Introduction

Praise be to Allah, the Almighty, the most Generous, who taught by the pen, taught man that which he knew not, and peace and blessings be on the Messenger of mercy to all nations, our Master Mohammad, peace be upon him and his family and companions.

This is the Islamic Education book, which we present to our beloved students of the eighth grade, and we pray to Allah that our children will benefit from it; He is the All Hearing, and the One Who Responds.

The structure of this book is based on units; each unit includes various subjects representing the domains and themes of the curriculum in an integrated manner, including divine revelation, Islamic faith, Islamic values and manners, rules of Islam and their purposes, biography of the Prophet and personalities, and identity and contemporary issues.

The book translates curriculum criteria into comprehensive contents and states learning objectives at the beginning of each lesson under the heading “this lesson teaches me to”. Lessons consist of an introduction (I take the initiative to learn), a body (I use my skills to learn), and a conclusion (I organize my concepts). This is followed by student activities, which comprise three types: general activities for all students (I answer by myself), enriching activities for outstanding students (Enriching my experience), and applied activities (I assess myself).

The book made balances between religious knowledge and educational activities, presenting the necessary religious knowledge and concepts to students, while at the same time giving them the opportunity to learn more and enrich their knowledge through curricular educational activities. The book takes into consideration the characteristic features of UAE students at this age and aims at developing twenty-first century skills and thinking skills and achieving the requirements of sustainable development.

The book focuses on religious knowledge and concepts needed by students at this age and links such knowledge to contemporary life and its developments in light of the principles of Islamic Sharia, including moderation, tolerance, positivity and individual and societal responsibility. It develops performance skills in relation to Islamic Education, and promotes Islamic values to build conscious personalities that hold to their religion and contribute to building their nation.

Educational activities are varied so that they help develop students' critical thinking, which is an important contemporary requirement that would protect students from deviant thoughts and unwise imitation, and contribute to developing creative and innovative thinking, as the UAE seeks in its vision "United in Ambition and Determination" to become by 2021 one of the top countries of the world. These activities also contribute to developing life problem-solving skills and the ability to make decisions in a proper and timely manner, refining students' capabilities, and raising their awareness regarding utilization of financial and human resources and preservation and development of the nation's wealth.

We hope that the way topics are presented to students will help utilize their learning methods, such as; observation, thinking, experimenting, applying, self-learning, research and investigation, and making evidence-based conclusions.

On presenting this book to our students, we pray to Allah to make it beneficial as planned and contemplated in terms of meeting the criteria for learning Islamic education, developing thinking and performance skills and building a generation that is capable of creativity and innovation, confronting challenges and promoting the status of our nation.

Allah knows best the intention behind one's deeds.

The power of Allah (تعالى)

(Surat Ya-Sin 33-54)

This lesson teaches me to:

- recite the verses while observing the rules of recitation.

I take the initiative to learn

A mother took her daughter in a picnic to the desert. The girl noticed there were plants that grew in barren land, and asked her mother wondering how the barren land was transformed into a green garden.

The mother answered her that Allah (تعالى) transformed the lifeless land into a green garden from which we eat and with which we enjoy our eyes.

The daughter asked her mother: what is our duty towards Allah (تعالى) who bestowed these gifts upon us.

I think and expect

- The mother's answer to her daughter.
-
- The mother's advice to her daughter concerning deeds that bring us closer to Allah (تعالى).

[Surat Ya-Sin 33-44]

In the Name of Allah, the Most Gracious, the Most Merciful

And a sign for them is the dead earth. We have brought it to life and brought forth from it grain, and from it they eat. (33) And We placed therein gardens of palm trees and grapevines and caused to burst forth therefrom some springs - (34) That they may eat of His fruit. And their hands have not produced it, so will they not be grateful? (35) Exalted is He who created all pairs - from what the earth grows and from themselves and from that which they do not know. (36) And a sign for them is the night. We remove from it the light of day, so they are left in darkness. (37) And the sun runs on course toward its stopping point. That is the determination of the Exalted in Might, the Knowing. (38) And the moon - We have determined for it phases, until it returns appearing like the old date stalk. (39) It is not allowable for the sun to reach the moon, nor does the night overtake the day, but each, in an orbit, is swimming. (40) And a sign for them is that We carried their forefathers in a laden ship. (41) And We created for them from the likes of it that which they ride. (42) And if We should will, We could drown them; then no one responding to a cry would there be for them, nor would they be saved (43) Except as a mercy from Us and provision for a time. (44)[Surat Ya-Sin 33-44]

I think of the meanings of Qur'anic vocabulary

Vocabulary	Meaning	Vocabulary	Meaning
وَفَجَّرْنَا فِيهَا Wa Fajjarnā Fīhā	Let water springs burst from the earth.	ذُرِّيَّتِهِمْ Dhurriyatahum	Divine Revelation
الْأَزْوَاجِ Al-'Azwāja	Pairs.	الْفُلْكِ الْمَشْحُونِ Al-Fulki Al-Mashhūn	Divine Revelation
نَسْلَخُ Naslakhu	Remove.	فَلَا صَرِيحَ Falā Ṣarīkha	Islamic Values and Manners
كَالْعُرْجُونِ الْقَدِيمِ Kāl'urjūni Al-Qadīm	Old date stalk.	إِلَى حِينٍ 'Ilá Hīn	Divine Revelation

I understand the meaning of the verses

The verses covered a number of topics as follows:

Allah (تعالى) mentioned in the verses some pieces of evidence of His power and oneness. These include the following:

1 Allah (تعالى) brought the earth to life

One of the evident signs which indicate the power and oneness of Allah (تعالى) is that He brought the dead barren earth to life with water, which is the essence of life; He brought from it plants and fruits for man and animals to eat. This is a gift from Allah (تعالى). This indicates the power of Allah (تعالى) to resurrect the dead and raise them from their graves on the Day of Judgment.

Allah (تعالى) urges man to work so that he feels the value of things and thanks Allah (تعالى) for His gifts. Allah (تعالى) said:

﴿وَمَا عَمَلَتُهُمْ أَيْدِيهِمْ أَفَلَا يَشْكُرُونَ﴾

“Wa Mā `Amilat/hu `Aydihim `Afalā Yashkurūn”

(And their hands have not produced it, so will they not be grateful).

I cooperate and think

- The significance of using the pronoun “we” to refer to Allah (تعالى) as in ﴿وَجَعَلْنَا﴾ “Ja`alnā” (We placed), ﴿وَأَخْرَجْنَا﴾ “Akhrajnā” (We brought), ﴿وَفَجَّرْنَا﴾ “Fajjarnā” (We caused).

- The significance of the fact that Allah (تعالى) made the creatures subject to man.

- The wisdom of having multiple sources of water.

2

Establishing the order of the universe

Evidence of the power and oneness of Allah (تعالى) includes the following:

1. Having night and day in a precise fixed sequence.

2. Evidence of the power of Allah (تعالى) includes the fact that He created certain paths for the sun and the moon, which they follow very precisely.

I cooperate and think

The power of Allah (تعالى) (Surat Ya-Sin 33-54)

3 Facilitating transportation and diversity of its means

One of the gifts given by Allah (تعالى) to man is that He facilitated for him means for transportation and moving around to seek provision and try to meet his life needs. In addition, He protected man from harm through His mercy. Therefore, man must thank Allah (تعالى) for these gifts.

I discuss and infer

- The significance of the saying of Allah (تعالى)

“وَخَلَقْنَا لَهُمْ مِّن مِّثْلِهِ مَا يَرْكَبُونَ”

“*Wa Khalaqnā Lahum Min Mithlihi Mā Yarkabūn*”

(And We created for them from the likes of it that which they ride).

- The effects of observing the rules for using means of transportation.

- The effects of non-compliance with laws of traffic.

- How to thank Allah (تعالى) for the gift of having world-class means of transportation in my country.

I recite and memorize

But when it is said to them, “Beware of what is before you and what is behind you; perhaps you will receive mercy” (45) And no sign comes to them from the signs of their Lord except that they are from it turning away. (46) And when it is said to them, “Spend from that which Allah has provided for you,” those who disbelieve say to those who believe, “Should we feed one whom, if Allah had willed, He would have fed? You are not but in clear error.” (47) And they say, “When is this promise, if you should be truthful?” (48) They do not await except one blast which will seize them while they are disputing. (49) And they will not be able to give any instruction, nor to their people can they return. (50) And the Horn will be blown; and at once from the graves to their Lord they will hasten. (51) They will say, “O woe to us! Who has raised us up from our sleeping place?” The reply will be, “This is what the Most Merciful had promised, and the messengers told the truth.” (52) It will not be but one blast, and at once they are all brought present before Us. (53) So today no soul will be wronged at all, and you will not be recompensed except for what you used to do. (54)

[Surat Ya-Sin 45-54]

I think of the meanings of Qur'anic vocabulary

Vocabulary	Meaning	Vocabulary	Meaning
يَخِضُّمُونَ Yakhiṣṣimūn	Disputing worldly matters.	وَنُفِخَ فِي الصُّورِ Nufikha Fī Aṣ-Ṣūri	Horn is blown for resurrection after death.
الْأَجْدَاثِ Al-'Ajdāthi	Graves.	يَنْسِيلُونَ Yansilūn	Going out quickly.

I understand the meaning of the verses

The verses covered two topics as follows:

1 Description of the deniers:

Although Allah (تعالى) gave signs that evidence His power, some people denied and turned away from those signs, did not spend from the gifts bestowed upon them by Allah (تعالى), did not feed from the provisions given to them by Him and denied the Day of Judgment.

I cooperate and think

- The disbelievers' excuse for not spending as stated in the verses.

- The significance of the deniers' question

﴿مَتَىٰ هَذَا الْوَعْدِ ۖ إِن كُنتُمْ صَادِقِينَ﴾

“Matá Hādhā Al-Wa`du ‘In Kuntum Ṣādiqīn”

(When is this promise, if you should be truthful?).

- The negative effects of meanness and the benefits of generosity for the individual and society in the table below:

Negative effects of meanness		Benefits of generosity	
On the individual	On society	For the individual	For society

2 Just reward

After Allah (تعالى) guided His servants to the right path and showed them evidence of His power, part of them believed and part of them turned away. Then, Allah (ﷻ) will justly reward or punish people depending on their work in this world; those who believed and did good deeds will be rewarded in Paradise, and those who denied Allah (تعالى) and did bad deeds will be punished in Hell.

I cooperate and infer

Secondary Madd

This lesson teaches me to:

- explain types of secondary madd due to sukoon.
- differentiate between types of original madd and secondary madd that is due to sukoon.
- recite the Qur'anic verses while properly observing the rules of secondary madd.

I take the initiative to learn

Madd (elongation) is of two types: original and secondary. The former is also called natural madd. It is inherent in the madd letter and occurs when the madd letter is followed by any letter other than hamza or sukoon. Secondary madd occurs when the madd letter is followed by hamza or sukoon.

I read and explain

- Types of madd.

.....

- The difference between types of madd.

.....

- Types of secondary madd.

.....

I use my skills to learn

Secondary madd that is due to sukoon:

Secondary madd that is due to sukoon is of two types:

.....

.....

.....

.....

.....

First: Necessary madd:

- **Occurrence:** it occurs when the madd letter is followed by a letter that has original sukoon in the same word in both cases of connecting or stopping.
- **Duration:** the madd letter is necessarily elongated for six counts.
- **Types:** necessary madd is divided into two types: word-based necessary madd and letter-based necessary madd.

1. Word-based necessary madd:

It is subdivided into two types:

- Light word-based necessary madd: it occurs when the madd letter is followed by a letter that has original sukoon in one word. Its only example is the word "الْأَن" "Āl'āna", which occurs twice in Surat Yūnis:

1) In the saying of Allah (تعالى):

“Āl’āna Wa Qad Kuntum Bihi Tasta`jilūn”

(Now? And you were once for it impatient) [Yūnis: 51].

2) In the saying of Allah (تعالى):

﴿ءَأَلْتَنَ وَقَدْ عَصَيْتَ قَبْلُ وَكُنْتَ مِنَ الْمُفْسِدِينَ﴾

“Āl’āna Wa Qad `Aṣayta Qablu Wa Kunta Mina Al-Mufsidīn”

(Now? And you had disobeyed Him before and were of the corrupters?) [Yūnis: 91].

- Heavy word-based necessary madd: it occurs when the madd letter is followed by a stressed letter in one word. This stressed letter was originally two letters: one letter with sukoon and one unsilent letter. Here are some examples: ﴿الضَّالِّينَ﴾ (Ad-Ḍāllīn), ﴿الْحَاقَّةُ﴾ (Al-Ĥāqqah), and ﴿دَابَّاتٍ﴾ (Dābbatin).

2. Letter-based necessary madd:

This type of madd occurs in some letters which come at the beginning of Suras, which are grouped the words (نقِصْ عَسَلُكُمْ). When pronounced, these letters consist of three sounds, the middle of which is a madd sound. Letter-based necessary madd is subdivided into two types:

- Light letter-based necessary madd: it occurs when the madd letter is followed by a letter that has original sukoon in one of the letters that come at the beginning of Suras. Here are some examples:

The saying of Allah (تعالى):

﴿ص﴾, which is pronounced like this: (Ṣād).

The saying of Allah (تعالى):

﴿ن﴾, which is pronounced like this: (Nūn).

The saying of Allah (تعالى):

﴿حم﴾, which is pronounced like this: (Ĥā-Mīm).

- Heavy letter-based necessary madd: it occurs when the madd letter is followed by a letter with sukoon that is blended with the next following letter in combinations of letters at the beginning of Suras. It only occurs in the letters Meem (م) and Seen (س) when followed by and blended with Meem (م). Here are two examples:

﴿آلَم﴾, which is pronounced like this: ('Alif-Lām-Mīm).

﴿سَم﴾, which is pronounced like this: (Ṭā-Sīn-Mīm).

I cooperate and compare

- Explain the two types of necessary madd (word-based and letter based) in terms of similarities and differences between them:

Aspect		Word-based necessary madd	Letter-based necessary madd
Differences	Description		
	Types		
	Example		
Similarities			

I think and link

- to fill the following spaces:

The letters at the beginnings of Suras which are grouped in the words (نقض عسلُكم) are three-sound letters in which madd of both types, and letter-based, occur and are elongated for counts. The letters at the beginnings of Suras which are grouped in the words (حي طهر) are two-sound letters in which mad occurs and are elongated for counts. The 'Alif letter at the beginnings of Suras is not

I cooperate and compare

The two types of necessary madd in the saying of Allah (تعالى)

“كهيعص” (Kāf-Hā-Yā-`Ayn-Ṣād) [Maryam: 1] indicating the duration of elongation for every letter in the table below:

Letter in writing	Letter in pronunciation	Description	Type	Duration of elongation
ك	Kāf	Three-sound letter	Light letter-based necessary madd	Six counts
هـ				
ي				
ع				
ص				

I calculate and infer

That the total elongation counts of the above letters are
 + two counts for the nasal sound (Ghunna) in the
 rule of the silent Noon that is followed by ṣād = the total required counts
 which are counts.

Second: Madd due to contingent sukoon:

This madd occurs when the madd letter is followed by sukoon that is contingent on stopping.

Examples: when stopping at the end of these words: “تَعْلَمُونَ” “Ta`lamūn(a)”, “يُعِيدُ” “Yu`īd(u)” and “عِبَادِ” “Ibād(i)”. However, if we do not stop at the end of these words, the madd becomes natural (also called original) one because the reason of the secondary madd (contingent sukoon) is no longer there.

Duration: there are three options for elongating the madd letter: two counts (short), four counts (medium) and six counts (long).

One additional madd that is classified under secondary madd due to sukoon is the easy madd.

This type of madd occurs only when there is yaa(ي) or waw(و) that is preceded by fat'ha (ـَ). These two letters are called easy letters.

Examples: “قُرَيْشٍ” “Quraysh”, “الْبَيْتِ” “Al-Bayt” and “خَوْفٍ” “Khawf”.

Duration: the madd letter may be elongated for two, four or six counts.

Its conditions

The easy letter (yaa (ي) or waw (و) should be silent and preceded by fat'ha (-).

- The easy letter should be followed by sukoon that is contingent on stopping. In the case of continued recitation, there is no madd.

I recite and find

Examples of madd that is due to contingent sukoon in the following verses:

- Allah (تعالى) said :

﴿ وَاللِّينِ وَالزَّيْتُونِ ۝١ وَطُورِ سِينِينَ ۝٢ وَهَذَا الْبَلَدِ الْأَمِينِ ۝٣ لَقَدْ خَلَقْنَا الْإِنْسَانَ فِي أَحْسَنِ تَقْوِيمٍ ۝٤ ثُمَّ رَدَدْنَاهُ أَسْفَلَ سَافِلِينَ ۝٥ ﴾

“Wa At-Tīni Wa Az-Zaytūni(1) Wa Ṭūri Sīnīna (2) Wa Hadhā Al-Baladi Al-'Amīni(3) Laqad Khalaqnā Al-'Insāna Fī 'Aḥsani Taqwīmīn (4) Thumma Radadnāhu 'Asfala Sāfilīna (5)”

(By the fig and the olive (1) And by Mount Sinai (2) And by this secure city [Makkah], (3) We have certainly created man in the best of stature; (4) Then We return him to the lowest of the low (5)) [At-Tīn: 1-5].

I think and distinguish

Between madd that is due to contingent sukoon and easy madd indicating the similarities and differences between them:

Aspect of Comparison	Madd due to contingent sukoon	Easy madd
Similarities		
differences		

I recite and determine:

The type of madd and indicate its duration in the following table:

I answer by myself:

- Put (😊) next to the true statement and (😞) next to the false one in the following:
 - () The necessary madd is considered the strongest madd.
 - () In the case of madd due to contingent sukoon, the duration of elongation can be short (two counts).
 - () The madd in ﴿ حَم ﴾ "Ĥā-Mīm" is heavy word-based necessary madd.
 - () The madd in ﴿ جَاءَكَ ﴾ "Jā'aka" is light word-based necessary madd.
 - () Secondary madd is madd that is longer than natural madd due to hamza or sukoon.
 - () Separate letters that must be elongated for six counts are grouped in the words (حي طهر).

Abu Huraira رَضِيَ اللَّهُ عَنْهُ reported that the Messenger of Allah صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ said: "He who removes from a believer one of his difficulties of this world, Allah will remove one of his troubles on the Day of Judgment; and he who finds relief for distressed person, Allah will make things easy for him on the Day of Judgment; he who covers up the faults and sins of a Muslim, Allah will cover up his faults and sins in this world and in the Hereafter. Allah supports His servant as long as the servant is supportive of his brother; and he who treads the path in search of knowledge, Allah makes that path easy, leading to Paradise for him; the people who assemble in one of the houses of Allah, reciting the Book of Allah, learning it and teaching, there descends upon them the tranquility, and mercy covers them, the angels flock around them, and Allah mentions them in the presence of those near Him; and he who lags behind in doing good deeds, his noble lineage will not make him go ahead." [Narrated by Muslim].

I understand the meanings of vocabulary

نَفَّسَ	Remove and relieve.
كُرْبَةً	Difficulty.
مُعْسِرٍ	A very poor person who cannot repay his debt.
يُلْتَمَسُ	Seek.
السَّكِينَةَ	Tranquility.
عَشِيَّتَهُمْ	Covered.
حَقَّتْهُمْ	Surrounded them.
بَطَأَ	Delay.

I understand the significance of the noble hadith

In this noble hadith, the Messenger of Allah (ﷺ) teaches us some good deeds that aim at achieving cohesion and coherence of society. These are:

1. Fulfilling the needs of people and bringing them benefits:

Bringing benefits to people is one of the best deeds, as it strengthens love among members of society. Abdullah bin Omar (رضي الله عنه) reported that a man came to the Prophet (ﷺ) and said: O Messenger of Allah, who among people is the most loved by Allah? And what deeds are the most pleasing for Allah (ﷻ)? The Messenger of Allah (ﷺ) said: "The most loved to Allah among people are those who bring the most benefits to others" [Narrated by Al-Tabarani]. Therefore, the reward of those who bring benefits to others

or relieve them from distress in this world is that Allah will relieve them from some of the many troubles of the Day of Judgment. The Messenger of Allah (ﷺ) stressed the importance of demonstrating this great behavior by saying “Allah supports His servant as long as the servant is supportive of his brother”.

I cooperate and enumerate

Examples of difficulties that could face people in this world.

I read and memorize

From the following hadith some methods through which I can fulfill the needs of people and bring benefits to them:

The Messenger of Allah (ﷺ) said “The best deeds for Allah are to bring happiness to a Muslim, remove his difficulty, repay debt on his behalf or relieve him from hunger” [Narrated by Al-Tabarani].

I calculate and infer

Between the troubles of this world and the troubles of the Day of Judgment in light of your understanding of the following verses:

Allah (تعالى) said:

﴿يَتَأَيُّهَا النَّاسُ اتَّقُوا رَبَّكُمُ إِنَّ زَلْزَلَةَ السَّاعَةِ شَيْءٌ عَظِيمٌ ﴿١﴾ يَوْمَ تَرَوُنَّهَا تَذْهَلُ كُلُّ مُرْضِعَةٍ عَمَّا أَرْضَعَتْ وَتَضَعُ كُلُّ ذَاتِ حَمْلٍ حَمْلَهَا وَتَرَى النَّاسَ سُكَرَىٰ وَمَا هُمْ بِسُكَرَىٰ وَلَٰكِنَّ عَذَابَ اللَّهِ شَدِيدٌ ﴿٢﴾﴾

“Yā ‘Ayyuhā An-Nāsu Attaqū Rabbakum ‘Inna Zalzalata As-Sā`ati Shay’un `Aẓīm (1) Yawma Tarawnahā Tadh/halu Kullu Murdi`atin `Ammā ‘Arda`at Wa Tada`u Kullu Dhāti Ĥamlin Ĥamlahā Wa Tarā An-Nāsa Sukārā Wa Mā Hum Bisukārā Wa Lakinna `Adhāba Allāhi Shadīd (2)”

(O mankind, fear your Lord. Indeed, the convulsion of the final Hour is a terrible thing. (1) On the Day you see it every nursing mother will be distracted from that child she was nursing, and every pregnant woman will abort her pregnancy, and you will see the people [appearing] intoxicated while they are not intoxicated; but the punishment of Allah is severe. (2)) [Al-Ĥaj: 1-2].

Troubles of this world	Troubles of the Day of Judgment

I investigate and talk

In my own way about:

- The efforts of the United Arab Emirates in supporting humanitarian work inside and outside the country.

- Effects of those efforts on individuals and societies.

2. Relieving the insolvent debtor:

The first thing for which man is brought to account on the Day of Judgment is his money; how he earned it and how he spent it. So, what a great deed to spend money to serve people and bring them benefits such as repaying debts on behalf of others, extending the period for repaying the debt or waiving the debt in whole or in part. Allah (تعالى) said:

﴿ وَإِنْ كَانَ ذُو عُسْرَةٍ فَنَظِرَةٌ إِلَىٰ مَيْسَرَةٍ وَأَنْ تَصَدَّقُوا خَيْرٌ لَّكُمْ
 إِنْ كُنْتُمْ تَعْلَمُونَ ﴾

“Wa ‘In Kāna Dhū `Ustratin Fanaẓīratun ‘Ilá Maysaratin Wa ‘An Taṣaddaqū Khayrun Lakum ‘In Kuntum Ta`lamūn”

(And if someone is in hardship, then let there be postponement until a time of ease. But if you give from your right as charity, then it is better for you, if you only knew.)

[Al-Baqarah: 280].

The Messenger of Allah (ﷺ) said: "He who likes Allah to deliver him from the calamities of the Day of Judgment, let him either give respite to a debtor or grant him remission of loans in straitened circumstances." [Narrated by Muslim].

I think and suggest:

Some ways through which I, as a student, can help the insolvent:

--	--	--

I cooperate and enumerate

The positive effects of helping the insolvent debtor on the following:

The solvent creditor	Society

3. Covering the faults and sins of people:

It is possible that man will commit some sins. The Prophet (ﷺ) said "All the sons of Adam are sinners, but the best of sinners are those who repent often." [Narrated by Al-Tirmithi]. By his nature, man does not like others to look at his faults and hates it when people know about his sins. However, those faults or sins might be revealed for some people by coincidence or as a test by Allah. The believer covers the faults and sins of people and does not talk about things that are not of his business.

I imagine and decide

I imagine that I have seen one of my classmates committing a sin, and I know him to be pious and well behaved, what do I choose to do, and why?

- I tell my classmates about what I have seen to reveal to them his truth.
- I cover him up, but do not neglect my duty to give him advice and remind him of Allah.
- I keep silent and do not tell him anything, and cover him up as if I have seen nothing.

My choice:

The reason:

I imagine and decide

On the following cases, giving an explanation:

- He saw his classmate cheating in the exam, but he kept silent in order not to expose him.
.....
- He follows the sins committed by his classmates and posts them on social media.
.....

4. Seeking beneficial knowledge and applying it:

Our religion assigned high importance for knowledge, scholars and students; the revelation of the Holy Qur'an started with the word ﴿أَقْرَأْ﴾ "Aqra'" (Read). Allah (تعالى) said:

“Qul Hal Yastawī Al-Ladhīna Ya`lamūna Wa Al-Ladhīna Lā Ya`lamūna ‘Innamā Yatadhakkaru ‘Ulū Al-’Albāb”

(Say, “Are those who know equal to those who do not know?” Only they will remember who are people of understanding.) [Az-Zumar: 9].

He (ﷺ) also said:

“Yarfa`i Allāhu Al-Ladhīna ‘Āmanū Minkum Wa Al-Ladhīna ‘Ūtū Al-`Ilma Darajātin Wa Allāhu Bimā Ta`malūna Khabīr”

(Allah will raise those who have believed among you and those who were given knowledge, by degrees. And Allah is Acquainted with what you do.) [Al-Mujādila: 11]. Furthermore, in the hadith of this lesson, the Prophet (ﷺ) indicated that seeking knowledge will be greatly rewarded in Paradise.

The intended knowledge here is the permitted knowledge, whether religious or worldly, that benefits man, his society and his country.

I imagine and decide

Case	Beneficial knowledge	Detrimental knowledge
He completed police studies to help maintain the security of his society.		
He learned magic and astrology		
He studied medicine to contribute in the campaign of doctors without borders.		

5. Studying the Book of Allah (تعالى):

The Messenger of Allah (ﷺ) told us in the hadith about the merits of learning and studying the Holy Qur'an, as it is a direct cause for deserving the recognition described by the Messenger of Allah (ﷺ).

I reflect and answer

- The number of good tidings given in the noble hadith for those who study the Holy Qur'an:

.....

.....

- What is in your opinion the greatest of these good tidings?

.....

- Explain the positive effects of learning and studying the Holy Qur'an on the individual and society in the following table:

On the individual	On society

6. Hastening to do good deeds

This is a priceless golden rule given by the Messenger of Allah (ﷺ) so that man learns the lesson and works hard as neither lineage nor status will benefit in this world; only his work and fear of Allah will matter. Allah (ﷻ) said: **﴿إِنَّ أَكْرَمَكُمْ عِنْدَ اللَّهِ أَتْقَاكُمْ﴾** "Inna 'Akramakum `Inda Allāhi 'Atqākum" (Indeed, the most noble of you in the sight of Allah is the most righteous of you.) [Al-Ĥujurāt: 13]. Abu Huraira (رضي الله عنه) reported that the Messenger of Allah (ﷺ) said: "Verily, Allah does not look at your faces and your wealth, but He looks at your heart and deeds." [Narrated by Muslim].

I recite and find

Allah (ﷻ) said:

“Fa’idhā Nufikha Fī Aṣ-Ṣūri Falā ‘Ansāba Baynahum Yawma’idhin Wa Lā Yatasā’alūn”

(So when the Horn is blown, no relationship will there be among them that Day, nor will they ask about one another.) [Al-Mu’uminūn: 101].

- What is the criterion for comparing people on the Day of Judgment?

.....

- State some things that do not matter for Allah (ﷻ) if man has not done enough good deeds.

LESSON 4

Social Cohesion

This lesson teaches me to:

- explain the concept of social cohesion.
- define fields of social cohesion.
- infer means that help achieve social cohesion.
- deduce the benefits of social cohesion for the individual and for society.

I take the initiative to learn

Imam Al-Shafe'i (رضي الله عنه) said:

Modest people help others as they know that man's fortune comes and goes.

The best among people are those through whose hands the needs of others are fulfilled.

Never refuse to do someone a favor if you can, because your fortune will one day change.

And thank Allah because He made others need your help rather than you in need of their help.

Some people have died but their virtues are still remembered, while others live but nobody remembers them.

I analyze and infer

- What moral values do the above lines promote?
.....
- Explain the merits of those values as indicated in the last line.
.....
- Choose a UAE personality to whom the saying of Imam Al-Shafe'i (رضي الله عنه) "some people have died but their virtues are still remembered" applies, and explain the reason.

- Infer the effect of those deeds on the relations among people and the relation between the people and the ruler.
.....

I use my skills to learn

1. Social cohesion in Islam:

Through its noble principles, Islam sought to establish a cohesive and strongly connected society on the basis of cooperation and love among its members regardless of their different nationalities, religions, colors and occupations.

This is because social cohesion

is essential for ensuring the strength, security and stability of society. It is one of the characteristics of an Islam society; the Prophet (ﷺ) said: "The believers in their mutual kindness, compassion and sympathy are just like one body; when one of the limbs suffers, the whole body responds to it with wakefulness and fever." [Narrated by Al-Bukhari and Muslim].

I think and infer

From the above hadith the following:

- The concept of social cohesion.
-
- The values that help achieve cohesion among members of society.
-

2. Fields of social cohesion:

There are many fields of social cohesion that include all members of society. They can be divided as follows:

A) Family cohesion:

The family is the nucleus of society. Therefore, Islam sought through its principles and rules to build a strongly connected family. These principles and rules include the following:

1) Compassion among family members:

- Islam paid big attention to the family and called to strengthening bonds among its members so that they constitute a happy cohesive family in which the father, mother, children as well as other relatives enjoy love and harmony. Allah (ﷻ) said:

﴿ وَمِنْ آيَاتِهِ أَنْ خَلَقَ لَكُمْ مِنْ أَنْفُسِكُمْ أَزْوَاجًا لِتَسْكُنُوا إِلَيْهَا وَجَعَلَ
بَيْنَكُمْ مَوَدَّةً وَرَحْمَةً... ﴾

“Wa Min ‘Āyātihi~ ‘An Khalaqa Lakum Min ‘Anfusikum ‘Azwājāan Litaskunū ‘Ilayhā
Wa Ja`ala Baynakum Mawaddatan Wa Raḥma”

(And of His signs is that He created for you from yourselves mates that you may find tranquility in them; and He placed between you affection and mercy.) [Ar-Rūm: 21].

- Having mercy upon one's family includes caring for them, attending to their affairs and spending on them. The Prophet (ﷺ) said: "A dinar you spend for the sake of Allah; a dinar you spend to free a slave; a dinar you give as charity to a needy person; and a dinar you spend to support your family; the one yielding the greatest reward is that which you spend on your family." [Narrated by Muslim].
- Raising one's children includes sitting with them, listening to them, following up their studies, knowing their friends, developing their skills, strengthening family dialogue with them, and rationalizing their use of modern technology and social media, as non-beneficial use of this technology has become a clear danger to the family and society. The Prophet (ﷺ) said: "You owe a duty to your family." [Narrated by Al-Tirmithi].

I discuss and comment:

On the following acts, explaining their effects on relations between people:

- The mother bought a gift for one of her children but did not buy similar gifts for her other children without any justification.
.....
- The parents are too busy to have a dialogue with their children.
.....
- The children use modern technology and social media without any supervision by the parents.
.....

- The older brother helps his younger brothers and sisters in their studies.
-
- The grandchild respects his grandfather and helps fulfill his needs
-

2) Cherishing one's parents:

Allah (تعالى) ordered us to do good for our parents. He (ﷻ) said:

﴿ وَقَضَىٰ رَبُّكَ أَلَّا تَعْبُدُوا إِلَّا إِيَّاهُ وَبِالْوَالِدَيْنِ إِحْسَانًا ... ﴾ “Wa Qadā Rabbuka ‘Allā Ta`budū ‘Illā ‘Īyāhu Wa Bil-Wālidayni ‘Iḥsānān” (And your Lord has decreed that you not worship except Him, and to parents, good treatment.) [Al-'Isrā': 23]. Cherishing one's parents means obeying them, being gentle with them in words and deeds, serving them, fulfilling their needs and spending generously on them. Cherishing one's parents after they are dead means supplicating to Allah to have mercy upon them, fulfilling their promises, visiting their relatives and honoring their friends. All of this makes the relationship with them one of love and harmony.

I read and infer

The merits of cherishing one's parents from the following hadiths:

Hadiths	The merits of cherishing one's parents
<p>The Prophet (ﷺ) said: "May he be disgraced! May he be disgraced! May he be disgraced!" It was said: O Messenger of Allah, who is he? He said. He whose parents, one or both, attain old age during his life time, and he does not enter Paradise." [Narrated by Muslim].</p>	
<p>The Prophet (ﷺ) said: "Cherish your parents so that your children cherish you." [Narrated by Al-Tabarani].</p>	
<p>The Prophet (ﷺ) said: "Nothing extends one's life span but cherishing one's parents." [Narrated by Ibn Majah].</p>	

3) Maintaining the ties of kinship:

Islam urges us to maintain the ties of kinship to achieve family cohesion and harmony. It considered maintaining the ties of kinship one sign of belief. The Prophet (ﷺ) said: "He who believes in Allah and the Day of Judgment should maintain the ties of kinship." [Narrated by Al-Bukhari in Al-Adab Al-Mufrad].

The Muslim maintains the ties of kinship through the following:

visiting one's relatives, answering their invitations, doing good deeds for them, protecting them from harm, visiting the sick among them, participating in their celebrations, consoling them at times of grief, forgiving the wrongdoer among them, respecting their elders, having mercy upon their children and offering money to the poor among them as the reward will be doubled for those who maintain the ties of kinship and take care of the poor. The Messenger of Allah (ﷺ) said: "Giving charity to a poor person is charity, and giving to a relative is two things, charity and maintaining the ties of kinship." [Narrated by Al-Nasa'i].

I analyze and infer

The effects of maintaining the ties of kinship on the following in light of your understanding of the following hadith:

The Messenger of Allah (ﷺ) said: "He who wishes to have his life span extended and his provisions increased, let him cherish his parents and maintain the ties of kinship." [Narrated by Ahmad].

The person who maintains the ties of kinship	Relatives	Society

B) Cohesion among members of society:

Islam is keen on building a cohesive society on the basis of cooperation and solidarity among all people so that society becomes stronger and its members are strongly connected. The Prophet (ﷺ) said: "A believer to another believer is like a building whose different parts enforce each other." [Narrated by Al-Bukhari and Muslim]. This is achieved through doing good morally and materially to those in need and wishing good for others and one does for himself.

To this end, Islam set the following rules:

Initiative for Enhancing
National and
Community Cohesion

1) Doing good to neighbors:

Islam instructed us to do good to neighbors. The Prophet (ﷺ) said: "He who believes in Allah and the Day of Judgment should treat his neighbors

with kindness.” [Narrated by Al-Bukhari and Muslim]. This is achieved by treating them well, attending their celebrations, consoling them at times of grief and presenting gifts to them. Abu Dharr Al-Ghafari (رضي الله عنه) reported that the Prophet (ﷺ) said: “O Abu Dharr, when you make some soup, make a good amount by adding plenty of liquid, and give some to your neighbors.” [Narrated by Muslim].

I cooperate and enumerate

in the table below the reward and punishment of the two women referred to in the following hadith, explaining the reason why each deserved it.

Abu Huraira (رضي الله عنه) said: it was said to the Prophet (ﷺ): O Messenger of Allah, “A certain woman prays in the night, fasts in the day and gives charity, but she harms her neighbors with her tongue.” The Messenger of Allah (ﷺ) said: “There is no good in her. She is one of the people of the Fire.” They said: “Another woman prays the prescribed prayers and gives bits of curd as charity and does not harm anyone.” The Messenger of Allah (ﷺ) said: “She is one of the people of Paradise.” [Narrated by Ahmad].

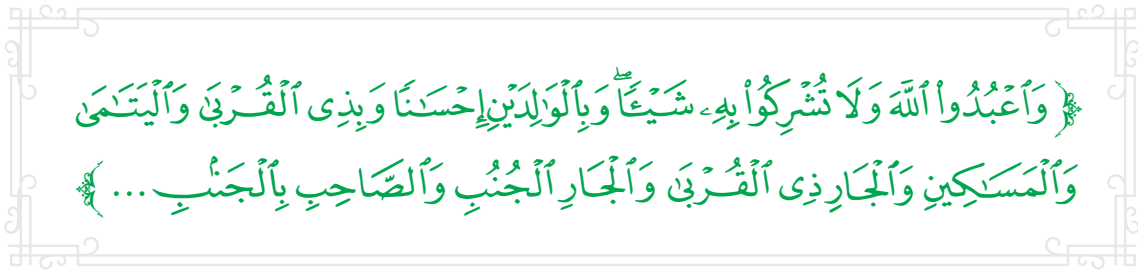

Women	Reward/ punishment	Reason
First woman		
Second woman		

I think and infer

Why the order to do good to neighbors is joined with the order to worship Allah (ﷻ) and cherish one's parents and relatives in the following verse:

Allah (ﷻ) said:

“Wa A`budū Allaha Wa Lā Tushrikū Bihi Shay`āan Wa Bil-Wālidayni `Thsānāan Wa Bidhī Al-Qurbá Wa Al-Yatāmá Wa Al-Masākīni Wa Al-Jāri Dhī Al-Qurbá Wa Al-Jāri Al-Junubi Wa Aṣ-Ṣāhibi Bil-Janb”

(Worship Allah and associate nothing with Him, and to parents do good, and to relatives, orphans, the needy, the near neighbor, the neighbor farther away, the companion at your side) [An-Nisā': 36].

2) Social compassion:

Islam called for being compassionate towards the poor and having mercy upon the needy, the weak and orphans. Allah (ﷻ) said:

“Fa`ammā Al-Yatīma Falā Taqhar”

(So as for the orphan, do not oppress him.) [AdḌuḥāá: 9].

Further, Islam urged cooperation among members of society to confront crises and strive to relieve difficulties and distress. The Messenger of Allah (ﷺ) said: "A Muslim is the brother of a fellow-Muslim. He should neither commit oppression upon him nor ruin him. He who meets the need of a brother, Allah would meet his needs, and he who relieved a Muslim from hardship Allah would relieve him from the hardships to which he would be put on the Day of Judgment. He who did not expose the follies of a Muslim, Allah would conceal his follies on the Day of Judgment." [Narrated by Al-Bukhari and Muslim].

I think and talk:

About the UAE's efforts in supporting charity and volunteering work.

I read and explain

One of the deeds to which the following hadith guides us, explaining its effect on society.

The Prophet (ﷺ) said: "Every Muslim has to give in charity." The people asked, "If someone has nothing to give, what will he do?" He (ﷺ) said: "He should work with his hands and benefit himself and also give in charity." The people further asked, "If he cannot find even that?" He replied: "He should help the needy who appeal for help." [Narrated by Al-Bukhari and Muslim].

3) Doing good to non-Muslims:

Islam established in the hearts of Muslims the principle of doing good deedsto peaceful non-Muslims. Allah (ﷻ) said:

﴿لَا يَنْهَىٰكُمْ اللَّهُ عَنِ الَّذِينَ لَمْ يُقَاتِلُوكُمْ فِي الدِّينِ وَلَمْ يُخْرِجُوكُمْ مِّنْ دِيَارِكُمْ أَن تَبَرُّوهُمْ
وَتُقْسِطُوا إِلَيْهِمْ إِنَّ اللَّهَ يُحِبُّ الْمُقْسِطِينَ﴾

“Lā Yanhākumu Allāhu `Ani Al-Ladhīna Lam Yuqātilūkum Fī Ad-Dīni Wa Lam Yukhrijūkum Min Diyārikum `An Tabarrūhum Wa Tuqsiṭū `Ilayhim `Inna Allāha Yuḥibbu Al-Muqsiṭīn”

(Allah does not forbid you from those who do not fight you because of religion and do not expel you from your homes - from being righteous toward them and acting justly toward them. Indeed, Allah loves those who act justly.) [Al-Mumtaḥanah: 8].

Doing good to non-Muslims involves being kind to the weak, meeting the needs of the poor and feeding the hungry among them, talking nicely to them, praying for their right guidance and happiness, safeguarding their wealth and honor, protecting all their rights, helping them defend themselves against oppression and not forcing them to convert to Islam. Allah (ﷻ) said:

﴿لَا إِكْرَاهَ فِي الدِّينِ قَدْ تَبَيَّنَ الرُّشْدُ مِنَ الْغَيِّ﴾

“Lā’Ikrāha Fī Ad-Dīni Qad Tabayyana Ar-Rushdu Mina Al-Ghayy”

(There shall be no compulsion in acceptance of the religion. The right course has become clear from the wrong.) [Al-Baqarah: 256].

Islam forbade everything that would constitute an insult of their beliefs. Allah (ﷻ) said:

﴿ وَلَا تَسُبُّوا الَّذِينَ يَدْعُونَ مِنْ دُونِ اللَّهِ فَيَسُبُّوا اللَّهَ عَدْوًا بِغَيْرِ عِلْمٍ ﴾

“Wa Lā Tasubbū Al-Ladhīna Yad`ūna Min Dūni Allāhi Fayasubbū Allaha `Adwan Bighayri `Ilm”

(And do not insult those they invoke other than Allah, lest they insult Allah in enmity without knowledge.) [Al-'An`ām: 108].

I think and expect

The effect of treating non-Muslims well on the following:

The Muslim	Non-Muslims	Society

4) Promoting harmony among people:

Demonstrating good manners in dealing with all people helps promote harmony among members of society. The well-behaved person likes others and is liked by them; he maintains ties with relatives who try to break those ties, and does good deeds to those who have abused him. Allah (ﷻ) said:

﴿أَدْفَعْ بِأَلَّتِي هِيَ أَحْسَنُ فَإِذَا الَّذِي بَيْنَكَ وَبَيْنَهُ عَدَاوَةٌ كَأَنَّهُ وَلِيٌّ حَمِيمٌ﴾ (34)

“Adfa` Bi-Atī Hiya Ahsanu Fa'idhō Al-Ladhī Baynaka Wa Baynahu `Adōwatun Ka'annahu Wa Līyun Ḥamīm”

(Repel evil by that deed which is better; and thereupon the one whom between you and him is enmity will become as though he was a devoted friend.) [Fuṣṣilat: 34].

Greetings help increase love among people. The Prophet (ﷺ) said: “You will not enter Paradise until you believe, and you shall not believe until you love one another. May I inform you of something that if you do you will love each other. Promote greetings among you” [Narrated by Muslim]. In addition, Islam encouraged us to exchange gifts to increase love between people. The Prophet (ﷺ) said: “Give presents to each other and love each other.” [Narrated by Al-Bukhari in Al-Adab Al-Mufrad].

I think and remember

Things done by the Messenger of Allah (ﷺ) in Madinah to build a strong cohesive society.

--	--	--

I reflect and deduce

From the following texts, other means that help promote love and harmony among members of society:

Text	Means
<p>The Prophet (ﷺ) said: "Your smiling in the face of your brother is charity." [Narrated by Al-Tirmithi].</p>	
<p>The Prophet (ﷺ) said: "He who believes in Allah and the Day of Judgment should show hospitality to his guest." [Narrated by Al-Bukhari and Muslim].</p>	
<p>Allah (ﷻ) said:</p> <p style="text-align: center;">﴿...فَاتَّقُوا اللَّهَ وَأَصْلِحُوا ذَاتَ بَيْنِكُمْ﴾</p> <p style="text-align: center;">"Fa Attaqū Allaha Wa 'Aşliḥū Dhāta Baynikum"</p> <p style="text-align: center;">(So fear Allah and amend that which is between you) [Al-'Anfāl: 1].</p>	

Text	Means
<p>Allah (ﷻ) said:</p> <p>﴿ يٰۤاَيُّهَا الَّذِيْنَ ءَامَنُوْا اِنْ جَاءَكُمْ فٰسِقٌ مِّنْ بَنِيّٰ فِتْيٰنٍ فَمَنْعُوْا اَنْ يُصِيبُوْا قَوْمًا يَّجْهَلُوْنَ فَنُصِِحُوْا عَلٰى مَا فَعَلْتُمْ نٰدِمِيْنَ ۝۶ ﴾</p> <p>“Yā'Ayyuhā Al-Ladhīna 'Āmanū 'In Jā'akum Fāsiqun Fāsiqun Binaba'iin Fatabayyanū 'An Tuṣībū Qawmāan Bijahālatin Fatuṣbiḥū `Alá Mā Fa`altum Nādimīn”</p> <p>(O you who have believed, if there comes to you a disobedient one with information, investigate, lest you harm a people out of ignorance and become, over what you have done, regretful.) [Al-Ĥujurāt: 6].</p>	
<p>The Prophet (ﷺ) said: “The strong man is not the one who is good at wrestling, but the strong man is the one who controls himself in a fit of rage.” [Narrated by Al-Bukhari and Muslim].</p>	

5) Behaviors that destroys cohesion among members of society:

Islam forbade certain deeds and behaviors that changes harmony among members of society into opposition and enmity. One of these is mocking and ridiculing others. Allah (ﷻ) said:

﴿يَتَأْتِيهَا الَّذِينَ ءَامَنُوا لَا يَسْخَرُونَ قَوْمٍ مِّن قَوْمٍ عَسَىٰ أَن يَكُونُوا خَيْرًا مِّنْهُمْ وَلَا نِسَاءٌ مِّن نِّسَاءٍ عَسَىٰ أَن يَكُنَّ خَيْرًا مِّنْهُنَّ﴾

“Yā ‘Ayyuhā Al-Ladhīna ‘Āmanū Lā Yaskhar Qawmun Min Qawmin `Asá ‘An Yakūnū Khayrāan Minhum Wa Lā Nisā’un Min Nisā’in `Asá ‘An Yakunna Khayrāan Minhunn”

(O you who have believed, let not a people ridicule [another] people; perhaps they may be better than them; nor let women ridicule [other] women; perhaps they may be better than them.) [Al-Ĥujurāt: 11].

Islam also prohibited backbiting because of the big damage it causes to the individual and society. Allah (ﷻ) said:

﴿...وَلَا يَغْتَب بَّعْضُكُم بَعْضًا أَيُحِبُّ أَحَدُكُمْ أَن يَأْكُلَ لَحْمَ أَخِيهِ مَيْتًا فَكَرِهْتُمُوهُ وَاتَّقُوا اللَّهَ إِنَّ اللَّهَ تَوَّابٌ رَّحِيمٌ﴾

“Wa Lā Yaghtab Ba ` dukum Ba ` dāan ‘Ayuhibbu ‘Aĥadukum ‘An Ya’kula Lahma ‘Akhīhi Maytāan Fakarihtumūhu Wa Attaqū Allaha ‘Inna Allāha Tawwābun Raĥīm”

(And do not backbite each other. Would one of you like to eat the flesh of his brother when dead? You would detest it. And fear Allah; indeed, Allah is Accepting of repentance and Merciful.) [Al-Ĥujurāt: 12]

I read and answer

The Messenger of Allah (ﷺ) said: "Do you know what backbiting is?" They said: "Allah and His Messenger know best." Thereupon he said: "Backbiting is when you talk about your brother in a manner which he does not like. It was said to him: What if what I say about my brother is true? He said: "If it is true, then you have backbitten him, and if it is not true, then you have slandered him." [Narrated by Muslim].

- What is the meaning of backbiting?

.....

.....

- Explain the damages caused by backbiting to the individual and to society:

In the Holy Qur'an for other acts and behaviors that were forbidden in Islam to maintain the unity and integrity of society.

C) Cohesion between the ruler and people:

The friendly relationship between the ruler and the people is a great basis for the cohesion of society. The ruler is a great blessing to society. He guards religion, preserves wealth, protects honors and unifies efforts. His presence is a guarantee for the prosperity, security and stability of the country

In the United Arab Emirates, under our wise leadership, we have made great achievements in all areas of life. The status of the Union has been established and wealth has been invested in developing human capital. The affairs of citizens have been at the top of the priorities and all residents in the country were treated well, thereby making the people of the UAE one of the happiest peoples in the world.

Obedience to the ruler is a religious duty. Allah (ﷻ) said

﴿يَا أَيُّهَا الَّذِينَ ءَامَنُوا أَطِيعُوا اللَّهَ وَأَطِيعُوا الرَّسُولَ وَأُولِيَ الْأَمْرِ مِنكُمْ﴾

“Yā ‘Ayyuhā Al-Ladhīna ‘Āmanū ‘Aṭī’ū Allaha Wa ‘Aṭī’ū Ar-Rasūla Wa ‘Ulī Al-‘Amri Minkum”

(O you who have believed, obey Allah and obey the Messenger and those in authority among you.) [An-Nisā’: 59].

We owe our rulers true love, support and supplications to Allah for their good and success. The Prophet (ﷺ) said: “The best of your rulers are those whom you love and who love you, who invoke God’s blessings upon you and you invoke His blessings upon them.” [Narrated by Muslim].

The close relationship between the ruler and the people in the United Arab Emirates is considered a good example to follow worldwide. This paternal bond was established during the days of the founder and builder Sheikh Zayed bin Sultan Al Nahyan (رحمتهُ اللهُ), and is still getting stronger by the day.

I cooperate and describe

LESSON 5

Prohibition of Frightening People

This lesson teaches me to:

- read the noble hadith properly.
- deduce the sanctity of the human soul in Islam.
- explain the prohibition of frightening and intimidating people.
- read the noble hadith properly by heart.

I take the initiative to learn:

Allah (ﷻ) said:

﴿ خُذِ الْعَفْوَ وَأْمُرْ بِالْعُرْفِ وَأَعْرِضْ عَنِ الْجَاهِلِينَ ﴿١٩٩﴾ وَإِمَّا يَنْزَغَنَّكَ مِنَ الشَّيْطَانِ نَزْغٌ فَاسْتَعِذْ بِاللَّهِ إِنَّهُ سَمِيعٌ عَلِيمٌ ﴿٢٠٠﴾ ﴾

I reflect and answer:

عَنْ أَبِي هُرَيْرَةَ رَضِيَ اللَّهُ عَنْهُ عَنْ رَسُولِ اللَّهِ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ يَقُولُ: «لَا يُشِيرُ أَحَدُكُمْ إِلَى أَخِيهِ بِالسَّلَاحِ، فَإِنَّهُ لَا يَدْرِي لَعَلَّ الشَّيْطَانَ يَنْزِعُ فِي يَدِهِ، فَيَقَعُ فِي حُفْرَةٍ مِنَ النَّارِ»

said: "None of (ﷺ) Abu Huraira (ﷺ) reported that the Messenger of Allah you should point at his brother with a weapon because he does not know that Satan may make it fall from his hand and, as a result, he may fall into a pit of Hell-fire (by accidentally killing him)" [Narrated by Al-Bukhari and .[Muslim

I understand the meanings of vocabulary of the hadith

The individual	Society
لَا يُشِيرُ	Should not point with the weapon or use it to scare others.
يَنْزِعُ	Tempt one to hit the other.
فَيَقَعُ فِي حُفْرَةٍ	Implying committing the sin which could lead him to the Fire.

I understand the significance of the noble hadith

In this hadith, the Messenger of Allah (ﷺ) instructs us not to assault people, even merely by pointing a weapon at them. We learn from the noble hadith the following:

Islam is the religion of peace:

One of the best names of Allah (ﷻ) is the Embodiment of Peace. Allah (ﷻ) ordered His servants to live the life of peace:

﴿يَا أَيُّهَا الَّذِينَ ءَامَنُوا ادْخُلُوا فِي السَّلَامِ كَافَّةً﴾

“Yā ‘Ayyuhā Al-Ladhīna ‘Āmanū Adkhulū Fī As-Silmi Kāffa”

(O you who have believed, enter into Islam completely.) [Al-Baqarah: 208].

In order to achieve peace, Islam preserved man's five necessities and prohibited everything that would affect them; it prohibited killing and every act which could promote hatred and malice, thereby leading to murder. Allah (ﷻ) said:

﴿مَنْ قَتَلَ نَفْسًا بِغَيْرِ نَفْسٍ أَوْ فَسَادٍ فِي الْأَرْضِ فَكَأَنَّمَا قَتَلَ النَّاسَ جَمِيعًا وَمَنْ أَحْيَاهَا فَكَأَنَّمَا أَحْيَا النَّاسَ جَمِيعًا﴾

“Man Qatala Nafsāan BighayriNafsin ‘Aw Fasādin Fī Al-‘Arđi Faka’annamā Qatala An-Nāsa Jamī`āan Wa Man ‘Ahyāhā Faka’annamā ‘Ahyā An-Nāsa Jamī`āa”

(whoever kills a soul unless for a soul or for corruption [done] in the land – it is as if he had slain mankind entirely. And whoever saves one – it is as if he had saved mankind entirely) [Al-Mā'idah: 32].

Abdullah bin Masood (رضي الله عنه) reported that the Messenger of Allah (ﷺ) said: "Defaming a Muslim is evil doing, and killing him is disbelief." [Narrated by Al-Bukhari and Muslim].

I read and specify

In the following hadith what indicates the keenness of Islam on building a friendly and stable society.

- The Prophet (ﷺ) said: "None of you should point at his brother with a weapon." [Narrated by Al-Bukhari].

I read and explain

The Prophet (ﷺ) said: "A Muslim is the one from whose tongue and hands the Muslims are safe; and a Muhajir (Emigrant) is the one who refrains from what Allah has forbidden." [Narrated by Ahmad].

- The meaning of the saying of the Prophet (ﷺ): "A Muslim is the one from whose tongue and hands the Muslims are safe".
- What the Muslim should observe when dealing with people.

The wisdom of prohibiting the pointing with a weapon:

The Prophet (ﷺ) instructed the Muslims not to point their weapons at others or raise them in their faces, even in jest. He (ﷺ) explained the reason for this by saying “because he does not know that Satan may make it fall from his hand”; i.e. he may injure the other with this weapon, or maybe the other will think that he wants to kill him and strikes him first. As such, the weapon will cause him to go to the Fire for killing others, and Satan will be happy for causing hostility between people.

I cooperate and determine

Examples of weapons which the Prophet (ﷺ) prohibited to pointed out:

I analyze and infer

The following from the hadith below:

- The Prophet (ﷺ) said: “It is not lawful for a Muslim to frighten a Muslim.” [Narrated by Abu Dawood].

The rule concerning frightening and intimidating people:

The reason:

Its relation to the main hadith of this lesson:

I read and deduce

The controls established by Islam to protect lives and maintain the security and stability of society:

Text	Control
<p>The Prophet (ﷺ) said: "Do not give your brother a drawn sword until you put it back into its sheath." [Narrated by Ahmad].</p>	
<p>The Prophet (ﷺ) said: "He who pointed a weapon towards his brother the angels invoke curse upon him even if he is his real brother so long as he does not abandon it." [Narrated by Muslim].</p>	
<p>The Prophet (ﷺ) said: "None of you should take his brother's staff, neither in play nor seriousness. Whoever took his brother's staff, then let him return it to him" [Narrated by Al-Tirmithi].</p>	

I think and remember

- How does the Muslim protect himself from temptation by Satan?

I think and compare

- In the following table between one who protects himself from temptations by Satan and one who succumb to such temptations:

Aspect	The one who protects himself from temptations by Satan	The one who succumbs to temptations by Satan
Worship of Allah (تعالى)		
Psychology		
Treatment of others		
Effect on his country		

The consequence of frightening others:

In many Qur'anic verses, Allah (تعالى) remind His servants of the Day of Judgment so that they do good deeds. Allah (تعالى) said:

﴿وَاتَّقُوا يَوْمًا تُرْجَعُونَ فِيهِ إِلَى اللَّهِ ثُمَّ تُوَفَّى كُلُّ نَفْسٍ مَّا كَسَبَتْ وَهُمْ لَا يُظْلَمُونَ﴾

“*Wa Attaqū Yawmāan Turja`ūna Fīhi `Ilā Allāhi Thumma Tuwaffá Kullu Nafsin Mā Kasabat Wa Hum Lā Yužlamūn*”

(*And fear a Day when you will be returned to Allah. Then every soul will be compensated for what it earned, and they will not be treated unjustly.*) [Al-Baqarah: 281].

If man has good deeds, then those good deeds were the result of his righteous heart and he will be rewarded for them. If man has bad deeds, then those deeds caused him every evil in this world and the Hereafter. Allah (تعالى) said:

﴿ وَمَا أَصَابَكُمْ مِنْ مُصِيبَةٍ فِيمَا كَسَبَتْ أَيْدِيكُمْ وَيَعْفُوا عَنْ كَثِيرٍ ﴾

“*Wa Mā ‘Aṣābakum Min Muṣībatin Fabimā Kasabat ‘Aydikum Wa Ya `fū `An Kathīr*”

(*And whatever strikes you of disaster - it is for what your hands have earned; but He pardons much.*) [Ash-Shūraā: 30].

This is what the Prophet (ﷺ) meant by “he may fall into a pit of Hell-fire” in the noble hadith; the reason for prohibiting pointing of weapons in the face of others is not to commit the sin that would lead its doer to the Fire.

I recite and find

Between the meaning of the noble hadith and the following Qur'anic verse:

- Allah (تعالى) said:

﴿ وَمَنْ يَعْمَلْ مِنَ الصَّالِحَاتِ وَهُوَ مُؤْمِنٌ فَلَا يَخَافُ ظُلْمًا وَلَا هَضْمًا ﴾

“Wa Man Ya`mal Mina Aṣ-Ṣāliḥāti Wa Huwa Mu`uminun Falā Yakhāfu Ḍulmāan Wa Lā Haḍmāa”

(But he who does of righteous deeds while he is a believer - he will neither fear injustice nor deprivation.) [Ṭāhā: 112].

LESSON 6

I am the Best of you to my Family

This lesson teaches me to:

- talk about the manners of the Messenger of Allah (ﷺ) when dealing with his family members.
- explain the role of the Messenger of Allah (ﷺ) in the stability of his family.
- infer the importance of family stability for a balanced society.

I take the initiative to learn:

Abdullah bin Buraidah reported that his father said: I saw the Messenger of Allah (ﷺ) delivering a sermon, and Hasan and Hussein came forward, wearing red shirts, stumbling and getting up again. The Prophet (ﷺ) stepped down, picked them up and put them in his lap. Then he said: Allah and His Messenger have spoken the truth: "Your wealth and your children are only a trial. I saw these two and I could not be patient. Then he resumed his sermon." [Narrated by Ibn Majah].

I reflect and answer:

- The motive which made the Prophet (ﷺ) interrupt his sermon and step down.

The significance of the saying of the Prophet (ﷺ): "I saw these two and I could not be patient".

I use my skills to learn

The relation of the Prophet (ﷺ) to his wives

The Prophet (ﷺ) was the best in dealing with his wives. He made them happy, because he knew how to deal with women, showing care and love and assisting in both worldly and religious matters. He said: "The most perfect of the believers in faith is the one with the best character among them. And the best of you are those who are best to your women." [Narrated by Al-Tirmithi]. Aisha (رضي الله عنها) was asked how the Messenger of Allah (ﷺ) behaved inside his house. She said: "He was the most generous and most flexible; he was a man just like you, but he used to laugh and smile a lot." [Ishaq's Musnad]. She was also asked: Did the Messenger of Allah (ﷺ) work in his house? She said: "Yes, the Messenger of Allah (ﷺ) mended his sandal, sewed his clothes and worked in his house just like anyone of you does in his house." [Narrated by Ahmad].

I read and deduce

- The causes of the success of the Messenger of Allah (ﷺ) in building a happy family.

Care by the Prophet (ﷺ) for his children

While studying the biography of the Prophet (ﷺ), one would see the noblest manifestation of fatherhood. Allah (تعالى) praised him for this by saying:

﴿وَلَقَدْ أَرْسَلْنَا رُسُلًا مِّن قَبْلِكَ وَجَعَلْنَا لَهُمْ أَزْوَاجًا وَذُرِّيَّةً﴾

“Wa Laqad ‘Arsalnā Rusulāan Min Qablīka Wa Ja`alnā Lahum ‘Azwājāan Wa Dhurrīyatan”

(And We have already sent messengers before you and assigned to them wives and descendants.) [Ar-Ra`d: 38].

The Prophet (ﷺ) performed in full his paternal duties towards his children, including caring, advising and directing. He used to check up on them and attend to their affairs. He is the role model for every father in dealing with their children.

Aysha (رضي الله عنها) said: “I never saw anyone more like the Messenger of Allah (ﷺ) in respect of gravity, calm deportment, pleasant disposition and speech than Fatimah (رضي الله عنها). When she came to visit him, he got up to welcome her, took her by the hand, kissed her and made her sit where he was sitting; and when he went to visit her, she got up to welcome him, took him by the hand, kissed him, and made him sit where she was sitting.” [Narrated by Abu Dawood].

I cooperate and explain

The ideal relationship between father and children, explaining its effect on the family and on society.

Duties of the father	Duties of children	Effect on the family and on society

Love by the Prophet (ﷺ) of his children

The Prophet (ﷺ) was the most merciful towards his children; he would kiss them, carry them in his hands, rejoice when they were born, choose the best names for them and feel very sad when they passed away. Anas bin Malik reported that the Prophet (ﷺ) came to his son Ibrahim when he was breathing his last. The eyes of the Messenger of Allah (ﷺ) began shedding tears. Abdur Rahman bin Auf (رضي الله عنه) said, "O Messenger of Allah, you too weep?" He (ﷺ) said, "O Ibn Auf! It is mercy." Then he began to weep and said, "The eyes are shedding tears and the heart is grieved, and we will not say except what pleases our Lord. O Ibrahim! Indeed we are grieved by your departure." [Narrated by Al-Bukhari].

Mercy is a sign of perfection of the heart. The more the relation of the father to his family members is based on mercy, love and tenderness, the happier that family becomes.

I think and expect

- The Messenger of Allah (ﷺ) wept for his son Ibrahim.

Teaching by the Prophet (ﷺ) of his grandchildren

The Prophet (ﷺ) was keen on raising his grandchildren and teaching them good manners. He is reported to have said: “Be kind to your children and perfect their manners.” [Narrated by Ibn Majah]. Furthermore, He (ﷺ) instructed and encouraged his grandchildren to do good deeds while they were young so that they get used to doing them. Al-Hasan bin Ali (رضي الله عنه) said: My grandfather, the Messenger of Allah (ﷺ), taught me some words to say in Qunut of Witr: “O Allah, pardon me along with those whom You have pardoned, be an ally to me along with those whom You are an ally to, guide me along with those whom You have guided, protect me from the evil that You have decreed, and bless for me that which You have bestowed. For verily You decree and none can decree over You. He whom You support can never be humiliated. Glory is to You, our Lord, You are Blessed and Exalted).” [Narrated by Ibn Majah].

I cooperate and explain

The effects of grandparents on the raising of children in the following fields:

Morals	
Human relations	
Heritage and traditions	
Education	

I read and deduce

From the following two hadiths other aspects of the relation of the Prophet (ﷺ) with his grandchildren:

- Abu Huraira (رضي الله عنه) said: The Prophet (ﷺ) kissed his grandson Al-Hasan bin Ali (رضي الله عنه) in the presence of Al-Aqra' bin Habis. Thereupon he remarked: "I have ten children and I have never kissed any one of them." The Messenger of Allah (ﷺ) looked at him and said, "He who does not show mercy to others will not be shown mercy." [Narrated by Al-Bukhari].

- Abu Qatada Al-Ansari (رضي الله عنه) said:

“I saw the Prophet (ﷺ) leading the people in prayer with Umama, daughter of Abu Al-‘As and Zainab, daughter of the Messenger of Allah (ﷺ), on his shoulder. When he bowed, he put her down, and when he got up after prostration, he lifted her again.” [Narrated by Muslim].

Happy family, happy society

Islam took care of the family, paid great attention to it, and laid down the sound foundations of the happy family, including understanding, cooperation and solidarity. This is because the family is the nucleus of society; the more cohesive the family is, with children living in harmony, happiness and joy, the happier society becomes.

I cooperate and explain

Psychological state	
Behavior

- The effect of family cohesion on society.

Indeed the companions of Paradise, that Day, will be amused in joyful occupation (55) They and their spouses - in shade, reclining on adorned couches. (59) Did I not enjoin upon you, O children of Adam, that you not worship Satan - for indeed, he is to you a clear enemy - (60) And that you worship only Me? This is a straight path. (61) And he had already led astray from among you much of creation, so did you not use reason? (62) This is the Hellfire which you were promised. (63) Enter to burn therein today for what you used to deny.” (64) That Day, We will seal over their mouths, and their hands will speak to Us, and their feet will testify about what they used to earn. (65) And if We willed, We could have obliterated their eyes, and they would race to find the path, and how could they see? (66) And if We willed, We could have deformed them, paralyzing them in their places so they would not be able to proceed, nor could they return. (67) And he to whom We grant long life We reverse in creation; so will they not understand? (68)[Surat Ya-Sin 55-68]

I understand the meaning of the verses

The verses covered a number of topics as follows:

The conditions of the righteous people in Paradise:

Allah (تعالى) prepared for the righteous people perpetual pleasures in Paradise where they will sit with their spouses in the shades of gardens, reclining on luxury couches and getting everything they wish for. The pleasures of Paradise are not similar to the pleasure of this world. Abu Huraira (رضي الله عنه) reported that the Messenger of Allah (ﷺ) said: "Allah (تعالى) said: "I have prepared for My pious servants things which have never been seen by an eye, heard by an ear, or imagined by a human being." Abu Huraira said: if you wish, you can recite this verse from the Holy Qur'an:

﴿ فَلَا تَعْلَمُ نَفْسٌ مَّا أُخْفِيَ لَهُم مِّن قُرَّةِ أَعْيُنٍ ﴾

"Falā Ta`lamu Nafsun Mā'Ukhfiya Lahum Min Qurrati 'A`yunin"

(And no soul knows what has been hidden for them of comfort for eyes.) [Narrated by Al-Tirmithi].

I understand the meaning of the verses

- The meaning of the saying of Allah

﴿سَلَامٌ قَوْلًا مِّن رَّبِّ رَحِيمٍ﴾

“Salāmun Qawlāan Min Rabbin Raḥīm”

(“Peace,” a word from a Merciful Lord.)

I recite and memorize

- Why the Holy Qur'an and the noble hadiths included description of the pleasure of Paradise.

Using one's mind:

Satan is the archenemy of man; he succeeded in tempting Adam (عليه السلام) and getting him out of Paradise down to this earth, and he promised to lead astray the offspring of Adam so that they do not return to Paradise. Therefore, Allah (تعالى) has enjoined upon the children of Adam not to obey Satan. Wise people do not follow their enemy, but rather use their mind to think of the right way which they must follow. Those who follow Satan have certainly sustained a clear loss and deserve to end up in the Fire, and on the Day of Judgment all their senses will testify to the sin they committed.

This world is transitory

No matter how long man's life in this world is, he will die. When born, he is weak; he gets stronger in his youth; and then becomes weak again in his old age. Therefore, man should not forget his share of the pleasure of this world, but at the same time be keen on doing things that bring him closer to the eternal pleasures of Paradise.

Abdullah bin Abbas (رضي الله عنه) reported that the Messenger of Allah (ﷺ) said to a man while preaching him: "Take advantage of five before five: your youth before your old age, your health before your illness, your riches before your poverty, your free time before your work, and your life before your death". [Narrated by Al-Hakem].

The students gathered on Saturday morning to go on a trip organized by the school administration. They were happy and excited. However, they noticed two students who wore strange clothes and had bizarre haircuts. Some students tried to advise those two to wear the national attire, but they refused and said: “this is our own business”. This resulted in a kind of argument and dispute between the two sides. Therefore, they went to the Islamic education teacher, who said: remember first, young men, the saying of Allah (تعالى):

﴿ ادْعُ إِلَى سَبِيلِ رَبِّكَ بِالْحِكْمَةِ وَالْمَوْعِظَةِ الْحَسَنَةِ وَجَدِلْهُمْ بِالَّتِي هِيَ

(Invite to the way of your Lord with wisdom and good instruction, and argue with them in a way that is best. Indeed, your Lord is most knowing of who has strayed from His way, and He is most knowing of who is rightly guided.) [An-Naĥl: 125].

عَنْ حذيفة بن اليمان رَضِيَ اللهُ عَنْهُ أَنَّ النَّبِيَّ صَلَّى اللهُ عَلَيْهِ وَسَلَّمَ قَالَ:

«لَا تَكُونُوا إِمْعَةً، تَقُولُونَ: إِنْ أَحْسَنَ النَّاسُ أَحْسَنَّا، وَإِنْ ظَلَمُوا ظَلَمْنَا، وَلَكِنْ وَطِّنُوا أَنْفُسَكُمْ، إِنْ أَحْسَنَ النَّاسُ أَنْ تُحْسِنُوا، وَإِنْ أَسَاءُوا فَلَا تَظْلِمُوا». (رواهُ الترمذِيُّ)

Huthaifah bin Al-Yaman (رضي الله عنه) reported that the Messenger of Allah (صلى الله عليه وسلم) said: "Do not let yourselves be yes-men and say: "If the people are good then we will be good, and if they are wrong then we will be wrong. Rather, make up your own minds, if the people are good then you are good, and if they are evil, then do not behave unjustly." [Narrated by Al-Tirmithi].

إِمْعَةً	A person who acts wrongly in imitation of others.
وَطِّنُوا أَنْفُسَكُمْ	Think and choose the right think.

I understand the significance of the noble hadith

The noble hadith included instructions by the Prophet (صلى الله عليه وسلم) which could be summarized as follows:

The believer has an independent personality:

Allah (تعالى) honored man by letting him bear the Trust and bestowed upon him many gifts, of which the greatest is the mind which enables

man to think of what he sees or hears. Allah (تعالى) addressed man in the Holy Qur'an using the language of the wise by saying: ﴿لِقَوْمٍ يَعْقِلُونَ﴾ "Liqa'wmin Ya`qilūn" (for a people who use reason), ﴿يَتَأُولَى الْأَلْبَابِ﴾ "Yā 'Uḻī Al-'Albāb" (O you people of understanding), ﴿أَفَلَا تَتَفَكَّرُونَ﴾ "Afalā Tatafakkarūn" (Then will you not give thought), ﴿أَفَلَا يَنْظُرُونَ﴾ "Afalā Yanžurūn" (Then do they not look), etc. This makes the servant use their mind, have his independent personality and opinion and distinguish between right and wrong, or truth and falsehood, without being an imitator of others. The Prophet (ﷺ) forbade blind imitation by saying "If the people are good then we will be good, and if they are wrong then we will be wrong."

Censured imitation means following others without having any logical or tangible supporting evidence. This is the imitation which was censured by Allah (تعالى) and His Prophet (ﷺ). Allah (تعالى) said:

﴿وَلَقَدْ ذَرَأْنَا لِجَهَنَّمَ كَثِيرًا مِّنَ الْجِنِّ وَالْإِنسِ لَهُمْ قُلُوبٌ لَا يَفْقَهُونَ بِهَا وَلَهُمْ أَعْيُنٌ لَا يُبْصِرُونَ بِهَا وَلَهُمْ أُذُنٌ لَا يَسْمَعُونَ بِهَا أُولَئِكَ كَالْأَنْعَامِ بَلْ هُمْ أَضَلُّ أُولَئِكَ هُمُ الْغَافِلُونَ﴾

"Wa Laqad Dhara'nā Lijahannama Kathīrāan Mina Al-Jinni Wa Al-'Insi Lahum Qulūbun Lā Yafqahūna Bihā Wa Lahum 'A`yunun Lā Yubshirūna Bihā Wa Lahum 'Ādhānun Lā Yasma`ūna Bihā 'Ulā'ika Kāl'an`āmi Bal Hum 'Adallu 'Ulā'ika Humu Al-Ghāfilūn"

(And We have certainly created for Hell many of the jinn and mankind. They have hearts with which they do not understand, they have eyes with which they do not see, and they have ears with which they do not hear. Those are like livestock; rather, they are more astray. It is they who are the heedless.) [Al-'A`raf: 179].

Following good deeds and renouncing evil ones:

The Messenger of Allah (ﷺ) instructs us in the noble hadith to use our minds to judge the acts of others before we accept or reject them. If those acts were good ones, we accept and follow them. If they were evil ones, we reject and avoid them. The Prophet (ﷺ) said: “if the people are good then you are good, and if they are evil, then do not behave unjustly”. The Muslim who applies this instruction will be rewarded in this world and in the Hereafter; he will be respected and have a higher status in this world because he is doing good to people, and he will get a great reward from Allah (تعالى) in the Hereafter because he did good deeds when other people did evil and unjust ones.

“Lā Yu’uākhidhukumu Allāhu Bil-Laghwi Fī ‘Aymānikum Wa Lakin Yu’uākhidhukum Bimā `Aqqadtumu Al-’Īmān”

(Allah will not impose blame upon you for what is meaningless in your oaths, but He will impose blame upon you for breaking what you intended of oaths.) [Al-Mā'idah: 89].

He (سبحانه وتعالى) also said:

﴿وَمَا أَنْفَقْتُمْ مِنْ نَفَقَةٍ أَوْ نَذَرْتُمْ مِنْ نَذْرٍ فَإِنَّ اللَّهَ يَعْلَمُهَا. وَمَا لِلظَّالِمِينَ مِنْ أَنْصَارٍ﴾

“Wa Mā ‘Anfaqtum Min Nafaqatin ‘Aw Nadhartum Min Nadhrin Fa’inna Allāha Ya`lamuhu Wa Mā Lilẓẓālimīna Min ‘Anṣār”

I cooperate and explain

- The meaning of the first verse.

.....

- The meaning of the second verse.

.....

- The relation between the oath and the vow.

.....

I use my skills to learn

An oath can be made only by swearing by the name of Allah (تعالى) or by one of His qualities:

Abdullah bin Omar (رضي الله عنه) reported that the Messenger of Allah (ﷺ) passed by Omar bin Al-Khattab among riders. Omar was swearing by his father. The Messenger of Allah (ﷺ) said: "Allah has prohibited you from swearing by your fathers. He who must take an oath may do so by swearing by the Name of Allah or he should remain silent." [Narrated by Al-Bukhari].

So, the Muslim may not take an oath by swearing other than by Allah (تعالى). It is also disliked for the Muslim to swear other by Allah even if it is not intended as an oath.

I think and explain

- Swearing other than by the name of Allah (تعالى) does not constitute an oath.

Dislike of excessive oaths:

Islam forbade taking oaths a lot in all dealings among people, especially when selling and buying. Allah (تعالى) said:

﴿وَلَا تَجْعَلُوا اللَّهَ عُرْضَةً لِأَيْمَانِكُمْ﴾

“*Wa Lā Taj`alū Allaha `Urdatan Li`ymānikum*”

(And do not make your oath by Allah an excuse) [Al-Baqarah: 224].

Further, it is established that the Prophet (ﷺ) said: “Beware of taking oaths a great deal when selling, for it may help you to make a sale but it destroys the blessing.” [Narrated by Muslim].

- Swearing other than by the name of Allah (تعالى) does not constitute an oath.

.....

.....

.....

.....

Oath types:

1 Oaths for which we are not blamed

- Unintended oath: when the Muslim takes an oath concerning something which he believes to be true and then finds out it is not, or when the person taking the oath does not intend it as an oath. The Prophet (ﷺ) said: "It is man's speech in his house: No, by Allah, and Yes, by Allah." [Narrated by Abu Dawood].

2 Oaths for which we are blamed (intended oaths)

- Taking an oath to commit a sin, such as cutting off the ties of kinship. The Prophet (ﷺ) said: "Whoever takes an oath to cut off the ties of kinship, or to do something that is not right, the fulfillment of his oath is not to do that." [Narrated by Ibn Majah].
- If man takes an oath to do something that is permitted, and then finds something better, he may disregard the first and do the second, provided he makes an expiation for the oath. The Prophet (ﷺ) said: "Verily, I swear by Allah, if Allah wills, I shall not swear to do something but that if I consider something else to be better than it, then I shall make expiation for my oath and adopt the thing that is better." [Narrated by Al-Bukhari].

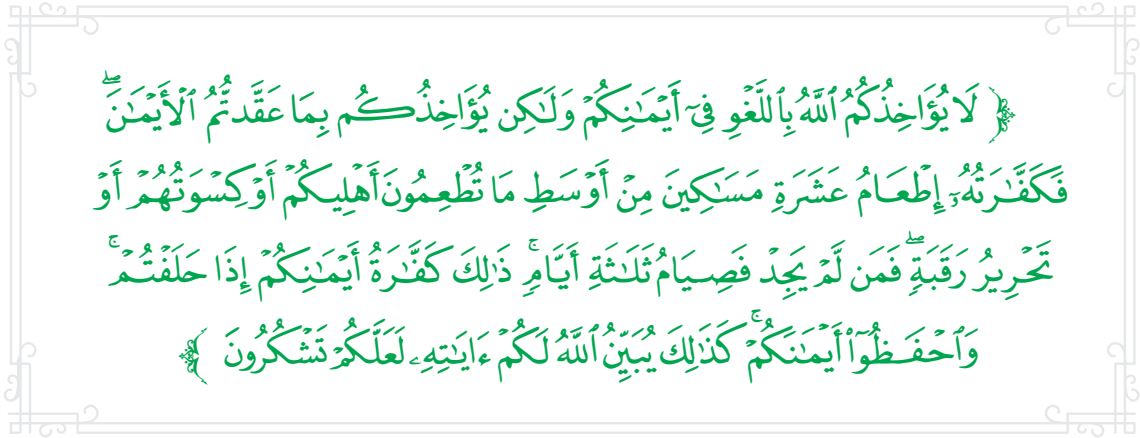

I understand and infer

From the following verse what is below:

Allah (تعالى) said:

“Lā Yu’uākhidhukumu Allāhu Bil-Laghwi Fī ‘Aymānikum Wa Lakin Yu’uākhidhukum Bimā `Aqqadtumu Al-‘Īmāna Fakaffāratuhu~ ‘Iṭ`āmu `Asharati Masākīna Min ‘Awsaṭi Mā Tuṭ`imūna ‘Ahlīkum ‘Aw Kiswatuhum ‘Aw Tah̄rīru Raqabatin Faman Lam Yajid Faṣiyāmu Thalāthati ‘Ayyāmin Dhālika Kaffāratu ‘Aymānikum ‘Idhā Ḥalaftum Wa Ah̄faẓū ‘Aymānakum Kadhālika Yubayyinu Allāhu Lakum ‘Āyātihi La`allakum Tashkurūn”

(Allah will not impose blame upon you for what is meaningless in your oaths, but He will impose blame upon you for breaking what you intended of oaths. So its expiation is the feeding of ten needy people from the average of that which you feed your own families or clothing them or the freeing of a slave. But whoever cannot find or afford it - then a fast of three days is required. That is the expiation for oaths when you have sworn. But guard your oaths. Thus does Allah make clear to you His verses that you may be grateful.) [Al-Mā'idah: 89].

3 Oaths for which we are punished

This is the false oath. It is a major sin for which there is no expiation other than repentance. Imam Malik (رحمهُ اللهُ): "As for the one who swears to a thing which he knows is wicked, and he swears to a lie he knows to be a lie, in order to please someone with it or to excuse himself to someone by it or to gain money by it, no expiation that he does for it can cover it." Vows

The concept of the vow

A vow is when a Muslim undertakes to perform a worship act, such as prayer, fasting, charity or righteous act, for Allah (تعالى) in the future with the aim of getting closer to Allah (تعالى) and bringing benefits to others. Allah (تعالى) said about the qualities of believers:

يُوفُونَ بِالنَّذْرِ وَيَخَافُونَ يَوْمًا كَانَ شَرُّهُ مُسْتَطِيرًا ﴿٧﴾

“Yūfūna Bin-Nadhri Wa Yakhāfūna Yawmāan Kāna Sharruhu Mustaṭīrāa”

(They are those who fulfill their vows and fear a Day whose evil will be widespread.)

[Al-'Insān: 7]

Types of vows

- infer that confronting challenges is the best battle.

I take the initiative to learn

The Muslims fought battles against invaders to defend Madinah. They achieved victory in some battles and were defeated in others. Allah (تعالى) said:

لَقَدْ نَصَرَكُمُ اللَّهُ فِي مَوَاطِنَ كَثِيرَةٍ وَيَوْمَ حُنَيْنٍ إِذْ أَعْجَبْتَكُمْ
كَثَرْتُمْ فَلَئِمَّ تَغْنِي عَنْكُمْ شَيْئًا وَضَاقَتْ عَلَيْكُمُ الْأَرْضُ بِمَا
رَحَبَتْ ثُمَّ وَلَّيْتُم مُّدْبِرِينَ

“Laqad Naşarakumu Allāhu Fī Mawāṭina Kathīratin Wa Yawma Ḥunaynin ‘Idh A`jabatkum Kathratukum Falam Tughni `Ankum Shay`āan Wa Ḍāqat `Alaykumu Al-`Arḍu Bimā Raḥubat Thumma Wallaytum Mudbirīn”

(Allah has already given you victory in many regions and even on the day of Hunayn, when your great number pleased you, but it did not avail you at all, and the earth was confining for you with its vastness; then you turned back, fleeing.) [At-Tawbah: 25].

Causes of victory	Causes of defeat

The Battle of Hunayn:

- **Causes:** to defend Makkah against plots by neighboring tribes (Hawazen and Thaqif)
- **Location:** a valley named Hunayn, located 20 km from Makkah.
- **Time:** two weeks after the conquest of Makkah in the eighth year after Hijra.
- **March:** from Makkah, unlike other battles in which the Muslims marched from Madinah.
- **Key feature :** last battle which the Muslims fought with the Prophet (ﷺ).
- **Number of Muslims:** 12,000 troops, enemy: 4,000 troops.
- **Result:** Signs of defeat, then holding fast, and then victory by Allah.

I compare and infer

Through the following two verses the differences between the Battle of Badr and the Battle of Hunayn:

- Allah (تعالى) said:

“Wa Laqad Naṣarakumu Allāhu Bibadrin Wa ‘Antum ‘Adhilla”

(And already had Allah given you victory at the battle of Badr while you were few in number.) [‘Alī `Imrān: 123].

- Allah (تعالى) said:

“Wa Yawma Ḥunaynin ‘Idh ‘A`jabatkum Kathratukum Falam Tughni `Ankum Shay`aan”

(and even on the day of Hunayn, when your great number pleased you, but it did not avail you at all) [At-Tawbah: 25].

The flaw of vanity

Allah (تعالى) says about the cause of the Muslim's defeat at the beginning of the battle:

﴿إِذْ أَعْجَبَتْكُمْ كَثْرَتُكُمْ فَلَمْ تُغْنِ عَنْكُمْ شَيْئًا﴾

“*Idh ‘A`jabatkum Kathratukum Falam Tughni `Ankum Shay’āan*”

(*when your great number pleased you, but it did not avail you at all*).

So, the Muslims felt some vanity when they saw their big numbers, and some of them said: “we will not be defeated today by a small force”; they thought that victory is achieved by numbers.

Another concept of battles

The concept of battles has expanded in our time according to the reality of the individual and societies. Battles no longer mean just fighting, but they have taken many forms, including confronting the challenges by dealing with them wisely. We have learned from our leader Sheikh Zayed bin Sultan Al Nahyan (طَيِّبَ اللَّهُ ثَرَاهُ) that jihad does not mean only war and fighting; it means real struggle in daily life, in human interaction with people, and in one's behavior with his family and children.

The importance of health in Islam:

Good health is one of the greatest gifts given by Allah (تعالى) to man. It is one of the reasons for his happiness in this world. It enables man to worship his Lord, bring benefits to himself and his family and serve his country. Those who are healthy enjoy a great gift. The Prophet (ﷺ) said: "Whosoever begins the day feeling family security and good health, and possessing provision for his day is as though he possessed the whole world." [Narrated by Al-Tirmithi].

Maintaining one's health is one of the key purposes of Islamic Sharia and an instruction by our Messenger (ﷺ) who said: "Ask Allah for forgiveness and good health, for verily, none has been given anything better than good health." [Narrated by Al-Tirmithi].

I think and explain

The following from the hadith below:

The Messenger of Allah (ﷺ) said: “The first thing that one - meaning the servant - will be asked about on the Day of Judgment is that it will be said to him: ‘Did We not make your body, health, and give you of cool water to drink?’”[Narrated by Al-Tirmithi].

Manifestations of Islam's care for the prevention of diseases:

Islam paid big attention and special care to people's health and established rules that help maintain their health and protect them from diseases. These include the following:

A) Encouraging cleanliness and purity

Purity means removal of moral and material impurities, both external and internal. Islam instructed us to maintain purity in both senses as follows:

1) Islam encouraged material purity of man's body and environment:

the Muslim performs partial ablution (wudu) five times every day, and his prayers are not acceptable without purity. The Prophet (ﷺ) said: "Prayers will not be accepted without purification." [Narrated by Muslim]. Further, the Muslim wears his best and purest clothes, in accordance with the saying of Allah (تعالى):

﴿يَبْنَىِٔ ءَادَمَ خُذُوا زِينَتَكُمْ عِنْدَ كُلِّ مَسْجِدٍ﴾

"Yā Banī 'Ādama Khudhū Zīnatakum `Inda Kulli Masjid"

(O children of Adam, take your adornment at every masjid) [Al-'A`rāf: 31].

"At every masjid" means at every prayer. He also takes care of the cleanliness of his mosque and home. The Prophet (ﷺ) said: "Clean your yards." [Narrated by Al-Tabarani].

Islam also encouraged Muslims to keep their hands clean and wash them after eating and before going to bed. The Prophet (ﷺ) said: "If anyone spends the night with grease on his hand which he has not washed away, he can blame only himself if some trouble comes to him." [Narrated by Abu Dawood].

Grease is the fat of meat. Washing one's hand before going to bed helps avoid harm by insects which might be attracted to the smell of food.

The Prophet (ﷺ) instructed us to keep our mouth and teeth clean. He (ﷺ) said: "The Siwak is a means of purification for the mouth and it is pleasing to the Lord," [Narrated by Al-Bukhari]. The siwak rids the mouth from many germs that feed on stuck food between the teeth and produce acids that affect the mouth and its smell.

I read and deduce

From the following noble hadith the relation between purity and faith.

- The Messenger of Allah (ﷺ) said: "Purity is half of faith." [Narrated by Muslim].

2) **Islam encouraged purity of the heart from moral impurities**, such as stinginess, envy and hatred. The Prophet (ﷺ) used to supplicate to Allah (تعالى) by saying: “O Allah, cleanse me of my sins as a white garment is cleansed from filth; O Allah, wash away my sins with water and snow and hail.” [Narrated by Al-Bukhari].

This purity is a path to Paradise. Anas bin Malik (رضي الله عنه) said: “We were sitting with the Messenger of Allah (ﷺ) when he said: “A man from the people of Paradise will pass by now.” A man from Al-Ansar passed by. Abdullah bin Amr bin Al-Aas followed and observed him closely. He found that the man did not pray or fast a great deal. So, he asked him. The man said: I do nothing other than what you saw. However, I do not cheat anybody, and I do not envy anybody for what Allah has given them. [Narrated by Ahmad].

I analyze and infer

One civilizational means for preventing psychological diseases based on the following statement:

- Founder of the Union, Sheikh Zayed bin Sultan Al Nahyan (رحمة الله) said: "Work therapy is the most recent means for curing psychological diseases and overcoming the problems that face contemporary man".

B) The call for having enough rest and sleep

Islam prohibited everything that harms the body and encouraged the Muslim to take care of his body and avoid exhausting it with work, hunger or lack of sleep, even for performing worship acts. Abdullah bin Amr bin Al-Aas (رضي الله عنه) said: the Prophet (ﷺ) said to me: "I have been informed that you stand for prayer all night and fast during the day." I said: "I do that." He said: "If you do that, it strains your eyes and makes you weak. There is a right of yourself upon you and a right of your family upon you. Stand for prayer and sleep, and fast and break the fast." [Narrated by Al-Bukhari].

It also prohibited exhausting oneself. Anas (رضي الله عنه) reported that the Messenger of Allah (ﷺ) entered the mosque and noticed a rope stretched between two poles. He asked: "What is this rope for?" He was told: "This is Zainab's rope. When during her voluntary prayer she begins to feel tired, she grasps it for support". The Prophet (ﷺ) said: "Untie it. You should perform prayers so long as you feel active. When you feel tired, you should go to sleep." [Narrated by Al-Bukhari and Muslim].

I think and discuss

The following acts with the explanation:

- A student stays up late to study the night before the exam and does not have enough sleep.

C) The order to eat and drink moderately without excess

Islam instructed us to be moderate. Allah (تعالى) said:

﴿وَكُلُوا وَاشْرَبُوا وَلَا تُسْرِفُوا إِنَّهُ لَا يُحِبُّ الْمُسْرِفِينَ﴾

“*Wa Kulū Wa Ashrabū Wa Lā Tusrifū ‘Innahu Lā Yuḥibbu Al-Musrifīn*”

(and eat and drink, but be not excessive. Indeed, He likes not those who commit excess.) [Al-'A`rāf: 31].

The Prophet (ﷺ) said: “A few morsels that keep man's back upright are sufficient for him. If he has to, then he should keep one-third for food, one-third for drink and one-third for his breathing.” [Narrated by Al-Tirmithi].

I think and determine

- The purpose of eating and drinking according to the above hadith.

I take the initiative to learn

Behaviors	Results
Overeating sweets.
Overconsuming soft drinks.
Not drinking enough water every day.
Having balanced meals.

D) Prohibiting all foods, drinks and behaviors that are detrimental for health

The Holy Qur'an referred on several occasions to selecting good foods and drinks. Allah (ﷻ) said:

“Yas’alūnaka Mādha ‘Uḥilla Lahum Qul ‘Uḥilla Lakumu Aṭ-Ṭayyibāt”

(They ask you, O Mohammad, what has been made lawful for them. Say, “Lawful for you are all good foods) [Al-Mā’idah: 4].

It prohibited some harmful foods that transfer infections and are dangerous for the life of man, such as eating dead animals, blood and flesh of swine.

Allah (تعالى) said:

﴿حُرِّمَتْ عَلَيْكُمُ الْمَيْتَةُ وَالْدَّمُ وَلَحْمُ الْخِنْزِيرِ وَمَا أُهْلَ لِغَيْرِ اللَّهِ بِهِ وَالْمُنْخَنِقَةُ

“Ḥurrimat `Alaykumu Al-Maytatu Wa Ad-Damu Wa Laḥmu Al-Khinzīri Wa Mā `Uhillā Lighayri Allāhi Bihi Wa Al-Munkhaniqatu Wa Al-Mawqūdhātu Wa Al-Mutaraddiyatu Wa An-Naṭīḥātu Wa Mā `Akala As-Sabu`u `Illā Mā Dhakkaytum Wa Mā Dhubiḥa `Alā An-Nuṣubi Wa `An Tastaqsimū Bil-`Azlāmi Dhālikum Fisq”

(Prohibited to you are dead animals, blood, the flesh of swine, and that which has been dedicated to other than Allah, and those animals killed by strangling or by a violent blow or by a head-long fall or by the goring of horns, and those from which a wild animal has eaten, except what you are able to slaughter [before its death], and those which are sacrificed on stone altars, and [prohibited is] that you seek decision through divining arrows. That is grave disobedience.) [Al-Mā'idah: 3].

- Islam prohibited wine and other things which fall under the same rule, such as drugs. The Prophet (ﷺ) said: “Every intoxicant is wine, and every wine is forbidden.” [Narrated by Muslim]. Hence, it protected Muslims from the health dangers of wines and drugs.
- Avoiding smoking helps maintain one's health. It has been medically established – by the World Health Organization and other institutions – that smoking is harmful for the smoker and other around him. Therefore, man must avoid it to maintain the gifts of health and money, and to preserve his life. The Prophet (ﷺ) said: “There should be neither harming nor reciprocating harm” [Narrated by Ibn Majah].

F) The order to use medical treatment for preventing and curing illnesses

Our religion encouraged us to seek medical treatment when we fall ill. Osamah bin Sharik (رضي الله عنه) reported that some Bedouins asked: “O Messenger of Allah, shall we use medical treatment?” He said: “Yes, O worshipers of Allah! Use medical treatment. For indeed, Allah did not make a disease but He made a cure – or treatment - for it.” [Narrated by Al-Tirmithi].

This hadith shows that using medical treatment is permitted, and that medicines are useful with the will of Allah (تعالى). It also shows that it is permissible to take medical treatment as a precaution against the disease and to protect one’s health, which is the pillar of life. If man sees the symptoms and fears falling ill, he may stop the symptoms by taking the appropriate medicine.

G) The order to avoid places where infectious diseases are spread

Islam is keen on preventing the spread of diseases when they occur and curbing infectious diseases and eliminating them in their place before they spread and harm the largest number of people. The Prophet (ﷺ) said: "If you learn about the outbreak of plague in a land, you should not enter it; but if it spreads in the land where you are, you should not depart from it." [Narrated by Al-Bukhari].

When our master Omar bin Al-Khattab (رضي الله عنه) set out for the Levant, he was informed that an epidemic had broken out in the Levant. So, when he decided to go back, Abu Obaidah said: "Are you going to run away from the Divine Decree?" Thereupon Omar (رضي الله عنه) said: "O Abu Obaidah! Had it been someone else to say this. Yes, we are running from the Divine Decree to the Divine Decree." [Narrated by Al-Bukhari and Muslim].

The Prophet (ﷺ) ordered us to avoid factors that help spread infectious diseases; he (ﷺ) said: "A man with sick camels should not let them graze or drink alongside healthy ones." [Narrated by Al-Bukhari].

Healthcare in the United Arab Emirates

Since its inception, the UAE has paid special attention to healthcare, establishing hospitals and providing them with qualified medical personnel and advanced equipment in accordance with the highest international standards.

It also adopted a policy of providing comprehensive health care and established preventive medicine centers in all emirates that have provided preventive programs through school health programs, maternal and child healthcare, and health education.

As a result of the availability of vaccines and primary care, there has been a decline in the incidence of serious life-threatening diseases among children, polio was eradicated and average life expectancy became higher. Thus, the UAE has ranked high globally in healthcare and continues to place health as one of its priorities in the 2021 National Agenda to achieve higher levels.

In the Name of Allah, the Most Gracious, the Most Merciful

And We did not give Prophet Mohammad, knowledge of poetry, nor is it befitting for him. It is not but a message and a clear Qur'an (69) To warn whoever is alive and justify the word against the disbelievers. (70) Do they not see that We have created for them from what Our hands have made, grazing livestock, and then they are their owners? (71) And We have tamed them for them, so some of them they ride, and some of them they eat. (72) And for them therein are other benefits and drinks, so will they not be grateful? (73) But they have taken besides Allah false deities that perhaps they would be helped. (74) They are not able to help them, and they themselves are for them soldiers in attendance. (75) So let not their speech grieve you. Indeed, We know what they conceal and what they declare. (76) [Surat Ya-Sin 69-76]

I think of the meanings of Qur'anic vocabulary

Vocabulary	Meaning
وَمَا يَنْبَغِي لَهُ Wa Mā Yanbaghī Lahu	It is not befitting for him.
مِمَّا عَمِلَتْ أَيْدِينَا Mimmā `Amilat `Aydīnā	We created them without assistance from anybody.
أَنْعَامًا 'An`āmāan	Camels, cows, goats and sheep.
وَذَلَّلْنَاهَا Wa Dhallalnāhā	Made them subject to man.
وَهُمْ لَهُمْ جُنْدٌ مُّحْضَرُونَ Wa Hum Lahum Jundun Muḥḍarūn	Deniers are followers of their gods in this world.

I understand the meaning of the verses

The verses covered a number of topics as follows:

First: proving the truth of the message of the Prophet (ﷺ):

Allah (تعالى) replied to those denying him, and to their claim that the Messenger of Allah (ﷺ) was a poet and that the Holy Qur'an was poetry, by stressing that Allah (تعالى) had not taught His Messenger (ﷺ) poetry, and it is not befitting for the one who carries the message to be a poet. Poetry involves human thoughts and emotions that change from time to time. The Holy Qur'an, on the other hand, is a revelation from Allah (تعالى) and it is full of wisdom and advice; it is a clear life path for those who think and reflect on it with a live heart and conscious insight.

I classify and contrast

Between the Holy Qur'an and poetry by putting each quality in its proper place:

Its source is Allah (تعالى) – Human thoughts and emotions – Does not change according to whims – Guidance revealed from heaven – yearnings going up from the earth – changes according to whims.

The Holy Qur'an	Poetry

I cooperate and explain

Allah (تعالى) said:

﴿لِيُنذِرَ مَنْ كَانَ حَيًّا وَيَحِقَّ الْقَوْلُ عَلَى الْكَافِرِينَ﴾

"Liyundhira Man Kāna Ḥayyāan Wa Yaḥiqqa Al-Qawlu `Alá Al-Kāfirīn"

(To warn whoever is alive and justify the word against the disbelievers.).

- The meaning of the saying of Allah (تعالى)

﴿لِيُنذِرَ مَنْ كَانَ حَيًّا﴾

“*Liyundhira Man Kāna Ḥayyāan*”

(*To warn whoever is alive*).

- The quality of the heart which benefits from the Holy Qur'an, remembrance of Allah and lessons.
- How do I benefit from the Holy Qur'an in my life?

Second: Evidence of the oneness of Allah (تعالى)

Allah (تعالى) replied to those denying him, and to their claim that the In these verses, Allah (تعالى) reminds people of some of His gifts which He bestowed upon them, including the gift of livestock. Man did not make livestock; rather, Allah (تعالى) created them for him and made them subject to him, and so he owned, disposed of and benefitted from them.

I analyze and answer

Allah (تعالى) said:

﴿أَوَلَمْ يَرَوْا أَنَّا خَلَقْنَا لَهُمْ مِمَّا عَمِلَتْ أَيْدِينَا أَنْعَمًا فَهُمْ لَهَا مَالِكُونَ ﴿٧١﴾
 وَذَلَّلْنَاهَا لَهُمْ فَمِنْهَا رَكُوبُهُمْ وَمِنْهَا يَأْكُلُونَ ﴿٧٢﴾ وَهُمْ فِيهَا مَنَّاعٌ وَمَشَارِبٌ أَفَلَا
 يَشْكُرُونَ ﴿٧٣﴾﴾

“*Awalam Yaraw ‘Annā Khalaqnā Lahum Mimmā `Amilat ‘Aydīnā ‘An`āmāan Fahum Lahā Mālikūn (71) Wa Dhallalnāhā Lahum Faminhā Rakūbuhum Wa Minhā Ya`kulūn (72) Wa Lahum Fihā Manāfi`u Wa Mashāribu ‘Afalā Yashkurūn (73)*”

(Do they not see that We have created for them from what Our hands have made, grazing livestock, and then they are their owners? (71) And We have tamed them for them, so some of them they ride, and some of them they eat. (72) And for them therein are other benefits and drinks, so will they not be grateful? (73)).

- The saying of Allah (تعالى) ﴿مَنَّاعٌ﴾ - “*Manāfi`u*” (benefits) refers to other benefits of these livestock. Enumerate as many as you can of these benefits.

- State the implication of the skeptical question in the saying of Allah (تعالى)

أَفَلَا يَشْكُرُونَ

'Afalā Yashkurūn"

(so will they not be grateful?).

- How do we thank Allah (تعالى) for the gift of animals?

Third: The stance of the deniers regarding the evidence of the oneness and power of Allah (تعالى)

The deniers learned nothing from the evidence of the oneness of Allah (تعالى) and did not thank Him for His gifts. Instead, they disobeyed Him, adopted along with Him other gods which they made by their own hands and started serving and worshipping them despite their inability to bring benefits to them or defend them against damage.

I reflect and explain

Allah (تعالى) said:

﴿وَاتَّخَذُوا مِنْ دُونِ اللَّهِ آلِهَةً لَعَلَّهُمْ يُنصَرُونَ ﴿٧٤﴾ لَا يَسْتَطِيعُونَ

يُسْرُونَ وَمَا يُعْلِنُونَ ﴿٧٦﴾﴾

“*Wa Attakhadhū Min Dūni Allāhi ‘Ālihatan La` allahum Yunṣarūn (74) Lā Yastaṭī`ūna Naṣrahum Wa Hum Lahum Jundun Muḥḍarūn (75) Falā Yaḥzunka Qawluhum ‘Innā Na`lamu Mā Yusirrūna Wa Mā Yu`linūn (76)*”

(But they have taken besides Allah false deities that perhaps they would be helped. (74) They are not able to help them, and they themselves are for them soldiers in attendance. (75) So let not their speech grieve you. Indeed, We know what they conceal and what they declare. (76)).

- The stance of the deniers of Allah (تعالى) concerning the gifts which He bestowed upon them.

- The causes that push man towards denying the gifts of Allah (تعالى).

- The implication of the saying of Allah (تعالى)

﴿فَلَا يَحْزُنكَ قَوْلُهُمْ إِنَّا نَعْلَمُ مَا يُسْرُونَ وَمَا يُعْلِنُونَ﴾

“*Falā Yahzunka Qawluhum ‘Innā Na`lamu Mā Yusirrūna Wa Mā Yu`linūn*”

(So let not their speech grieve you. Indeed, We know what they conceal and what they declare.)

Evidence of the power of Allah (تعالى) to resurrect the dead on the Day of Judgment:

In the Name of Allah, the Most Gracious, the Most Merciful

Does man not consider that We created him from a mere sperm-drop - then at once he is a clear adversary? (77) And he presents for Us an example and forgets his own creation. He says, "Who will give life to bones while they are disintegrated?" (78) Say, "He will give them life who produced them the first time; and He is, of all creation, Knowing." (79) It is He who made for you from the green tree, fire, and then from it you ignite. (80) Is not He who created the heavens and the earth Able to create the likes of them? Yes, it is so; and He is the Knowing Creator. (81) His command is only when He intends a thing that He says to it, "Be," and it is. (82) So exalted is He in whose hand is the realm of all things, and to Him you will be returned. (83)[Surat Ya-Sin 77-83]

I think of the meanings of Qur'anic vocabulary

Vocabulary	Meaning
خَصِيمٌ Khaṣīmun	Disputing.
رَمِيمٌ Ramīm	Disintegrated.
أَنْشَأَهَا 'Ansha'ahā	Created and combined.
الْخَلَّاقُ Al-Khallāqu	Creator.
مَلَكَوْتُ Malakūtu	Ownership and control.

I understand the meaning of the verses

The verses covered a number of topics as follows:

First: Logical evidence in reply to deniers of resurrection after death:

The verse referred to some evidence of the power of Allah (تعالى) in reply to those who denied the gifts of Allah (تعالى) and started arguing and disputing His power to resurrect people on the Day of Judgment. This evidence includes the following:

- 1) The creation of man goes through a long series of formation, starting from despicable fluid until he is born and Allah provides him with the five senses. Allah (تعالى) who created man from nothing is capable of resurrect people and raise them from graves on the Day of Judgment.

I recite and answer

Allah (تعالى) said:

﴿ وَضَرَبَ لَنَا مَثَلًا وَنَسِيَ خَلْقَهُ، قَالَ مَنْ يُحْيِي الْعِظْمَ وَهِيَ رَمِيمٌ ﴿٧٨﴾ قُلْ يُحْيِيهَا
الَّذِي أَنْشَأَهَا أَوَّلَ مَرَّةٍ وَهُوَ بِكُلِّ خَلْقٍ عَلِيمٌ ﴿٧٩﴾ ﴾

“*Wa Ḍaraba Lanā MATHALĀN Wa Nasiya Khalqahu Qāla Man Yuḥyī Al-`Iẓāma Wa Hiya Ramīm (78) Qul Yuḥyīhā Al-Ladhī `Ansha`ahā `Awwala Marratin Wa Huwa Bikulli Khalqin `Alīm (79)*”

(And he presents for Us an example and forgets his own creation. He says, “Who will give life to bones while they are disintegrated?” (78) Say, “He will give them life who produced them the first time; and He is, of all creation, Knowing.” (79)).

- State the implication of the question in the saying of Allah (تعالى):

﴿ قَالَ مَنْ يُحْيِي الْعِظْمَ وَهِيَ رَمِيمٌ ﴾

“*Qāla Man Yuḥyī Al-`Iẓāma Wa Hiya Ramīm*”

(Who will give life to bones while they are disintegrated?).

- Give the answer of people with conscious minds to this question.

- Infer from these two verses two of the best names and attribute of Allah (تعالى).

--	--

2) Allah (تعالى) created fire from green trees so that man uses it to meet his needs and serve his interests; this is despite the fact that green trees contain a high percentage of water. So, He who created fire from its opposite is capable of raising people from their graves.

3) Allah (تعالى) created the high and wide heavens, spread the earth and distributed its mountains, seas and rivers. He who managed to do this will have no difficulty resurrecting people after they are dead.

I cooperate and expect

- The benefits which man will get from reflecting on the creatures of Allah (تعالى).

I read and explain

- One attribute of Allah (تعالى) which was mentioned in the saying of Allah (تعالى)

﴿ إِنَّمَا أَمْرُهُ إِذَا أَرَادَ شَيْئًا أَنْ يَقُولَ لَهُ كُنْ فَيَكُونُ ﴾

“Innamā ‘Amruhu~ ‘Idhā ‘Arāda Shay’āan ‘An Yaqūla Lahu Kun Fayakūn”

(His command is only when He intends a thing that He says to it, “Be,” and it is.).

I understand the significance of the noble hadith

In this noble hadith, the Messenger of Allah (ﷺ) calls us to demonstrate a great value that plays a big role in the cohesion of families and stability of society. This value is:

7. Maintaining the ties of kinship:

Our religion urged us to maintain cohesion and harmony of hearts by keeping good ties with our kinship and considered this one of the signs of faith. The Messenger of Allah (ﷺ) said:

“He who believes in Allah and the Day of Judgment should maintain ties with his kinship”

[Narrated by Al-Bukhari]. Kinship means relatives on the sides of both the father and the mother; namely the parents and their parents up in several levels, the children and their children down in several levels, the brothers and their children, the sisters and their children, and uncles and aunts. Islam urged us to learn the names of our relatives in order to maintain good and close ties with them. The Prophet (ﷺ) said:

“Learn enough about your lineage to facilitate keeping your ties of kinship. For indeed keeping the ties of kinship encourages affection among the relatives, increases the wealth, and increases the lifespan.” [Narrated by Al-Tirmithi].

The Muslim can maintain the ties of kinship by doing good deeds, such as visiting his relatives continuously, answering their invitations, doing them favors, protecting them from harm, visiting the sick among them, inquiring about the needy among them, respecting their elders, showing mercy towards their little ones, forgiving their mistakes and paying charity to the poor among them. Allah (تعالى) said:

﴿وَأْتِ ذَا الْقُرْبَىٰ حَقَّهُ وَالْمِسْكِينَ وَابْنَ السَّبِيلِ﴾

“Wa ‘Āti Dhā Al-Qurbā Ĥaqqahu Wa Al-Miskīna Wa Abna As-Sabīl”

(And give the relative his right, and also the poor and the traveler) [Al-‘Isrā’: 26].

I read and deduce

The merits off maintaining the ties of kinship from the following hadith:

Abu Ayoub Al-Ansari reported that a man came to the Prophet (ﷺ) and said: “Direct me to a deed which draws me near to Paradise and takes me away from the Fire.” Upon this the Prophet (ﷺ) said:

“You worship Allah and never associate anything with Him, perform prayer, pay Zakat, and do good to your kin.” When he turned his back, the Messenger of Allah (ﷺ) remarked: “If he adheres to what he has been ordered to do, he would enter Paradise.” [Narrated by Muslim].

I cooperate and comment

On the following behaviors, explaining the reason:

- He checks how his relatives are doing on phone only, although they live near to his house.

.....

- He travelled abroad to continue his studies and kept communicating with his family through social medial.

.....

- He refrained from visiting his brother because of a dispute between them.

.....

- He is keen on participating in the celebrations of his relatives and consoling them at their times of grief.

.....

I think and infer

The following from the hadith below:

The Messenger of Allah (ﷺ) said:

"Giving charity to a poor person is charity, and giving to a relative is two things, charity and maintaining the ties of kinship." [Narrated by Al-Tirmithi].

Reward of charity to relatives	The reason why the one who gives charity to relatives deserves to be rewarded twice.

I think and discuss

The following in light of my understanding of the hadith below:

The Messenger of Allah (ﷺ) said: “The person who perfectly maintains the ties of kinship is not the one who reciprocates good deeds by relatives; the one who truly maintains the bonds of kinship is the one who persists in doing so even though his relatives have severed the ties of kinship with him” [Narrated by Al-Bukhari].

- Some people exchange visits and presents only with their relatives who do the same to them.

Opinion:

.....

.....

The reason:

.....

.....

I read and explain

The effects of maintaining the ties of kinship on the following:

The person who maintains the ties of kinship	The relatives	Society

The reward for maintaining the ties of kinship on:

Allah (تعالى) gives the Muslim reward for maintaining the ties of kinship in this world, in addition to the reward which he will receive on the Day of Judgment. This is because maintaining the ties of kinship is one of the best good deeds which bring one closer to Allah (تعالى). The Messenger of Allah (ﷺ) said:

“The most quickly rewarded of good deeds is maintaining the ties of kinship.” [Narrated by Al-Baihaqi].

So, maintaining the ties of kinship results in increased provisions and extended lifespan.

I cooperate and contrast

Between maintaining the ties of kinship and severing the ties of kinship based on the following hadith:

- The Messenger of Allah (ﷺ) said:

“There is no sin more fitted to have its punishment served by Allah (تعالى) upon its perpetrator in advance in this world, along with what He stores up for him in the Hereafter, than oppression and severing the ties of kinship.” [Narrated by Abu Dawood].

Aspect	Maintaining the ties of kinship	Severing the ties of kinship
Meaning		
Rule		
Reward/punishment		
Effect on society		

1 Ample provisions

The Messenger of Allah (ﷺ) explained that maintaining the ties of kinship results in ample provisions for the Muslim. The word “provisions” in the hadith means two things: reward and forgiveness in the Hereafter, and provision in this world, including wealth, health, children, peace of mind, guidance by Allah (تعالى), good reputation and useful knowledge.

I read and infer

Some causes of ample provisions from the following texts:

The person who maintains the ties of kinship	The relatives
<p>Allah (تعالى) said:</p> <p>﴿...وَمَنْ يَتَّقِ اللَّهَ يَجْعَلْ لَهُ مَخْرَجًا ۖ وَيَرْزُقْهُ مِنْ حَيْثُ لَا يَحْتَسِبُ﴾</p> <p>“Wa Man Yattaqi Allāha Yaj`al Lahu Makhrajāan (2) Wa Yarzuquhu Min Ḥaythu Lā Yahtasib”</p> <p>(And whoever fears Allah - He will make for him a way out (2) And will provide for him from where he does not expect.) [Aṭ-Ṭalāq: 2-3].</p>	
<p>Abdullah bin Abbas (رضي الله عنه) reported that the Messenger of Allah (ﷺ) said:</p> <p>“Whoever persists in asking for forgiveness, Allah will grant him relief from every worry, and a way out from every hardship, and will grant him provision from sources he does not expect.</p> <p>”[Narrated by Abu Dawood and Ibn Majah].</p>	

The person who maintains the ties of kinship

The relatives

Salman (رضي الله عنه) reported that the Messenger of Allah (ﷺ) said:

“Indeed, Allah is Modest and Generous, and would never turn the hands of a servant without gain when he raises them to Him in supplication” [Narrated by Al-Tirmithi].

Allah (تعالى) said:

﴿ مَا يَفْعَلُ اللَّهُ بِعَذَابِكُمْ إِن شَكَرْتُمْ
وَأَمَنْتُمْ ﴾

“Mā Yaf`alu Allāhu Bi`adhābikum 'In Shakartum Wa 'Āmantum”

(What would Allah do with your punishment if you are grateful and believe?) [An-Nisā': 147]

I analyze and infer

The reason of being deprived of provisions:

The Messenger of Allah (ﷺ) said:

"Nothing extends one's life span but righteousness, nothing averts the Divine Decree but supplication, and nothing deprives a man of provision but the sin that he commits." [Narrated by Ahmad].

2

Blessed lifespan:

Maintaining the ties of kinship results in blessed lifespan. "blessed" here means having enough time for doing good deeds that help man in the Hereafter and bring benefits to society in this world, mastering one's work and earning the living of the person and their dependents.

I analyze and determine

Based on the following noble hadiths deeds that man does in his life but his reward for doing them continues after his death.

Noble hadiths	Deeds for which reward continues after man's death
<p>The Prophet (ﷺ) said: “When a man dies, his deeds come to an end, except for three: a continuous charity, knowledge by which people derive benefit or a pious son who prays for him.” [Narrated by Muslim].</p>	
<p>The Prophet (ﷺ) said: “Whoever guides someone to a good deed will be rewarded equivalent to him who does that good deed.” [Narrated by Muslim].</p>

I use my skills to learn

The status of knowledge in Islam:

Islam paid great attention to knowledge because it is the way to knowing and worshipping Allah (تعالى) and because knowledge is the cornerstone for the progress of nations and the reason for the happiness of man in this world and the Hereafter. So, the first revealed verse of the Holy Qur'an called for seeking knowledge and ordered reading at all levels because reading is the best way to acquire knowledge. Allah (تعالى) said:

﴿أَقْرَأْ بِأَسْمِ رَبِّكَ الَّذِي خَلَقَ ۝١ خَلَقَ الْإِنْسَانَ مِنْ عَلَقٍ ۝٢ اقْرَأْ وَرَبُّكَ الْأَكْرَمُ ۝٣ الَّذِي عَلَّمَ بِالْقَلَمِ ۝٤﴾

“Aqra’ Biāsmi Rabbika Al-Ladhī Khalaqa (1) Khalaqa Al-’Insāna Min `Alaq (2) Aqra’ Wa Rabbuka Al-’Akram (3) Al-Ladhī `Allama Bil-Qalam (4)”

(Recite in the name of your Lord who created (1) Created man from a clinging substance. (2) Recite, and your Lord is the most Generous (3) Who taught by the pen - (4))

[Al-`Alaq: 1-4]. In addition, the Messenger of Allah (ﷺ) encouraged us to seek beneficial knowledge; He (ﷺ) said:

“Ask Allah for beneficial knowledge.” [Narrated by Ibn Majah].

Furthermore, the Prophet (ﷺ) used to start his day by saying:

“O Allah, I ask you for beneficial knowledge.” [Narrated by Ahmad].

Beneficial knowledge is that which is applied by its holder, is taught to others, brings benefit to people and results in purified souls, noble manners and righteous behavior.

I recite and memorize:

- The significance of swearing by the pen in the saying of Allah (تعالى):

ن وَالْقَلَمِ وَمَا يَسْطُرُونَ

"Nūn Wa Al-Qalami Wa Mā Yaṣṭurūn"

(Nun. By the pen and what they inscribe) [Al-Qalam: 1].

I read and explain

Other merits of seeking knowledge from the following noble hadiths:

- The Prophet (ﷺ):

"Whoever takes a path upon which to obtain knowledge, Allah makes the path to Paradise easy for him." [Narrated by Muslim].

.....

.....

- The Prophet (ﷺ) said:

"The angels lower their wings over the seeker of knowledge, being pleased with what he does." [Narrated by Abu Dawood].

- The Prophet (ﷺ) said:

"When a man dies, his deeds come to an end, except for three: a continuous charity, knowledge by which people derive benefit or a pious son who prays for him." [Narrated by Muslim].

Fields of beneficial knowledge:

One scholar said: there are two types of knowledge: religious knowledge and material knowledge. Man gets beneficial knowledge by learning religious knowledge; i.e. Sharia knowledge, which is beneficial for man in this world and in the Hereafter. The Prophet (ﷺ) said:

"When Allah wishes good for someone, He bestows upon him the understanding of religion." [Narrated by Al-Bukhari and Muslim].

He also gets beneficial knowledge by learning material knowledge, such as medicine, mathematics, languages, engineering, technology and all sciences through which nations develop and civilizations prosper.

I cooperate and explain

The benefits man gets from learning the following:

Discipline	Result
The Qur'an, jurisprudence and faith	
Surgery and medicine

I analyze and infer

The following from the saying of Allah (تعالى):

﴿ كُنْتُ فُصِّلَتْ آيَاتُهُ، قُرْءَانًا عَرَبِيًّا لِقَوْمٍ يَعْلَمُونَ ﴾

The status of scholars who apply their knowledge:

Islam indicated the high status of scholars. Allah (تعالى) said:

﴿يَرْفَعُ اللَّهُ الَّذِينَ ءَامَنُوا مِنْكُمْ وَالَّذِينَ أُوتُوا الْعِلْمَ دَرَجَاتٍ وَاللَّهُ بِمَا تَعْمَلُونَ خَبِيرٌ﴾

“*Yarfa`i Allāhu Al-Ladhīna ‘Āmanū Minkum Wa Al-Ladhīna ‘Ūtū Al-`Ilma Darajātin Wa Allāhu Bimā Ta`malūna Khabīr*”

(Allah will raise those who have believed among you and those who were given knowledge, by degrees. And Allah is Acquainted with what you do.) [Al-Mujādila: 11].

Allah (تعالى) assigned this status to scholars alone. He (ﷻ) said:

﴿قُلْ هَلْ يَسْتَوِي الَّذِينَ يَعْلَمُونَ وَالَّذِينَ لَا يَعْلَمُونَ إِنَّمَا يَتَذَكَّرُ أُولُو الْأَلْبَابِ﴾

“*Qul Hal Yastawī Al-Ladhīna Ya`lamūna Wa Al-Ladhīna Lā Ya`lamūna ‘Innamā Yatadhakkaru ‘Ūlū Al-‘Albāb*”

(Say, “Are those who know equal to those who do not know?” Only they will remember who are people of understanding.) [Az-Zumar: 9].

In addition, Allah (تعالى) coupled the testimonies of scholars and of angels with His own testimony to indicate the high status of scholars. Allah (تعالى) said:

شَهِدَ اللَّهُ أَنَّهُ لَا إِلَهَ إِلَّا هُوَ وَالْمَلَائِكَةُ وَأُولُو الْعِلْمِ قَائِمًا بِالْقِسْطِ لَا إِلَهَ إِلَّا هُوَ الْعَزِيزُ الْحَكِيمُ

“Shahida Allāhu ‘Annahu Lā ‘Ilāha ‘Illā Huwa Wa Al-Malā’ikatu Wa ‘Ūlū Al-‘Ilmi Qā’imāan Bil-Qiṣṭi Lā ‘Ilāha ‘Illā Huwa Al-‘Azīzu Al-Ḥakīm”

(Allah witnesses that there is no deity except Him, and so do the angels and those of knowledge - that He is maintaining creation in justice. There is no deity except Him, the Exalted in Might, the Wise.) [‘Āli ‘Imrān: 18].

The Messenger of Allah (ﷺ) stressed the higher status of the scholar-teacher by saying:

“The superiority of the scholar over the devout is like that of the moon, on the night when it is full, over the rest of the stars. The scholars are the heirs of the Prophets, and the Prophets leave neither dinar nor dirham, leaving only knowledge, and he who takes it takes an abundant portion.” [narrated by Abu Dawood].

I read and explain

How the following texts indicate the higher status of scholars:

- Allah (ﷻ) said:

“Innamā Yakhshá Allāha Min `Ibādihi Al-`Ulamā`u”

(Only those fear Allah, from among His servants, who have knowledge.) [Fāṭir: 28].

.....

.....

- The Messenger of Allah (ﷺ) said:

“The person who is best versed in the recitation of the Book of Allah, should lead the prayer; but if all those present are equally versed in it, then the one who has most knowledge of the Sunnah.”[narrated by Muslim].

.....

- The Prophet (ﷺ) said:

"Indeed Allah, His Angels, the inhabitants of the heavens and the earths - even the ant in its hole, even the fish - say prayers upon the one who teaches the people to do good deeds." [Narrated by Al-Tirmithi].

I think and explain

The effect of knowledge on the personality of the learner in the following areas

Area	Effect
His relation with Allah (تعالى)	
His manners	
His psychology	
His mental skills	

Our Messenger (ﷺ) is a role model for scholars and teachers

The Messenger of Allah (ﷺ) was sent as a teacher for people. He (ﷺ) said: "I have been as a teacher." [narrated by Ibn Majah]. So, he was the best teacher, and he sought to build the personality of man. One of the Companions (رضي الله عنه) described him by saying: "I have never seen a teacher before or after the Prophet (ﷺ) who taught better than he did." [narrated by Muslim]. He (ﷺ) was gentle with the learner and made things easy; he was not strict. He (ﷺ) said: "Allah did not send me to be harsh or cause harm, but He has sent me to teach and make things easy." [narrated by Muslim]. Our Messenger (ﷺ) taught the Companions (رضي الله عنهم) religious knowledge and encouraged them to reflect on the universe. Abu Dharr Al-Ghafari (رضي الله عنه) said: "After the Messenger of Allah (ﷺ) left us, even the bird's flapping of its wings would remind us of some knowledge which he (ﷺ) taught us" [narrated by Al-Tabarani].

I read and explain

The following from the hadith below:

The Prophet (ﷺ) said:

"The similitude of guidance and knowledge with which Allah has sent me is like a rain which has fallen on some ground. A fertile part of earth has absorbed water and brought forth much grass and herbs. Another part, which is solid, held the water and Allah benefits men thereby, who drank and gave others to drink, and used it for irrigation. But some of it has fallen on a portion of sandy land which neither retains the water nor produces herbage. Such is the likeness of the man who understands the religion of Allah and who gets benefit of what Allah has sent me with; he learns and teaches others. It is also the likeness of the man who neither benefits from what I was sent with, nor accepts Allah's guidance with which I am sent."[narrated by Al-Bukhari and Muslim].

I cooperate and balance

Between the advantages and disadvantages of learning from websites:

I conclude that:	

Being polite with scholars and teachers:

The learner should be polite in dealing with scholars and teachers. This includes talking to them politely and appreciating them. The Prophet (ﷺ) said:

“Whoever does not respect our old people, show mercy to our children or recognize the right of our scholars is not one of my us.”[narrated by Ahmad].

We owe scholars and teachers respect, gentleness, humbleness in dealing with them, gratitude and praying to Allah for their welfare. The Prophet (ﷺ) said:

“If anyone does you a favor, requite him; but if you have not the means to do so, pray for him until you feel that you have requited him.”[narrated by Abu Dawood].

I analyze and explain

Student manners as set out in the following statement, explaining the results of observing them.

Knowledge is the cornerstone of human civilization:

Knowledge is a key contributor to the progress of societies. Knowledge and thought are the source of creativity and development. Allah (تعالى) said:

"Yarfa`i Allāhu Al-Ladhīna `Āmanū Minkum Wa Al-Ladhīna `Ūtū Al-`Ilma Darajātin Wa Allāhu Bimā Ta`malūna Khabīr"

(Allah will raise those who have believed among you and those who were given knowledge, by degrees. And Allah is Acquainted with what you do.) [Al-Mujādila: 11].

The Muslims followed the directions of Islam to seek knowledge through reading and scientific research, and they contributed to building human civilization in various fields. Some prominent Muslim scholars include Imam Malik bin Anas (رَحْمَةُ اللهِ), Imam Abu Hanifa Al-Nu'man (رَحْمَةُ اللهِ), Imam Al-Bukhari (رَحْمَةُ اللهِ) and Imam Muslim (رَحْمَةُ اللهِ) in Sharia, Ibn Sina in medicine, Al-Khawarizmi in mathematics and hundreds of other scholars who excelled in all fields.

The Muslims were the first to build universities. The House of Wisdom was the first university. It was followed by the University of Al-Karaouine and then Al Azhar university. As a result of their interest in knowledge, the first hospital in Islam, Daru Al-Shifa, was established in Baghdad.

I think and determine

The field of knowledge in which I will specialize	
The means which I need for that purpose

Education in the United Arab Emirates:

The wise leadership of our country has realized the importance of knowledge and learning. It has built schools, institutes and universities and provided them with experienced teachers as well as all means to succeed in various fields. Hence, it entered the field of space sciences and became capital of sustainable clean energy.

It has made education a top priority, as it seeks to rank high globally, and incorporated indicators for achieving this goal in the national agenda 2021.

I read and infer

The reason behind the UAE's interest in education from the following statement:

The founding father, Sheikh Zayed bin Sultan Al Nahyan (رحمه الله) said: "Science and culture are the foundation of the progress of the nation, the basis of civilization and the cornerstone of nation-building; without scientific advances, there would have been no civilizations, no advanced industry and no agriculture that meets the needs of citizens."

One scholar said: "I never get enough of reading books. If I see a book for the first time, it is like I have found a treasure."

The poet Abu Al-Tayeb Al-Mutanabbi said:

The book is the best companion ever.

I read and infer

- What the scholar loves as indicated in his statement.

.....

- The significance of likening the book to a treasure when he says: "If I see a book for the first time, it is like I have found a treasure."

.....

- The relation between the statement of the scholar and the line of the poet.

- A civilized value for which I will allocate some time every day.

The status of reading in Islam:

Reading has a high status in Islam; the first revealed word of the Holy Qur'an was the saying of Allah (تعالى):

﴿أَقْرَأْ بِأَسْمِ رَبِّكَ الَّذِي خَلَقَ﴾

"Aqra' Biāsmi Rabbika Al-Ladhī Khalaqa"

(Recite in the name of your Lord who created) [Al-'Alaq: 1].

Then this was stressed by the saying of Allah (تعالى):

﴿أَقْرَأْ وَرَبُّكَ الْأَكْرَمُ ﴿٣﴾ الَّذِي عَلَّمَ بِالْقَلَمِ ﴿٤﴾﴾

"Aqra' Wa Rabbuka Al-'Akram (3) Al-Ladhī `Allama Bil-Qalam (4)"

(Recite, and your Lord is the most Generous (3) Who taught by the pen - (4)) [Al-'Alaq: 3-4].

This marked the opening of new horizons of science and knowledge, the eradication of illiteracy and the beginning of a new civilization.

The Prophet (ﷺ) was keen on enhancing reading in his society, and literate Companions had a great status with him. One of these was Zaid bin Thabit (رضي الله عنه), who was assigned some great tasks, such as writing down the Holy Qur'an and letters and translation into other languages.

The Prophet (ﷺ) sent the literate Companions to various countries to teach people the Holy Qur'an. So, Islam planted the love of reading in the hearts of Muslims, and they bought books and carried them in their travels. A friend gave his friend an advice before travelling by saying: "Read books to help reduce the feeling of alienation; books are talking companions and that open your eyes to new worlds."

I think and explain

- The Prophet (ﷺ) instructed that captives from the Battle of Badr can ransom themselves by teaching ten Muslim children how to read and write.

I analyze and infer

Allah (تعالى) said:

﴿أَقْرَأْ بِأَسْمِ رَبِّكَ الَّذِي خَلَقَ ۝١ خَلَقَ الْإِنْسَانَ مِنْ عَلَقٍ ۝٢ اقْرَأْ وَرَبُّكَ الْأَكْرَمُ ۝٣
الَّذِي عَلَّمَ بِالْقَلَمِ ۝٤ عَلَّمَ الْإِنْسَانَ مَا لَمْ يَعْلَمْ ۝٥﴾

"Aqra' Biāsmi Rabbika Al-Ladhī Khalaqa (1) Khalaqa Al-'Insāna Min `Alaq (2) Aqra' Wa Rabbuka Al-'Akram (3) Al-Ladhī `Allama Bil-Qalam (4)"

(Recite in the name of your Lord who created (1) Created man from a clinging substance. (2) Recite, and your Lord is the most Generous (3) Who taught by the pen - (4)) [Al-'Alaq: 1-4].

- The relation between the saying of Allah (تعالى):

﴿ أَقْرَأْ بِأَسْمِ رَبِّكَ الَّذِي خَلَقَ ۝١ خَلَقَ الْإِنْسَانَ مِنْ عَلَقٍ ۝٢ ﴾

"Aqra' Biāsmi Rabbika Al-Ladhī Khalaqa (1) Khalaqa Al-'Insāna Min `Alaq (2)"

(Recite in the name of your Lord who created (1) Created man from a clinging substance. (2)) [Al-'Alaq: 1-2],

- and the saying of Allah (تعالى):

﴿ فَلْيَنْظُرِ الْإِنْسَانُ مِمَّ خُلِقَ ۝٥ خُلِقَ مِنْ مَّاءٍ دَافِقٍ ۝٦ ﴾

"Falyanzuri Al-'Insānu Mimma Khuliq (5) Khuliqa Min Mā'in Dāfiq (6)"

(So let man observe from what he was created. (5) He was created from a fluid, ejected, (6)) [At-Ṭāriq: 5-6].

- The concept of reading in the first verse:

﴿أَقْرَأْ بِأَسْمِ رَبِّكَ الَّذِي خَلَقَ﴾ (1)

“Aqra’ Biāsmi Rabbika Al-Ladhī Khalaqa”

(Recite in the name of your Lord who created) [Al-`Alaq: 1].

- The difference between the concept of reading in the first verse and the concept of reading in the saying of Allah (تعالى):

﴿أَقْرَأْ بِأَسْمِ رَبِّكَ الَّذِي خَلَقَ﴾ (1) ﴿خَلَقَ الْإِنْسَانَ مِنْ عَلَقٍ﴾ (2) ﴿أَقْرَأْ وَرَبُّكَ الْأَكْرَمُ﴾ (3)
﴿الَّذِي عَلَّمَ بِالْقَلَمِ﴾ (4)

“Aqra’ Biāsmi Rabbika Al-Ladhī Khalaqa (1) Khalaqa Al-’Insāna Min `Alaq (2) Aqra’ Wa Rabbuka Al-’Akram (3) Al-Ladhī `Allama Bil-Qalam (4)”

(Recite in the name of your Lord who created (1) Created man from a clinging substance. (2) Recite, and your Lord is the most Generous (3) Who taught by the pen - (4)) [Al-`Alaq: 1-4].

Benefits of reading:

Reading useful books has great benefits and positive effects. It is the means for acquiring knowledge, nurturing the mind and pleasing the heart. It expands the reader's horizons, gives him wisdom, develops his linguistic skills, increases his experience, strengthens his morals and improves his behavior.

I think and discuss

- The benefit of combining reading and reflecting on the visible creatures of Allah (تعالى) and reading and reflecting on the written verses of the Holy Qur'an.

I cooperate and explain

The effect of reading on the reader in the following areas:

Area	Effect
Thinking and creativity	
Social status	
Psychological state	
Behavior	
Linguistic skills	

Writing was the first invention in the world:

Life is useless without reading and learning. That is why Allah (تعالى) swore by the tools of reading and writing, such as the pen with which knowledge is written. Allah (تعالى) said:

ن وَالْقَلَمِ وَمَا يَسْطُرُونَ ﴿١﴾

“Nūn Wa Al-Qalami Wa Mā Yasṭurūn”

(Nun. By the pen and what they inscribe) [Al-Qalam: 1].

Allah (تعالى) also indicated the importance of writing in His saying:

اقْرَأْ وَرَبُّكَ الْأَكْرَمُ ﴿٣﴾ الَّذِي عَلَّمَ بِالْقَلَمِ ﴿٤﴾

“Aqra’ Wa Rabbuka Al-’Akram (3) Al-Ladhī `Allama Bil-Qalam (4)”

(Recite, and your Lord is the most Generous (3) Who taught by the pen - (4)) [Al-`Alaq: 3-4].

Writing has great benefits; without it knowledge would not have been noted down or spread, wise sayings would have been preserved, and stories and articles of ancestors would not have been kept. Without literacy, man would not have been able to organize his affairs.

I read and explain

The benefits of writing for the learner from the following statements:

- One scholar instructed his pupils by saying: "Know that this knowledge escapes just like camels do (meaning that it is forgotten). So, keep it in books and let pens guard it."

.....

- Al-Khalil bin Ahmad, the founder of prosody, (رضي الله عنه) said: "Whenever I hear something, I note it down; when I note it down, I memorize it; and when I memorize it, I get benefit from it". He used to read a lot.

.....

I think and discuss

The following ideas:

- There is a close connection between reading and creative writing.

.....

- Creative writing is not a manual process; it is a mental process that involves the mind.

.....

Sources and fields of reading:

Reading is key to knowledge. Man should acquire and read useful books, which are widely available in various subjects nowadays. They could be paper books or e-books. Here are some suggestions:

- The Holy Qur'an: this is the best book which the Muslim could read. Allah (تعالى) said:

﴿فَاقْرَأْ وَ مَا تَيَسَّرَ مِنَ الْقُرْآنِ﴾

“Fāqra’ū Mā Tayassara Mina Al-Qur’ān”

(so recite what is easy for you of the Qur’an.) [Al-Muzzammil: 20].

The Messenger of Allah (ﷺ) said: “Recite the Qur’an, for on the Day of Judgment it will come as an intercessor for those who recite it.” [narrated by Muslim].

- The Sunnah and biography of our Prophet Mohammad (ﷺ): from these we draw lessons and find a role model. Allah (تعالى) said:

﴿لَقَدْ كَانَ لَكُمْ فِي رَسُولِ اللَّهِ أُسْوَةٌ حَسَنَةٌ﴾

(There has certainly been for you in the Messenger of Allah a role model.) [Al-’Aḥzāb: 21].

- Biographies of scholars and righteous figures: we learn from their knowledge and experience, thereby increasing our knowledge; and we learn about and follow their good manners and behaviors. Ibn Al-Mubarak (رضي الله عنه) was told: "O Abu Abdur Rahman! Go out and sit with your companions." He said: "when I stay at home, I sit with the Companions of the Messenger of Allah (صلى الله عليه وسلم) (by reading their biographies).
- Arabic literature: because preserving the Arabic language is a national, religious and moral duty.
- Various knowledge books in different disciplines; a large number of these books have been translated into Arabic and become available for everyone.
- Books about the UAE, its history and founders: these books instill in the soul love of one's country and willingness to sacrifice for it, maintain its stability, and contribute to building its civilization.
- Means of reading have evolved nowadays and are no longer limited to books; several electronic means of reading are available, such as surfing the internet and reading text messages posted on social media. These means of reading were made by people who benefitted well from reading.

I cooperate and state

The effects of reflecting upon the Holy Qur'an on the reciter.

I read and explain

Electronic means of reading are a double-edged sword

.....

.....

I recite and memorize:

- The danger associated with taking knowledge from unofficial electronic sources.
-
- The result of following suspicious ideas and calls that are promoted through certain websites and social media.
-

Reading is the cornerstone of civilization:

Reading is a reason for man's high status in life and after death, and a means of progress of societies and their civilization. Allah (تعالى) said:

﴿يَرْفَعُ اللَّهُ الَّذِينَ ءَامَنُوا مِنْكُمْ وَالَّذِينَ أُوتُوا الْعِلْمَ دَرَجَاتٍ وَاللَّهُ بِمَا تَعْمَلُونَ خَبِيرٌ﴾

"Yarfa`i Allāhu Al-Ladhīna `Āmanū Minkum Wa Al-Ladhīna `Ūtū Al-`Ilma Darajātin Wa Allāhu Bimā Ta`malūna Khabīr"

(Allah will raise those who have believed among you and those who were given knowledge, by degrees. And Allah is Acquainted with what you do.) [Al-Mujādila: 11].

When the early Muslims became passionate about reading and writing, they acquired varied knowledge and started a movement of authoring, classification and translation of different languages and civilizations, thereby making their libraries one of the greatest achievements and benefits of Islamic civilization and among the richest libraries in the world.

Our wise leadership in the United Arab Emirates has recognized the role of reading in innovation and creativity aimed at building human civilization. Therefore, it has paid great attention to reading, built schools and universities, established libraries, provided useful books, organized book fairs, encouraged reading through many initiatives and contests, and granted big awards for that.

I analyze and explain

The role of reading in building the civilization of nations based on the following statement:

His Highness Sheikh Mohammed bin Rashid Al Maktoum, Vice President of the UAE, may Allah protect him, said:

The scientists, researchers and innovators who will lead our future must be developed on the basis of love of reading, passion for knowledge and curiosity to build a generation of readers and to establish the UAE as a capital of content and knowledge.

I search and talk

About the Arab Reading Challenge project which was launched in the United Arab Emirates, specifying the following:

- Name of the UAE ruler who launched the project.

.....

- The year in which the project was launched.

.....

- Goals of the project:

.....

.....

I think and explain

The significance of the following:

- His Highness Sheikh Khalifa bin Zayed Al Nahyan, President of the UAE, may Allah protect him, declared 2016 as the year of reading.

I cooperate and search

For the first law concerning reading in the Arab region issued by His Highness Sheikh Khalifa bin Zayed Al Nahyan, President of the UAE, may Allah protect him, in October 2016, read its articles and encourage my classmates to apply it.

Reading is the responsibility of the family:

The family places the first brick in the upbringing of children and the development of their minds. The Prophet (ﷺ) said: "The man is a guardian of his family and is responsible for them; the woman is guardian in her husband's house and responsible for her wards." [narrated by Al-Bukhari and Muslim]. Parents should instill the love of reading in the hearts of children and encourage them to use their time for reading, while providing the appropriate environment to help them. One of the best factors to help achieve this is to provide a library that contains suitable books for the children's thinking and interests, including books about useful sciences. This way, we develop the children's minds, increase their knowledge and make reading an inherent culture among society members.

I think and explain

- The biggest possible number of benefits children get from sitting with their parents in a collective family reading session.

Imam Al-Shafe'i

رحمة الله تعالى

This lesson teaches me to:

- determine the features of the personality of Imam Al-Shafe'i (رحمة الله تعالى).
- explain the prominence of Imam Al-Shafe'i in scholarly fields.
- explain aspects to be modelled in the personality of Imam Al-Shafe'i (رحمة الله تعالى).
- infer the importance of the message of scholars in serving and advancing society.

I take the initiative to learn

It is said that scholars of hadith would come to Imam Al-Shafe'i (رحمهُ اللهُ تعالى) and present their knowledge before him. To their surprise, he would tell them about certain matters in relation to their specialty. Jurists would come to him, but would not leave until they have acknowledged his religious knowledge. Poets would come to him and read their poetry before him; he memorized ten thousand lines of Arabic poetry, including peculiar ones and their meanings. He also was knowledgeable about history. Imam Al-Shafe'i (رحمهُ اللهُ تعالى) was wise and pious, and sincerely intended his work for the sake of Allah (عَزَّوَجَلَّ).

I read and infer

- The disciplines mastered by Imam Al-Shafe'i (رحمهُ اللهُ تعالى).

- The reason why he mastered these disciplines, in my opinion.

- The reason why people would come to Imam Al-Shafe'i (رحمهُ اللهُ تعالى) (تعالى).

- The effect of sincerity in work.

I use my skills to learn

The status of reading in Islam:

Imam Al-Shafe'i (رحمهُ اللهُ تعالى) said: I was born in Gaza in 150 AH. I was taken to Makkah when I was two years old. I was an orphan living with my mother. As she had no money to pay for my teacher, he agreed that I help him and be in charge of the boys in his absence. I memorized the Holy Qur'an when I was seven years old, and memorized Al-Muwatta when I was ten years old. I lived with Arab tribes for twenty years learning their languages and poetry, and memorized the Holy Qur'an. I knew the meaning of every word and letter. Then, I went to Malik bin Anas (رحمهُ اللهُ تعالى) and noted down his Al-Muwatta. He said: "read it". When he listened to me while reading his books, he said: "Son. If you learn, you get a higher status.

I read and summarize

The introduction of Imam Al-Shafe'i (رحمهُ اللهُ تعالى) in the following table:

Main teacher:	

I think and discuss

- Knowledge enables man to attain a higher status.

.....

.....

- The mother plays a key role in the distinction of her children.

.....

.....

The journey to seek knowledge:

Imam Al-Shafe'i (رحمهُ اللهُ تعالى) travelled to Madinah, where he met Imam Malik bin Anas (رحمهُ اللهُ تعالى) and learned from him the jurisprudence of Hijaz. He went to Baghdad in 195 AH and stayed there two years before leaving for Makkah. He returned to Baghdad in 198 AH, stayed there for one month and then left to Egypt, which he reached in 199 AH. He stayed there until he died in 204. His jurisprudence was a combination of the jurisprudence of Hijaz and the jurisprudence of Iraq. He combined knowledge of the Qur'an and Sunnah, experience in Arabic, and knowledge about the conditions and circumstances of people. So, Imam Al-Shafe'i (رحمهُ اللهُ تعالى) was the first to establish the principles of jurisprudence.

I cooperate and explain

- Aspects of the hard work of Imam Al-Shafe'i (رحمةُ اللهُ تعالى) in seeking knowledge.

Seeking knowledge is one of the best deeds:

Imam Al-Shafe'i (رحمهُ اللهُ تعالى) said: if you have a worldly target, seek knowledge; if you have a target in the Hereafter, seek knowledge. The second best thing that man can do to get closer to Allah (تعالى), after obligatory worship acts, is to seek knowledge. If one seeks knowledge, he should be careful not to lose the details. There is no good in a man who does not like knowledge; so do not get acquainted with such a man or be friends with him. The ornament of scholars is success; their adornment is good manners; and their beauty is nobleness.

UNITED ARAB EMIRATES
MINISTRY OF EDUCATION

The Ministry coordinates with national higher education institutions to admit students in various majors in line with the needs of the labour market and future human development plans. Higher Education institutions also determine the number of students that can be admitted according to their capabilities, mission and goals. They also set the conditions for students' admission to various programmes according to the stream they graduated from, the levels of their performance in the secondary stage, and their results from the Emirates Standard Assessment Test.

Integration and coordination between General and Higher Education systems allow for the approval and calculation of school study courses within university studies according to the school stream and university specialisation, which reduces the duration of university studies.
