, visit them and to cure them of diseases.

I find a solution

Fatimah wishes to keep in touch with her maternal aunt and parental uncle. However, she cannot visit them because her aunt lives in the Kingdom of Saudi Arabia, while her uncle is working in the UAE Embassy in Sudan. I help Fatimah to find alternative means to communicate with her close relatives.

What would happen if:

- ✦ I joked with one of my relatives and called him names that he disliked.
- ✦ One of my relatives apologized, and I accepted his apology.

We thank Allah for having relatives in our life to deal with them kindly and get rewarded.

I have many relatives; I and my parents will maintain close bonds with them.

I read and imitate

Abdullah Amr bin Al-Aas (رضي الله عنه) reported that the Prophet (ﷺ) said,

“Al-Wasil (the one who does good to his relatives) is not he who recompenses the good done to him by his relatives, but Al-Wasil is he who keeps good relations with those relatives who had severed the bond of kinship with him.”
(Al-Bukhari)

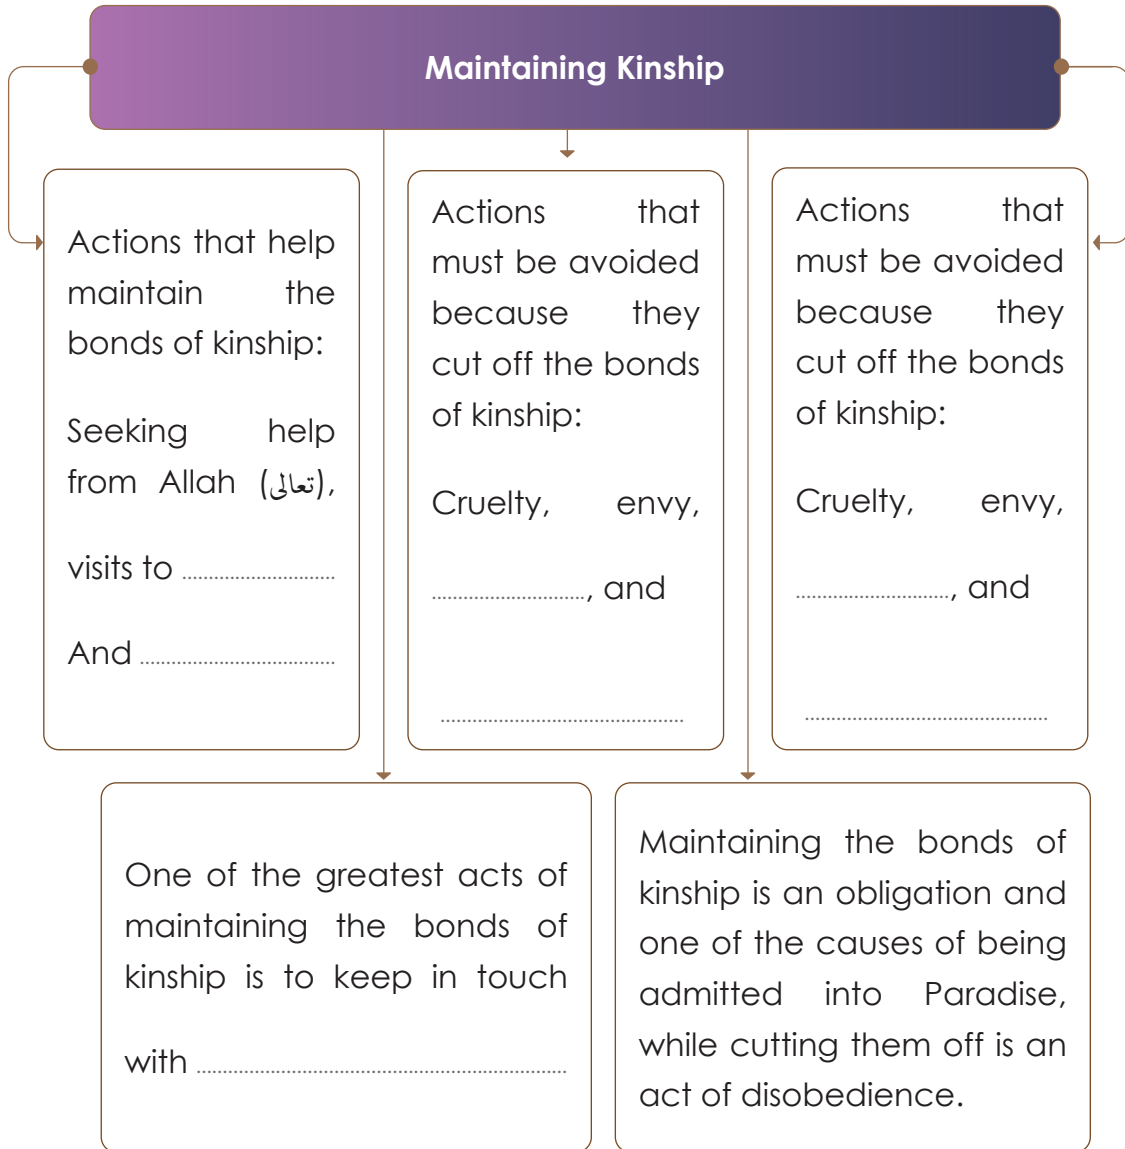

- ✦ I speak about the greatest forms of keeping good relations with close relatives, as you understand from the Hadith.
- ✦ I describe my feeling when I keep good relations with my close relatives.

I forgive those who cut off my kinship and maintain relations with them to win the pleasure of Allah (تعالى) so that He may bless my life.

I read and conclude

Rashid noticed that Adnan, his friend, was using water wastefully. He explained to him that water is one of Allah's greatest blessings and it is the origin of life on earth for all living creatures. Without water, there would have been no life on earth. Water is not only the basis on which civilized and prosperous societies are built, but also an important pillar of economic growth. Rashid told his friend that we must fully realize the great importance of this grace and avoid wasting it.

(Water is the secret of life)

I imagine

- ✦ What would have happened if we had not had water?

I paste or draw a picture of a draught-hit land, showing the conditions of creatures living on it.

We watch a video about water pollutants and define:

(1) We draw a red circle (○) around the substance that causes water pollution:

- ✦ Industrial wastes.
- ✦ Wastewater.
- ✦ Agricultural chemical fertilizers.
- ✦ Pollution by algae.
- ✦ Wastes of living creatures.
- ✦ Sewage.
- ✦ Pesticides.
- ✦ Oil spills into the seas and oceans.

Water pollutio

is the presence in water bodies of sewage water, toxic chemicals, oil or any other harmful substances.

(2) We talk about the risks of water pollution:

I read and notice:

The UAE leadership has been keen on following the teachings of Islam in terms of preserving the environment and its resources, such as water, air and soil.

Sheikh Zayed bin Sultan (ﷺ) was known as the “Man of Environment.” One of his quotes states:

“Our environment and resources do not belong to us. Rather it is a trust entrusted to us by Allah (ﷻ). We all bear the responsibility for protecting and taking care of our environment and hand it over intact and safe to the future generations.”

In the context of its keenness on preserving the environment, the UAE has accomplished a series of achievements, the most important of which are:

1. The establishment of competent environmental bodies and institutions.
2. The expansion of the green areas and combating desertification by **planting desert and mountainous areas.**
3. Protecting and handling water resources through water desalination, for example.
4. Preserving the local environment and establishing wildlife protected lands to protect endangered animals, fish and birds that face the threat of extinction.

5. Taking the necessary steps to rationalize the use of water and maintain its cleanness. Examples include:

- ✦ Providing water for residential neighborhoods, farms and roads.
- ✦ Dealing with the challenges of water scarcity.
- ✦ Building dams and making use of stormwater.

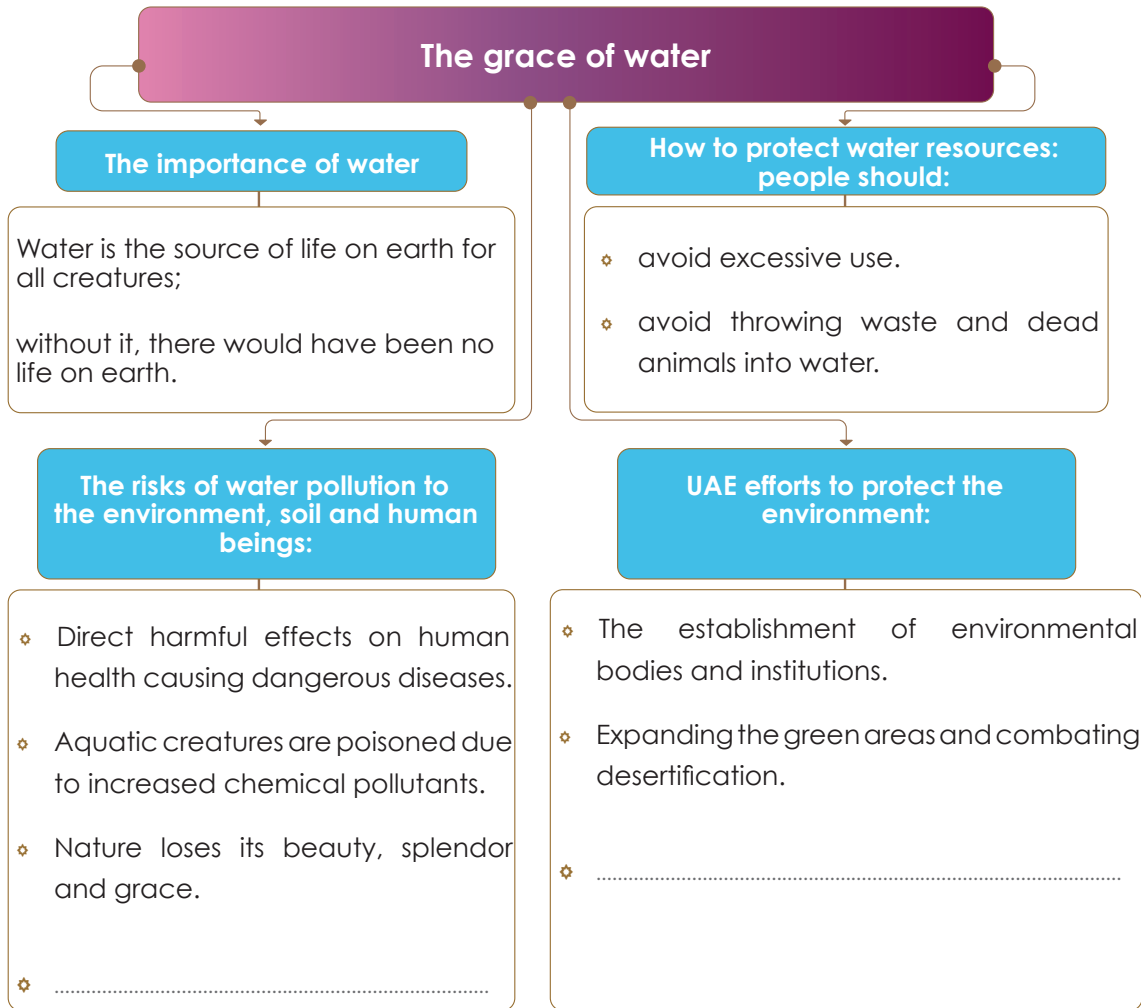

In cooperation with my classmates and teachers, we set up a small exhibition aimed at encouraging schoolmates to follow and promote good behaviors in the context of water conservation.

Lesson

Surat Az-Zalzalah

(The Earthquake)

2

This lesson teaches me to

- ✦ read Surat Az-Zalzalah properly and correctly.
- ✦ clarify the meanings of terms mentioned in the Surah.
- ✦ explain the overall meaning of the holy Surah.
- ✦ recite Surat Az-Zalzalah from memory.

I take the initiative to learn

I notice and answer

- ✦ What do you see in the picture?
- ✦ What are the damages that an earthquake would cause?

I use my skills to learn

I recite and memorize:

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

﴿إِذَا زُلْزِلَتِ الْأَرْضُ زِلْزَالَهَا ﴿١﴾ وَأَخْرَجَتِ الْأَرْضُ أَثْقَالَهَا ﴿٢﴾ وَقَالَ الْإِنْسَانُ مَا لَهَا ﴿٣﴾
يَوْمَئِذٍ تُحَدِّثُ أَخْبَارَهَا ﴿٤﴾ بِأَنَّ رَبَّكَ أَوْحَى لَهَا ﴿٥﴾ يَوْمَئِذٍ يَصْدُرُ النَّاسُ أَشْتَاتًا لِيُرَوْا
أَعْمَالَهُمْ ﴿٦﴾ فَمَنْ يَعْمَلْ مِثْقَالَ ذَرَّةٍ خَيْرًا يَرَهُ ﴿٧﴾ وَمَنْ يَعْمَلْ مِثْقَالَ ذَرَّةٍ
شَرًّا يَرَهُ ﴿٨﴾﴾ [سورة الزلزلة]

[Idhaa zul zilatil ardu zil zaalaha (1) Wa akh rajatil ardu athqaalaha (2) Wa qaalal insaanu ma laha (3) Yawmaa idhin tuhad dithu akhbaaraha (4) Bi-anna rabbaka awhaa laha (5) Yawma idhiny yas durun naasu ash tatal liyuraw a'maalahum (6) Faman ya'mal mithqala dharratin khai ran-yarah (7) Wa man-y'amal mithqala dharratin sharran-yarah (8)]

In the name of Allah, the All-Beneficent, All-Merciful.

(When the earth is shaken with its [final] earthquake (1) And the earth throws out its burdens (2) And man says, "What is [wrong] with it?" (3) That Day, it will declare its news. (4) Because Your Lord has commanded it. (5) That Day, the people will depart separated [into categories] to be shown [the result of] their deeds. (6) So whoever does good equal to the weight of an atom will see it. (7) And whoever does evil equal to the weight of an atom will see it. (8)) (Surat Az-Zalzalah)

I learn the meanings of terms mentioned in the Surah:

| | |
|---|------------------------------------|
| الْأَرْضُ زَلَزَاهَا <i>ardu zil zaalaha</i> | the earth is shaken very strongly. |
| أَنْقَالَهَا <i>athqaalaha</i> | everything inside the earth. |
| أَشْتَاتًا <i>ashtata</i> | in scattered groups. |
| مِثْقَالَ ذَرَّةٍ <i>mithqala dharratin</i> | very tiny amount. |

I read the overall meaning of the holy verses and answer:

On the Day of Judgment, the earth will be moved and shaken violently. It will throw out whatever is *within* it, and people are raised for the purpose of judgment. They will stand in front of Allah (ﷻ) in scattered groups according to their deeds and actions. Those who have done good deeds in this world, however small, will be glad to see that their reward is Paradise. Those who committed bad deeds, however tiny, will be sad and miserable and will receive their fair punishment.

1. When will the earth be shaken violently?
2. What will happen when the earth is so shaken?

People's conditions when the earth is shaken violently.

﴿يَوْمَئِذٍ يَصْدُرُ النَّاسُ أَشْتَاتًا﴾ ②

Yawmaa idhiny yas durun naasu ashtata

- ✦ People proceed joyful and cheerful. (.....)
- ✦ every human being proceeds alone. (.....)
- ✦ People proceed joint and united. (.....)

I talk about

- ✦ I talk to my classmates about the good deeds as shown in the following pictures:

(I love Allah (ﷻ); therefore, I do good and avoid doing evil deeds)

(Allah (ﷻ) rewards man for any good deed he/she performs, however small)

I criticize:

I criticize the following actions by putting the sign 😊 in front of the good behavior and the sign ☹️ in front the bad one:

| ✦ He throws broken glass in the people pathway. | |
| ✦ He allocates a pot of water in his house for the birds to drink from. | |
| ✦ He tears apart his sister' book because he quarreled with her. | |

I conclude

I conclude the effect of these easy deeds on those who perform them:

I cooperate with my classmates

Lesson

The Prophet (ﷺ) Loves his Neighbors

3

This lesson teaches me to:

- ✦ state how Allah's Messenger (ﷺ) treated his neighbors.
- ✦ describe the neighbor's rights that Islam calls for.
- ✦ talk about how to follow the example of Prophet Muhammad (ﷺ) in treating neighbors.

I take the initiative to learn

I read and answer

Salih used to live next to Ghanim in an old neighborhood. Later, Salih moved to another house in a new area. However, he still missed his former neighbor Ghanim and always described him as an excellent neighbor.

- ✦ What is the relationship between Salih and Ghanim?
- ✦ What are the deeds that you expect that Ghanim was doing and made his neighbor, Salih, miss him?

I use my skills to learn

I read and conclude

The Prophet (ﷺ) dealt with his neighbors kindly and with high morals. In addition, he would recommend his family and Companions to follow his example.

I read the following Hadiths and connect between each Hadith and the proper commandment made by the Prophet (ﷺ) with regards to treatment of neighbors:

(“I was sent to perfect good character.”)

| The Noble Hadith | Prophet's commandment |
|--|---|
| <p>The Prophet (ﷺ) said:</p> <p><i>“He who believes in Allah and the Last Day should do good to his neighbor.” (Narrated by Muslim)</i></p> | <p>Believers must not do harm to their neighbors.</p> |
| <p>The Prophet (ﷺ) said:</p> <p><i>“Let him who believes in Allah and the Last Day be generous to his neighbor.” (Narrated by Al-Bukhari and Muslim)</i></p> | <p>Believers must do good to their neighbors.</p> |
| <p>The Prophet (ﷺ) said:</p> <p><i>“Whoever believes in Allah and the Last Day should not hurt (or insult) his neighbor.” (Narrated by Al-Bukhari and Muslim)</i></p> | <p>Believers must love doing good to their neighbors.</p> |
| <p>The Prophet (ﷺ) said:</p> <p><i>“By Him in Whose Hand my soul is, a slave of Allah does not truly believe till he wishes for his neighbor what he wishes for himself.” (Narrated by Muslim)</i></p> | <p>Believers must show generosity to their neighbors.</p> |

I read, conclude and complete

Noura came back home crying .Her mother asked her” :Why are you crying“?

Noura: I was playing chess with Salma, the daughter of our neighbors. When I beat her, she began to scream saying that I cheated and that she would not play with me any more.

Mother: Have you really cheated?

Noura: Of course not. I am skilled in this game because I play it a lot with my brothers.

Mother: Do not be sad. Forgive her because she is the daughter of our neighbors. The Prophet (ﷺ) told us to treat our neighbors kindly and politely. Neighbors have rights on us.

Noura: What are these rights?

Mother: They can be summarized as follows:

He should be greeted and received cordially

His family should be taken care of in his absence

We should not him in word or in deed, his ..

to earn his love and affection

Noura: O Mother, how wonderful Islam is! It is a great religion!

Mother: Indeed. Besides, our great and noble Prophet (ﷺ) teaches us how to co-exist cordially and affectionately with others.

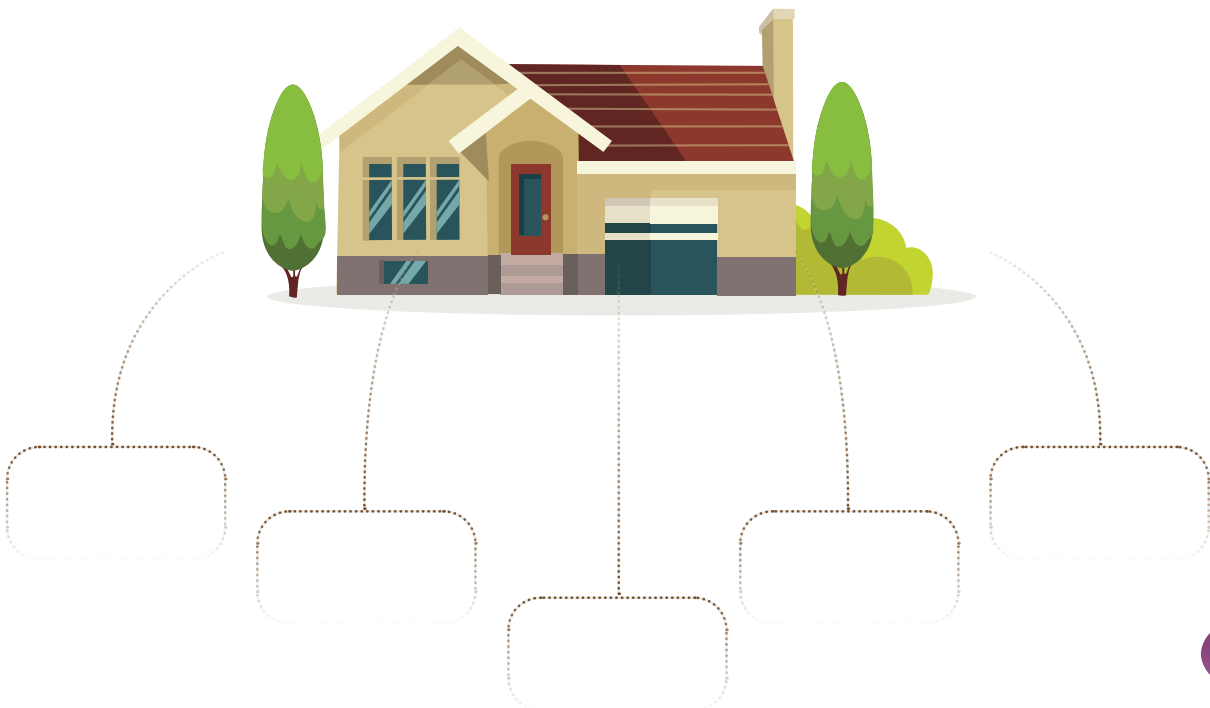

Noura: I have forgiven Salma. I will play with her if she asks me. I will not be annoyed with her anymore.

Mother: Awesome. May Allah bless you and guide you to what He likes and what pleases Him.

✦ How do you treat your non-Muslim neighbor?

Hamad usually returns from his work in the evening. In order to open the door of his house, he makes so loud noises with his car horn that his neighbors are very disturbed. One day, a little child of his neighbor was asleep and the sound of Hamad car's horn frightened her. She woke up crying.

We read and follow the example

The Prophet (ﷺ) used to do good to his neighbors and treat them kindly. He would recommend his family members and Companions to provide them with food as a gift.

The Prophet (ﷺ) said:

Lesson Four

The Taste of Faith

This lesson teaches me to

- ✦ read the Noble Hadith from memory.
- ✦ explain the overall meaning of the Hadith.
- ✦ infer the guidelines contained in the Noble Hadith.

I take the initiative to learn

I notice and expect

The teacher placed some date fruits in front of a group of students. In front of the other group, he laid pictures of types of dates. He said:

“I want the first team to try the dates and tell us what their tastes and flavors like. The second team will look carefully at the pictures of dates, identify their types and colors and talk about them.”

- ✦ Which team do you expect will feel the sweetness of dates? Why?
- ✦ Just like dates, faith also has the sweetness that the believers will realize and feel.

I use my skills to learn

I recite and memorize:

The Noble Hadith

It is narrated on the authority of 'Abbas bin 'Abdul-Muttalib that he heard the Messenger of Allah (ﷺ) saying:

“He has tasted the sweetness of faith who is content with Allah as his Lord, with Islam as his religion and with Muhammad as his Prophet.” (Narrated by Muslim)

Meaning of terms mentioned in the Hadith:

content with Allah as his Lord: he who is convinced by Allah as his Lord and associate no one with him.

I read the overall meaning of the Hadith and answer:

The Hadith indicates that the believers, who are convinced by Allah as their Lord, Islam as their religion and Muhammad (ﷺ) as their Prophet, will feel and taste the sweetness of faith. The true believer is he who obeys Allah, accepts His judgments and does not seek help except from him. Believers should pray to Allah for mercy, trust in Him and abide by the teachings of his Messenger (ﷺ) in managing the affairs of their lives. As a result, they will feel happy and reassured since they have won the great faith while their hearts are full of joy and comfort.

Lesson Five

Surat Al-Qari'ah

5

This lesson teaches me

- ✦ read Surat Al-Qari'ah properly and correctly.
- ✦ recite Surat Al-Qari'ah from memory.
- ✦ clarify the meanings of terms mentioned in the Surah.
- ✦ explain the overall meaning of the holy Surah.

I take the initiative to learn

I notice and expect

Well done, my son.
May Allah bless
you

May Allah reward you
well

O Allah, guide me to
the best character, for
no one guides to the
best of them but you

- ✦ In the above pictures, what are the good deeds that the boy has done?
- ✦ How do you expect his balance would be on the Day of Judgment?

I use my skills to learn

I recite and memorize:

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

﴿الْقَارِعَةُ﴾ (1) مَا الْقَارِعَةُ (2) وَمَا أَدْرَاكَ مَا الْقَارِعَةُ (3) يَوْمَ يَكُونُ النَّاسُ
كَالْفَرَّاشِ الْمَبْثُوثِ (4) وَتَكُونُ الْجِبَالُ كَالْعِهْنِ الْمَنْفُوشِ (5) فَأَمَّا مَنْ
ثَقُلَتْ مَوَازِينُهُ (6) فَهُوَ فِي عِيشَةٍ رَاضِيَةٍ (7) وَأَمَّا مَنْ خَفَّتْ مَوَازِينُهُ (8)
فَأُمُّهُ هَاوِيَةٌ (9) وَمَا أَدْرَاكَ مَا هِيَ (10) نَارُ حَامِيَةٍ (11) ﴿[سورة القارعة]

[Al qari'ah (1) Mal qaariah (2) Wa maa adraaka mal qaari'ah (3) Yauma ya koonun naasu kal farashil mabthooth (4) Wa ta koonul jibalu kal 'ihnil manfoosh (5) Fa-amma man thaqulat mawa zeenuh (6) Fahuwa fee 'ishatinr raadiyah (7) Wa amma man khaffat mawa zeenuh (8) Fa-ummuhu haawiyah (9) Wa maa adraaka maa hiyah (10) Naarun hamiyah (11)]

(The Striking Calamity (1) What is the Striking Calamity? (2) And what can make you know what the Striking Calamity is? (3) It is the Day when people will be dispersed like moths. (4) And the mountains will be like wool, fluffed up. (5) Then as for one whose scales are heavy [with good deeds] (6) He will be in a pleasant life (7) But as for one whose scales are light (8) His refuge will be an abyss (9) And what can make you know what that is? (10) It is a Fire, intensely hot (11)) (Surat Al-Qari'ah)

I understand the meanings of terms mentioned in the Surah:

| | |
|---|---|
| الْقَارِعَةُ <i>Al qaari'ah</i> | The Day of Judgment. |
| كَالْفَرَاشِ الْمَبْثُوثِ <i>kal farashil mabthooth</i> | like moths scattered around. |
| كَالْعِهْنِ الْمَنْفُوشِ <i>kal 'ihnul manfoosh</i> | like fluffy, blown-up and light wool that can be easily moved by air. |
| فَأَمُّهُ <i>Fa-ummuhu</i> | the front of the head. |
| هَآوِيَةً <i>haawiyah</i> | falls down very quickly. |

I read the overall meaning of the holy verses and answer:

Al-Qari'ah (Arabic: القارعة) is one of the names of the Day of Judgment. It was so called because it knocks the ears. By Allah's command, people on that Day come out from inside the earth like scattered moths to be brought to account and punishment. Mountains will look like blown-up wool. People's deeds will be weighed, even if they were as tiny as an atom. Those who had performed good deeds will enter Paradise, while those who did bad deed will be taken to the Fire (Hell).

- ❖ What is the *Al-Qari'ah*?
- ❖ What will be weighed on the Day of Judgment?
- ❖ Who wins Paradise on the Day of Judgment?

I find out and complete

- ✦ The pleasant life will be in
- ✦ It is the wretched (unblessed) who will enter on the Day of Judgment.

I speak

- ✦ I talk about the conditions of some people on the Day of Judgment as shown in the holy Surah.

I compare and clarify

- ✦ What is the difference between the reward of those whose scales are heavy with good deeds and that of those whose scales of good deeds are light?

I discover

Allah's Messenger (ﷺ) said: "There are two statements that are light for the tongue to remember, heavy in the Scale and are dear to the Merciful: 'Glory be to Allah and His is the praise, (and) Allah, the Greatest, is free from imperfection' [Subhan-Allahi wa bihamdihi, Subhan-Allahil-Azim]." (Narrated by Al-Bukhari and Muslim)

- ✦ The two phrases, which will make heavier the balance of deeds on the Day of Judgment, are:

I cooperate with my classmates

- ✦ We classify the below mentioned deeds and write them down according to the following table:

(Love of good – lying– cheating– honesty– helping the needy– smile– theft – stirring up *dissension* among friends– pray (*dua'a*) – vanity – showing respect for others– cursing)

(I want to enter Paradise;
so I perform good deeds
and keep away from evil
ones)

| Deeds that please Allah (ﷻ) | Deeds that do not please Allah (ﷻ) |
|-----------------------------|------------------------------------|
| | |
| | |
| | |
| | |
| | |

- ✦ We make a two-scale balance by recycling simple and useful materials.

- ✦ Do I like to enter Paradise?
- ✦ My friend chose honoring parents. what would I choose to enter Paradise?

I contemplate on the creation of Allah:

- ✦ How can these solid mountains become as light as blown-up wool on the Day of Judgment?

On the Day of Judgment, Allah (ﷻ) will judge people according to their deeds

Those who perform.....
deeds will enter

Those who perform
deeds will enter

Our Environment is our Responsibility

I train to recite the Holy Qur'an

Allah (ﷻ) said:

﴿فَمَنْ يَعْمَلْ مِثْقَالَ ذَرَّةٍ خَيْرًا يَرَهُ﴾ ﴿٧﴾ وَمَنْ يَعْمَلْ مِثْقَالَ
ذَرَّةٍ شَرًّا يَرَهُ ﴿٨﴾ (الزلزلة)

[Faman ya'mal mithqala dharratin khairan-yarah (7) Wa man-y'amal
mithqala dharratin sharran-yarah (8)]

(So whoever does an atom's weight of good will see it (7) And whoever
does an atom's weight of evil will see it (8)) (Surat Az-Zalzalah)

My imprint

I am responsible
for my choice; so
I choose to do the
right thing and
refrain from doing
wrong deeds.

I am keen on
doing the good
deeds which are
of benefit to my
country, the United
Arab Emirates.

Student Activities

I answer by myself

Activity One:

I mark the picture that illustrates a good deed with the sign (✓):

Activity Two:

I draw a line to connect between words in the following table to form useful sentences:

| | | | | |
|------------------------|----------------------|------|----------------------|------|
| People of Paradise: | Their good deeds are | less | Their evil deeds are | less |
| People of Fire (Hell): | | more | | more |

Activity Three:

- ✦ Based on my understanding of Surat *Al-Qari'ah*, I describe each of the following conditions:

| | |
|---|--|
| 1. The condition of people on the Day of Judgment: | |
| 2. The condition of mountains on the Day of Judgment: | |
| 3. The state of believers in Paradise: | |

Activity Four:

- ✦ In the empty box, I paste a picture of light, blown-up wool.

Enriching my experience

On the Internet, I look for three names of the Day of Judgment.

I assess myself

1. I color the box that expresses my commitment to the specified behavior:

| Ser. No. | Behavior | Always | Some-times | Never |
|----------|--|--------|------------|-------|
| 1 | I am keen on performing good deeds in order to make my scale heavier on the Day of Judgment. | | | |

2. I color the box that illustrates how skillful I am at learning the specified aspect:

| Ser. No. | Learning Aspect | Excellent | Good | Acceptable |
|----------|---|-----------|------|------------|
| 1 | My ability to read Surat Al-Qari'ah properly and correctly. | | | |
| 2 | My ability to recite Surat Al-Qari'ah from memory. | | | |
| 3 | My ability to clarify the meanings of terms mentioned in the Surah. | | | |
| 4 | My ability to explain the overall meaning of the holy Surah. | | | |

The little inventor

Saif: Praise be to Allah; we have finished making the camera. So Hamad, what do you think?

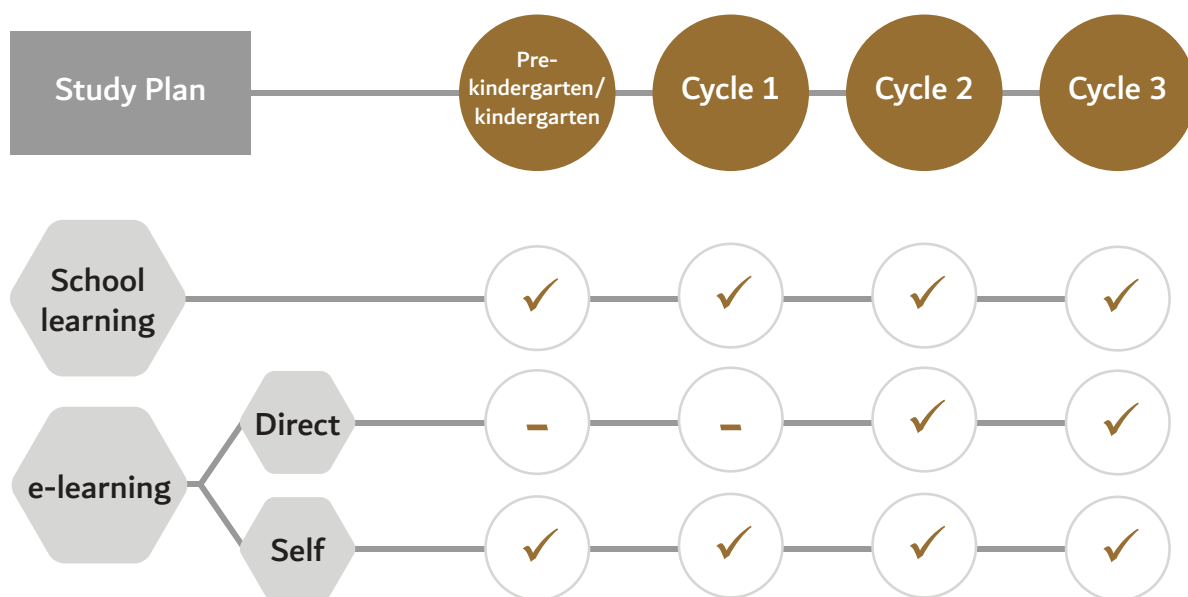

Hamad: I enjoyed that very much. You have greater fun making something by yourself than just playing with it.

Saif: Let us try it; let's take our first picture
